8. Have you been employed or held any position in any of the following areas?

___x__ (a) energy issues
___x__ (b) telecommunications issues
_____ (c) consumer protection and advocacy issues
____x_ (d) water and wastewater issues
_____ (e) finance, economics, and statistics
_____ (f) accounting
_____ (g) engineering
___x__ (h) law

Please provide the duration of your employment or service and details about the nature of the work or the position.

I have been serving as the commissioner representing the 6th district for the past three and a half years. In that capacity, I have been tasked with the regulation of many of the above disciplines and as such, have also dealt with the correlating areas of accounting, finance, and economics.

9. Have you served in the military? If so, give the dates of service, branch of service, highest rank, serial number, present status, and the character of your discharge or release.

No

10. Have you ever held public office? If so, provide details, including the office, whether elected or appointed, the length and dates of your service. Also, state whether or not you timely filed reports with the State Ethics Commission during the period you held public office. If not, were you ever subject to a penalty. If so, provide details, including dates.

No

11. Have you ever been an unsuccessful candidate for elective, judicial, or other public office? If so, provide details, including dates.

No

12. Please list in chronological order any employment of you by any governmental agency (whether full time or part time, contractual or at will, consulting or otherwise). Provide dates of employment, name of employer, name of supervisor, and major job responsibilities.

(a) 8/2004-2005, Judicial Law Clerk, Honorable L. Casey Manning. As a judicial law clerk, I provided critical research to the judge for his ruling in motions, pretrial hearings, trials and guilty pleas. I was responsible for the office schedule and for coordinating meetings with the judge and attorneys. I kept tedious notes on proceedings for the judge for his later reference. I drafted orders and I edited incoming proposed orders from parties.

(b) 8/2005-1/2007, Solicitor, Fifth Judicial Circuit, Supervisor-Richard Cathcart. As a solicitor, I prosecuted non-violent felonies. I managed a caseload of over two hundred cases. I prepared cases for disposition through either trial or guilty plea or dismissal. I second seated more senior attorneys in trials of violent offenses which all resulted in convictions. I handled appeals from Magistrate's Court. I created strong relationships with attorneys from the defense bar which I maintain today.

(c) 1/2007-5/2010, Magistrate, Richland County, Supervisor-Senator John Scott As a judge in Richland County, I presided over traffic court, criminal domestic violence court, bond court, jury trials and preliminary hearings. Because we did not have designated clerks, I was responsible for my own case law research which was critical to fair, impartial rulings. I reviewed orders from attorneys and edited them for content and grammar. I was often expected to make extremely timely decisions which were of major significance to the parties. I charged juries on their role in a jury trial. I maintained decorum in a crowded courtroom. I also presided over transfer court in General Sessions for defendants charged with General Sessions level offenses who were given the option of disposing of their charge in Transfer Court.

(d) 5/2010-Present, Commissioner, SC Public Service Commission. As a commissioner, I am tasked with many duties. I have a tremendous amount of testimony to review for upcoming hearings in order to prepare for the hearing and make a fair and impartial ruling. I have to stay abreast of issues in the industry which is facing imminent changes. I do so by reviewing trade magazines and blogs focused on the respective sectors of regulated utilities. In my capacity as a subcommittee chair at NARUC, I must prepare the agendas for meetings and arrange relevant and substantive panels which contribute and complement the meeting's theme. I consult with staff about questions regarding hearings and rate cases. As Vice Chair of the commission, I preside over hearings when the Chairman is unavailable and stay abreast of human resource and budgetary concerns of the agency.

13. Please list in chronological order any occupation, business, or profession in which you have been engaged or employed (other than serving in a public office or being employed by a governmental agency). Please briefly note the nature of your work during each period.

N/A

30. List all professional organizations of which you are a member and give the titles and dates of any offices that you have held in such groups.

(a) SC Bar, Member
(b) Georgia Bar, Member (Inactive)
(c) National Association of Regulatory Utility Commissioners, Chair of Utility Market Access Subcommittee, Past Chair of Washington Action 1/2013-1/2014, member of the Energy Resources and the Environment Committee
(d) Nuclear Waste Strategy Coalition, appointed to replace former Commissioner David Wright

31. List all civic, charitable, religious, educational, social, and fraternal organizations of which you are or have been a member during the past five (5) years.

(a) Former member, Brookland Foundation Board
(b) Secretary/Treasurer, Columbia Chapter of National Association of Alumnae of Spelman College
(c) Member, Brookland Baptist Church

32. State any other information which may reflect positively or negatively on you, or which you believe should be disclosed in connection with consideration of you for a position on the Public Service Commission.

I am proud to have risen into leadership both at NARUC and at the Commission. When I arrived on the commission, I was completely new to the industry and felt overwhelmed in the first hearing. Since then, I have immersed myself in learning, utilized the staff and my peers and I continue to grow and learn as a commissioner. I have forged relationships at NARUC that resulted in the confidence of the last three NARUC presidents to elevate me to leadership positions in the organization. The South Carolina Public Service Commission has a wonderful reputation among other states as leaders at NARUC and I worked hard to continue that tradition.

At home, I am pleased that my peers elected me to the Vice Chair position in 2013. If reelected, I will become Chairman on July 1 and I look forward to leading the Commission with distinction.

33. List the names, addresses, and telephone numbers of five (5) persons, including your banker, from whom references could be required. Also, provide this Committee with original letters of recommendation from each person listed herein, including their

signature. A photocopy or electronic submission of a letter of recommendation will not be accepted.

1) Honorable Caroline Streater
2) Allyson Carbaugh Rikard
3) Jeanne Linen
4) Jocelyn Newman
5) Honorable L. Casey Manning

I HEREBY CERTIFY THAT THE ANSWERS TO THE ABOVE QUESTIONS ARE TRUE AND CORRECT TO THE BEST OF MY KNOWLEDGE.
