**No. 2**

(R4, S213)

**AN ACT TO DIRECT THE SOUTH CAROLINA CODE COMMISSIONER TO INCLUDE BEGINNING WITH THE 2011 CUMULATIVE SUPPLEMENT TO THE CODE OF LAWS OF SOUTH CAROLINA, 1976, CERTAIN REPORTER’S COMMENTS IN REGARD TO VARIOUS PROVISIONS OF THE SOUTH CAROLINA PROBATE CODE IN TITLE 62, AMENDED BY ACT 244 OF 2010.**

Be it enacted by the General Assembly of the State of South Carolina:

**Findings**

SECTION 1. The General Assembly finds that by Act 244 of 2010, the General Assembly enacted various statutory changes to the South Carolina Probate Code as contained in Title 62. The South Carolina Probate Code as originally enacted in 1986 contained Reporter's Comments after most sections further explaining the intent and effect of those sections which has been of great assistance to the South Carolina Bar and general public. Due to time constraints, it was not possible to complete Reporter's Comments to the code sections amended by Act 244 of 2010, but through the efforts of the South Carolina Bar these comments have been completed and offered to the General Assembly by the South Carolina Bar for such use as the General Assembly considers appropriate. In accepting these Reporter's Comments for use and publication in the manner provided by this act, the General Assembly expresses its thanks to the South Carolina Bar and its member attorneys for their diligence and professionalism in developing and preparing these comments.

**Reporter's Comments**

SECTION 2. The South Carolina Code Commissioner is directed to include beginning with the 2011 Cumulative Supplement to the Code of Laws of South Carolina, 1976, the following South Carolina Reporter's Comments to the provisions of Title 62 (the South Carolina Probate Code), amended by Act 244 of 2010. The formatting and location of these comments shall be as the Code Commissioner determines. Those comments are as follows:

**"South Carolina Comments**

Section 62-1-201. General Definitions.

The 2010 amendment revised certain definitions in Section 62-1-201, i.e., "application" in item (1), "formal proceedings" in item (15), "informal proceedings" in item (19), "petition" in item (31), and "testacy proceeding" in item (43), as well as other relevant sections throughout the Probate Code, to clarify that the law requires a summons in formal proceedings and the rules of civil procedure adopted for the circuit court and other rules of procedure in this title apply to and govern formal proceedings in probate court. See S.C. Code §§14-23-280, 62-1-304, and Rules 1 and 81, SCRCP; also see,

Weeks v. Drawdy, 495 S.E. 2d 454 (Ct. App. 1997) (the rules of probate court governing procedure address only a limited number of issues and in the absence of a specific probate court rule, the rules of civil procedure applicable in the court of common pleas shall be applied in the probate court unless to do so would be inconsistent with the provisions of the Code).

Prior to the 2010 amendments, certain confusion existed regarding the requirement of a summons in a formal proceeding and how the South Carolina Rules of Civil Procedure apply to formal proceedings in the probate court. The 2010 amendments in this section and throughout other portions of the Probate Code are intended to minimize such confusion and to expressly clarify that a “formal proceeding” is commenced by a summons and petition and governed by the rules of civil procedure adopted for the circuit court and other rules of procedure in this title, and that an “application” does not require a summons and is not governed by or subject to the rules of civil procedure adopted for the circuit court. The vast majority of proceedings in probate court are “informal proceedings” commenced by application. Unlike a petition, an application does not require a summons. Refer to 2010 amendments to certain definitions in this section. Where applicable and appropriate, the 2010 amendments expand the matters in which an application may be utilized.

#### **South Carolina Comments**

Section 62-1-304. Practice in Court.

The 2010 amendment revised and essentially rewrote Section 62-1-304 in order to clarify that “formal proceedings” are governed by and subject to the rules of civil procedure adopted for the circuit court [SCRCP] and other rules of procedure in this title and that the SCRCP also govern formal proceedings and commencement of same. See 2010 amendments to certain definitions in S.C. Code §62-1-201 and also see §§14-23-280, 62-1-304, and Rules 1 and 81, SCRCP; see also, Weeks v. Drawdy, 495 S.E. 2d 454 (Ct. App. 1997) (the rules of probate court governing procedure address only a limited number of issues and in the absence of a specific probate court rule, the rules of civil procedure applicable in the court of common pleas shall be applied in the probate court unless to do so would be inconsistent with the provisions of the Code).

**South Carolina Comments**

Section 62-1-401. Notice; method and time of giving.

The 2010 amendment added subsection (d) to clarify and avoid confusion that previously existed regarding the notice provisions in this section. The effect of the 2010 amendment was intended to make it clear that the notice provisions in this section are not intended to and do not constitute a summons, which is required for a petition in formal proceedings. See 2010 amendments to certain definitions in S.C. Code §62-1-201 and also see §§14-23-280, 62-1-304, and Rules 1 and 81, SCRPC.

**South Carolina Comments**

Section 62-1-403. Pleadings; when parties bound by others; notice.

The 2010 amendment revised subsections (1) and (3) to clarify procedure for a formal proceeding, which requires a summons and petition to commence a formal proceeding. See 2010 amendments to certain definitions in S.C. Code §62-1-201 and also see §§14-23-280, 62-1-304, and Rules 1 and 81, SCRPC. The 2010 amendment also revised subsection (2)(ii) to delete “parent” and replace it with “person,” so that it is consistent with the remainder of that subsection and also delete “child” and replace it with “issue” to be broader and more inclusive.

**South Carolina Comments**

Section 62-2-205. Proceedings for elective share; time limit.

The 2010 amendment revised subsection (a) by deleting “mailing or delivering” and replacing it with “serving upon” and also adding “summons and” to clarify that a summons and petition are required to commence a formal proceeding, including a formal proceeding for elective share. See 2010 amendments to certain definitions in S.C. Code §62-1-201 and also see §§14-23-280, 62-1-304, and Rules 1 and 81, SCRPC.

**South Carolina Comments**

Section 62-2-402. Source, determination, and documentation.

The 2010 amendment revised subsection (a) by deleting “petition” and replacing it with “make application,” so that the personal representative or any interested person as referred to in this section can make application to the probate court. Unlike a petition, an application does not require a summons or petition. See 2010 amendments to certain definitions in §62-1-201(1).

#### **South Carolina Comments**

Section 62-3-203. Priority among persons seeking appointment as personal representative.

The 2010 amendment revised subsection (d) to eliminate certain language as to “priority resulting from renunciation or waiver,” and adding “or informal” proceedings. The prior version of subsection (d) provided for only a formal proceeding. The 2010 amendment allows one who does not have priority to pursue either a formal proceeding (requiring summons and petition) or an informal proceeding (does not require summons and petition) for appointment. See 2010 amendments to certain definitions in §62-1-201(1).

#### **South Carolina Comments**

Section 62-3-401. Formal testacy proceedings; nature; when commenced.

#### **South Carolina Comments**

Section 62-3-403. Formal testacy proceeding; notice of hearing on petition.

The 2010 amendment revised subsection (a) to add “or at any time after that,” to delete Notice at the beginning of the third sentence and replacing it with “The following persons” and also including the

requirement for a summons and petition. The 2010 amendment also revised subsection (b) to clarify that a summons and petition are required to commence a formal proceeding, including a formal testacy proceeding. See 2010 amendments to certain definitions in S.C. Code §62-1-201 and also see §§14-23-280, 62-1-304, and Rules 1 and 81, SCRPC.

formal proceeding for administration under Part 5. See 2010 amendments to certain definitions in S.C. Code §62-1-201 and also see §§14-23-280, 62-1-304, and Rules 1 and 81, SCRCP.

#### **South Carolina Comments**

Section 62-3-503. Administration under Part 5 [Sections 62-3-501 et seq.]; effect on other proceedings.

The 2010 amendment deleted “he has received” and added “service of the summons and petition upon the personal representative and” to the first sentence to clarify that a summons and petition are required to commence a formal proceeding, including a formal proceeding under Part 5. #### **South Carolina Comments**

Section 62-3-607. Order restraining personal representative.

The 2010 amendment deleted “On petition” at the beginning of this section and replaced it with “Upon application” so that any person who appears to have an interest in the estate can make application to the probate court to restrain a personal representative. Unlike a petition, an application does not require a summons or petition. See 2010 amendments to certain definitions in §62-1-201(1).

**South Carolina Comments**

Section 62-3-611. Termination of appointment by removal; cause; procedure.

The 2010 amendment added “service of the summons and petition upon the personal representative and” in the fourth sentence to clarify that a summons and petition are required to commence a formal proceeding, including a formal proceeding to remove a personal representative. The 2010 amendment revised subsections (3) and (4) to conform to current practice allowing the personal representative to pursue informal proceedings to close the estate by filing an application rather than a petition. Unlike a petition, an application does not require a summons or petition. See 2010 amendments to certain definitions in S.C. Code §62-1-201 (1). The 2010 amendment also revised subsection (4)(c) to delete “on appropriate conditions, determining testacy, determining the persons entitled to distribution of the estate, and, as circumstances require,” and adding “in accordance with Section 62-1-401 in the last sentence to clarify procedure. The 2010 amendment also added a new last sentence regarding waiver by the person to be protected. The latter amendment and new sentence were added to clarify and provide that waiver of notice of hearing by the protected person is not effective unless he attends the hearing or waiver of notice is given by his attorney.

#### **South Carolina Comments**

Section 62-5-430. Termination of proceeding.

The 2010 amendment essentially rewrote this section to divide it into two subsections. Subsection (A) clarifies that a summons and petition are required to commence a formal proceeding, including a formal proceeding to terminate the conservatorship when the disability of the protected person has ceased and procedure for same. See 2010 amendments to certain definitions in S.C. Code §62-1-201 and also see §§14-23-280, 62-1-304, and Rules 1 and 81, SCRPC. Subsection (B) allows the protected person, his personal representative, or the conservator to terminate the conservatorship by way of an application, instead of a petition, when the protected person has attained his majority or if the protected person is deceased. Unlike a petition, an application does not require a summons and petition. See §62-1-201(1).

#### **South Carolina Comments**

Section 62-5-501. When power of attorney not affected by disability.

The 2010 amendment revised subsection (B) to require “petitioning” rather than “applying” to the court as the method for a person or his representative to have a guardian or conservator appointed. A petition requires a summons. See §62-1-201(15) and (31).

#### **South Carolina Comments**

Section 62-5-504. Health care power of attorney; definitions; form.

The 2010 amendment revised this subsection (H) to allow the health care provider, nursing care provider, agent, or other interested person to “apply,” rather than “petition,” the probate court for an order. An

“application” is defined in §62-1-201(1) and does not require a summons or petition.

Section 62-5-604. Persons who may file petition for appointment.

The 2010 amendment revised this section to clarify that a summons and petition are required to commence a formal proceeding, including a proceeding for appointment of a guardian under the Uniform Veteran’s Guardianship Act as contained in Part 6. See 2010 amendments to certain definitions in S.C. Code §§62-1-201 and also see §§14-23-280, 62-1-304, and Rules 1 and 81, SCRCP.

#### **South Carolina Comments**

Section 62-3-703. General duties; relation and liability to persons interested in estate; standing to sue.

The 2010 amendment, in subsection (a), changed the reference from Section 62-7-933 to Section 62-7-804, which was made necessary by the adoption of the South Carolina Trust Code.

#### **South Carolina Comments**

Section 62-7-105. Default and mandatory rules.

The 2010 amendment, in subsection (b), added a new subsection (b)(6) to provide that the limitations imposed by Section 62-7-602(e) on an agent’s ability to alter a settlor’s existing estate plan will prevail over the trust terms. This was added to Section 62-7-105(b) to synthesize it

with 602(e) because while 602(e) authorizes a settlor's agent to revoke, amend or make distributions from a revocable trust, as a matter of policy it specifically prohibits the agent from altering the designation of beneficiaries. The remaining subsections were renumbered accordingly.

#### **South Carolina Comments**

Section 62-7-201. Role of court in administration of trust.

The 2010 amendment, in subsection (a), changed the reference from Section 62-1-302(c) to Section 62-1-302(d), which was made necessary by the adoption of the South Carolina Trust Code.

Section 62-7-303. Representation by fiduciaries and parents.

The 2010 amendment, in subsection (a)(6), deleted the term 'parent' and replaced it with the term 'person' so that it is consistent with the remainder of the section and with Section 62-1-403, and deleted the term 'child' and replaced it with the term 'issue' to be more broad and inclusive, as intended by the section.

#### **South Carolina Comments**

Section 62-7-305. Appointment of representative.

The 2010 amendment changed the term 'ascertained' to the term 'unascertained'.

#### **South Carolina Comments**

Section 62-7-414. Modification or termination of uneconomic trust.

#### **South Carolina Comments**

Section 62-7-505. Creditors' claims against settlor.

The 2010 amendment, in subsection (a), changed the phrasing of the subsection to clarify the exemption language. In subsection (b), ascertainable standard is re-worded to read ‘health, education maintenance or support’ rather than ‘and support’.

Further, the references to “subsection (b)(1)” in the South Carolina Comment should be changed to “subsection (b)” except where it is used in regard to UTC subsection (b)(1). The change affects the first and fourth references to (b)(1) in the second paragraph of the South Carolina Comment.

#### **South Carolina Comments**

Section 62-7-604. Limitation on action contesting validity of revocable trust; distribution of trust property.

The 2010 amendment changed the time period for contesting the validity of a trust instrument from 60 days to 120 days in subsection (a)(2) and (b)(2).

The change of the time period is intended to be prospective, rather than retroactive. Any period of limitation which had commenced to run before the effective date would continue to apply.

#### **South Carolina Comments**

Section 62-7-709. Reimbursement of expenses.

The 2010 amendment added a new subsection (c) to clarify that a prospective trustee may be paid from trust assets for investigation into serving as a trustee.

#### **South Carolina Comments**

Section 62-7-814. Discretionary powers; tax savings.

The 2010 amendment, in subsection (b), corrected a typographical error by changing the reference from subsection (d) to subsection (c).

The 2010 amendment, in subsection (9), changed the phrasing of the definition but made no substantive changes.

Section 62-7-903. Allocation of receipts and disbursements.

The 2010 amendment, in subsection (A), corrected a typographical error by changing the term 'and' to the term 'through'.

**South Carolina Comments**

Section 62-7-904. Adjustments between principal and income.

The 2010 amendment, in subsection (B)(7), corrected a typographical error by deleting the phrase “, or prohibit him from,”.

**South Carolina Comments**

Section 62-7-933. Uniform Prudent Investor Act.

The 2010 amendment, in subsection (C)(3), changed the phrasing of the subsection to clarify that the reasonable care, skill and caution standard is superimposed on the trustee's considerations.

**South Carolina Comments**

Section 62-7-1013. Certification of trust.

The 2010 amendment deleted the reference in former subsection (a)(7) to a taxpayer identification number. Also, the 2010 amendment added a new subsection (j) to require that in transactions involving real property the Certification of Trust must be in recordable form and renumbered the remaining subsections accordingly. Further, the 2010 amendment changed the phrasing of new subsection (k) to require that the Certification of Trust be in a form substantially the same as the model form.”

Be it enacted by the General Assembly of the State of South Carolina:

**Automobile liability and collision coverage rates, definitions, rate reductions for nonyouthful operator completing approved driver training course**

SECTION 1. Section 38-73-736 of the 1976 Code is amended to read:

“Section 38-73-736. (A) As used in this section:

(1) ‘Approved driver training course’ means a driver’s training course that:

(a) is approved by the Department of Motor Vehicles or exempt pursuant to Chapter 23, Title 56;

(b) is administered by a driver’s training school that is licensed or approved by the Department of Motor Vehicles or exempt pursuant to Chapter 23, Title 56;

(d) includes a minimum of six hours of classroom instruction.

(2) 'Approved driver training refresher course' means a driver's training course that:

(a) is approved by the Department of Motor Vehicles or exempt pursuant to Chapter 23, Title 56;

(b) is administered by a driver's training school that is licensed or approved by the Department of Motor Vehicles or exempt pursuant to Chapter 23, Title 56;

(c) is conducted by a person holding a valid driver's instructor permit pursuant to Chapter 23, Title 56;

(d) includes a minimum of four hours of classroom instruction; and

(e) is taken by a person that has previously completed successfully an approved driver training course, an approved driver training refresher course, or an approved driver's education course as defined in Section 38-73-737(A)(1) before the termination of the preceding course's effective period.

(3) 'Satisfactory evidence of course completion' means a certificate signed by an official of the licensed driver's training school or the Department of Motor Vehicles, which certifies that:

(a) the person has successfully completed the course; and

(b) the course is an approved driver training course or approved driver training refresher course and meets the requirements of Chapter 23, Title 56.

(4) 'Youthful operator' means a person under the age of twenty-five for which premium rates charged for liability coverages and collision coverage under a private passenger automobile insurance policy are determined by a youthful driver classification.

(B) Premium rates charged for liability coverages and collision coverage under a private passenger automobile insurance policy are subject to an appropriate driver training course credit once satisfactory evidence of course completion is presented by an applicant for the credit that is the named insured or principal operator of the vehicle and is not a youthful operator. The amount of the credit may be determined by each individual insurer based upon factually or statistically supported data and is subject to prior approval or review by the director. The credit must be afforded for a minimum of thirty-six months from the date the approved driver training course or approved driver training refresher course was completed. The insurer may require, as a condition of providing and maintaining the credit, that the applicant not be involved in an accident for which the applicant is at fault for a three-year period after course completion. The credit must

be afforded by each insurer in a nondiscriminatory manner to all applicants, other than those considered youthful operators.

(C) Only the vehicle driven by an applicant that has completed successfully an approved driver training course or an approved driver training refresher course qualifies for the insurance credit required by this section. (D) The insurer must provide the driver training course credit upon receipt of satisfactory evidence of course completion. Nothing in this section may be construed so as to require the insurer to provide the credit for any period of time before the date of receipt of satisfactory evidence of course completion.

(E) An applicant qualifying for the insurance credit required by this section only may claim the credit for successful completion of one approved driver training course or one approved driver training refresher course during any private passenger automobile insurance policy period.

(F) Only an approved driver training course or an approved driver training refresher course taken on a voluntary basis qualifies for the insurance credit. A driver training course taken as a requirement of a driving offense including, but not limited to, ADSAP or driver training courses taken to reduce the number of traffic violation points against a driver's license, do not qualify for the insurance credit provided in this section.

(G) A schedule of rates, rate classification, or rating plan for private passenger automobile insurance must provide for an appropriate reduction in premium charges for an insured person who is not a youthful operator and who qualifies as provided in this section."

**Automobile liability and collision coverage rates, rate reductions for youthful operator completing approved driver training course**

SECTION 2. Section 38-73-737 of the 1976 Code is amended to read:

(B) Premium rates charged for liability coverages and collision coverage under a private passenger automobile insurance policy are subject to an appropriate driver's education course credit once satisfactory evidence of course completion is presented by an applicant for the credit that is the named insured or principal operator of the vehicle and is a youthful operator. The amount of the credit may be determined by each individual insurer based upon factually or statistically supported data and is subject to prior approval or review by the director. The credit must be afforded from the date the approved driver's education course was completed for as long as the premium rates continue to be determined by a youthful driver classification. The insurer may require, as a condition of providing and maintaining the credit, that the applicant not be involved in an accident for which the applicant is at fault or be convicted of, plead guilty to, or plead nolo contendere to a violation of the motor vehicle laws for any moving violation. (4) Wildlife resources are valuable without regard to political boundaries. Therefore, all persons should be required to comply with wildlife preservation, protection, management, and restoration laws, ordinances, and administrative rules and regulations of all party states

as a condition precedent to the continuance or issuance of any license to hunt, fish, trap, or possess wildlife.

(5) Violation of wildlife laws interferes with the management of wildlife resources and may endanger the safety of persons and property.

(6) The mobility of many wildlife law violators necessitates the maintenance of channels of communication among the various states.

(7) In most instances, a person who is cited for a wildlife violation in a state other than the person's home state:

(a) must post collateral or bond to secure appearance for a trial at a later date;

(b) if unable to post collateral or bond, is taken into custody until the collateral or bond is posted; or

(c) is taken directly to court for an immediate appearance.

(8) The purpose of the enforcement practices described in item (7) of this subsection is to ensure compliance with the terms of a wildlife citation by the person who, if permitted to continue on the person's way after receiving the citation, could return to the person's home state and disregard the person's duty under the terms of the citation.

(9) In most instances, a person receiving a wildlife citation in the person's home state is permitted to accept the citation from the officer at the scene of the violation and to immediately continue on the person's way after agreeing or being instructed to comply with the terms of the citation.

(10) The practice described in item (7) of this subsection causes unnecessary inconvenience and, at times, a hardship for the person who is unable at the time to post collateral, furnish a bond, stand trial, or pay the fine, and thus is compelled to remain in custody until some alternative arrangement can be made.

(11) The enforcement practices described in item (7) of this subsection consume an undue amount of law enforcement time.

(B) It is the policy of the party states to:

(1) Promote compliance with the statutes, laws, ordinances, regulations, and administrative rules relating to management of wildlife resources in their respective states.

(2) Recognize the suspension of wildlife license privileges of any person whose license privileges have been suspended by a party state and treat this suspension as if it had occurred in their state.

(3) Allow violators to accept a wildlife citation, except as provided in subsection (B) of Article III, and proceed on the violator's way without delay whether or not the person is a resident in the state in

which the citation was issued, provided that the violator's home state is party to this compact.

(4) Report to the appropriate party state, as provided in the compact manual, any conviction recorded against a person whose home state was not the issuing state.

(5) Allow the home state to recognize and treat convictions recorded for their residents which occurred in another party state as if they had occurred in the home state.

(6) Extend cooperation to its fullest extent among the party states for obtaining compliance with the terms of a wildlife citation issued in one party state to a resident of another party state.

(7) Maximize effective use of law enforcement personnel and information.

(8) Assist court systems in the efficient disposition of wildlife violations.

(C) The purposes of this compact are to:

(1) Provide a means through which the party states may participate in a reciprocal program to effectuate policies enumerated in subsection (B) of this article in a uniform and orderly manner.

(2) Provide for the fair and impartial treatment of wildlife violators operating within party states in recognition of the person's right of due process and the sovereign status of a party state.

(B) If an elector loses or defaces his registration notification, he may obtain a duplicate notification from his county board of registration upon request in person, or by telephone or mail.”

**Consideration of challenges**

SECTION 3. Section 7-5-230 of the 1976 Code, as last amended by Act 103 of 1999, is further amended to read:

“Section 7-5-230. (A) The boards of registration to be appointed under Section 7-5-10 shall be the judges of the legal qualifications of all applicants for registration. The board is empowered to require proof of these qualifications as it considers necessary.

**System to be implemented**

SECTION 4. Article 7, Chapter 5, Title 7 of the 1976 Code is amended by adding:

“Section 7-5-675. The State Elections Commission shall implement a system in order to issue voter registration cards with a photograph of the elector. This voter registration card may be used for voting purposes only.”

**Photograph identification required, provisional ballots**

SECTION 5. Section 7-13-710 of the 1976 Code, as last amended by Act 459 of 1996, is further amended to read:

“Section 7-13-710.(A) When a person presents himself to vote, he shall produce a valid and current:

- (1) South Carolina driver’s license; or
- (2) other form of identification containing a photograph issued by the Department of Motor Vehicles; or
- (3) passport; or
- (4) military identification containing a photograph issued by the federal government; or
- (5) South Carolina voter registration card containing a photograph of the voter pursuant to Section 7-5-675.

(B) After presentation of the required identification described in subsection (A), the elector’s name must be checked by one of the managers on the margin of the page opposite his name upon the registration books, or copy of the books, furnished by the board of registration. One of the managers also shall compare the photograph contained on the required identification with the person presenting himself to vote. The manager shall verify that the photograph is that of the person seeking to vote. The managers shall keep a poll list which must contain one column headed ‘Names of Voters’. Before a ballot is delivered to a voter, the voter shall sign his name on the poll list, which must be furnished to the appropriate election officials by the State Election Commission. At the top of each page, the voter’s oath appropriate to the election must be printed. The signing of the poll list or the marking of the poll list is considered to be an affirmation of the oath by the voter. One of the managers shall compare the signature on the poll list with the signature on the voter’s driver’s license, registration notification, or other identification and may require further

identification of the voter and proof of his right to vote under this title as he considers necessary. If the voter is unable to write or if the voter is prevented from signing by physical handicap, he may sign his name to the poll list by mark with the assistance of one of the managers.

(C)(1) If the elector cannot produce the identification as required in subsection (A), he may cast a provisional ballot that is counted only if the elector brings a valid and current photograph identification to the county board of registration and elections before certification of the election by the county board of canvassers.

(2) If the manager disputes that the photograph contained on the required identification is the person presenting himself to vote, the elector may cast a provisional ballot. A determination of that provisional ballot must be made in accordance with Section 7-13-830.

(D)(1)(a) If an elector does not produce a valid and current photograph identification due to a religious objection to being photographed, he may complete an affidavit under penalty of perjury at the polling place and affirm that the elector: (i) is the same individual who personally appeared at the polling place; (ii) cast the provisional ballot on election day; and (iii) has a religious objection to being photographed. Upon completion of the affidavit, the elector may cast a provisional ballot. The affidavit must be submitted with the provisional ballot envelope and be filed with the county board of registration and elections before certification of the election by the county board of canvassers.

(b) If an elector does not produce a valid and current photograph identification because the elector suffers from a reasonable impediment that prevents the elector from obtaining photograph identification, he may complete an affidavit under the penalty of perjury at the polling place and affirm that the elector: (i) is the same individual who personally appeared at the polling place; (ii) cast the provisional ballot on election day; and (iii) the elector suffers from a reasonable impediment that prevents him from obtaining photograph identification. The elector also shall list the impediment, unless otherwise prohibited by state or federal law. Upon completion of the affidavit, the elector may cast a provisional ballot. The affidavit must be submitted with the provisional ballot envelope and be filed with the county board of registration and elections before certification of the election by the county board of canvassers.

(2) If the county board of registration and elections determines that the voter was challenged only for the inability to provide proof of identification and the required affidavit is submitted, the county board

of registration and elections shall find that the provisional ballot is valid unless the board has grounds to believe the affidavit is false.

(3) If the county board of registration and elections determines that the voter has been challenged for a cause other than the inability to provide proof of identification as required by subsection (A), the county board of registration and elections shall:

(a) note on the envelope containing the provisional ballot that the voter complied with the proof of identification requirement; and

(b) proceed to determine the validity of the remaining challenges before ruling on the validity of the provisional ballot.

(E) The purpose of the identification required pursuant to subsection (A) is to confirm the person presenting himself to vote is the elector on the poll list. Any address listed on the identification is not determinative of an elector's domicile for the purpose of voting. An elector's domicile for the purpose of voting is determined pursuant to the provisions of Section 7-1-25."

### **Special identification card provisions revised**

SECTION 6. Section 56-1-3350 of the 1976 Code, as last amended by Act 277 of 2010, is further amended to read:

"Section 56-1-3350. (A) Upon application by a person five years of age or older who is a resident of South Carolina, the department shall issue a special identification card as long as:

(1) the application is made on a form approved and furnished by the department; and

(2) the applicant presents to the person issuing the identification card a birth certificate or other evidence acceptable to the department of his name and date of birth.

(B)(1) The fee for the issuance of the special identification card is five dollars for a person between the ages of five and sixteen years.

(2) An identification card must be free to a person aged seventeen years or older.

(C) The identification card expires five years from the date of issuance.

(D) Special identification cards issued to persons under the age of twenty-one must be marked, stamped, or printed to readily indicate that the person to whom the card is issued is under the age of twenty-one.

(E) The fees collected pursuant to this section must be credited to the Department of Transportation State Non-Federal Aid Highway Fund."

**Voter education program**

SECTION 7. The State Elections Commission must establish an aggressive voter education program concerning the provisions contained in this legislation. The State Elections Commission must educate the public as follows:

(1) Post information concerning changes contained in this legislation in a conspicuous location at each county board of registration and elections, each satellite office, the State Elections Commission office, and their respective websites.

(2) Train poll managers and poll workers at their mandatory training sessions to answer questions by electors concerning the changes in this legislation.

(3) Require documentation describing the changes in this legislation to be disseminated by poll managers and poll workers at every election held following preclearance by the United States Department of Justice or approval by a declaratory judgment issued by the United States District Court for the District of Columbia, whichever occurs first.

(4) Coordinate with each county board of registration and elections so that at least two seminars are conducted in each county prior to December 15, 2011.

(5) Coordinate with local and service organizations to provide for additional informational seminars at a local or statewide level.

(6) Place an advertisement describing the changes in this legislation in South Carolina newspapers of general circulation by no later than December 15, 2011.

(7) Coordinate with local media outlets to disseminate information concerning the changes in this legislation.

(8) Notify each registered elector who does not have a South Carolina issued driver's license or identification card a notice of the provisions of this act by no later than December 1, 2011. This notice must include the requirements to vote absentee, early, or on election day and a description of voting by provisional ballot. It also must state the availability of a free South Carolina identification card pursuant to Section 56-1-3350.

In addition to the items above, the State Elections Commission may implement additional educational programs in its discretion.

**Registered voter list**

SECTION 8. The State Election Commission is directed to create a list containing all registered voters of South Carolina who are otherwise qualified to vote but do not have a South Carolina driver's license or other form of identification containing a photograph issued by the Department of Motor Vehicles as of December 1, 2011. The list must be made available to any registered voter upon request. The Department of Motor Vehicles must provide the list of persons with a South Carolina driver's license or other form of identification containing a photograph issued by the Department of Motor Vehicles at no cost to the commission. The commission may charge a reasonable fee for the provision of the list in order to recover associated costs of producing the list.

**Findings**

SECTION 9. The General Assembly finds that all the provisions contained in this act relate to one subject as required by Section 17, Article III of the South Carolina Constitution in that each provision relates directly to or in conjunction with other sections to the subject of election reform as stated in the title. The General Assembly further finds that a common purpose or relationship exists among the sections, representing a potential plurality but not disunity of topics, notwithstanding that reasonable minds might differ in identifying more than one topic contained in this act.

**Time effective**

SECTION 10. Except for SECTION 4, the provisions of this act are effective upon approval by the Governor.

**Approval and funding**

SECTION 11. SECTION 4 takes effect upon preclearance approval by the United States Department of Justice or approval by a declaratory judgment issued by the United States District Court for the District of Columbia, whichever occurs first. However, the implementation of the procedures provided for in this SECTION is contingent upon the State Election Commission's receipt of funds necessary to implement these provisions. Until the provisions of this SECTION are fully funded and executed, implementation of the provisions of this SECTION shall not

prohibit the State Election Commission from issuing voter registration cards by the methods allowed prior to the implementation of this SECTION.

**Distribution facility nexus, criteria for and duration of provisions, use tax notification and payment**

SECTION 3. Article 25, Chapter 36, Title 12 of the 1976 Code is amended by adding:

“Section 12-36-2691. (A) Notwithstanding another provision of this chapter, owning, leasing, or utilizing a distribution facility, including a distribution facility of a third party or an affiliate, within South Carolina is not considered in determining whether the person has a physical presence in South Carolina sufficient to establish nexus with South Carolina for sales and use tax purposes.

(B) For purposes of this section:

(1) 'distribution facility' means an establishment where shipments of tangible personal property are stored and processed for delivery to customers and no retail sales of the property are made. The definition of 'distribution facility' provided in Section 12-6-3360(M)(8) allowing limited retail sales at such a facility specifically do not apply with respect to a 'distribution facility' as defined for purposes of this section;

(2) 'affiliate' means a person that directly or indirectly, through one or more intermediaries, controls, is controlled by, or is under common control with another person;

(3) a person controls another person if that person holds a fifty percent ownership interest in the other person.

(C) This section only applies to either a person who, or a person who has an affiliate who:

(1) places a distribution facility in service after December 31, 2010, and before January 1, 2013;

(2) makes, or causes to be made through a third party, a capital investment of at least one hundred twenty-five million dollars after December 31, 2010, and before December 31, 2013;

(3) creates at least two thousand full-time jobs and with a comprehensive health plan for those employees, after December 31, 2010, and before December 31, 2013. For purposes of this item, 'full-time' and 'new job' have the same meaning as provided in Section 12-6-3360; and

(4) after meeting the requirements of item (3), maintains at least one thousand five hundred full-time jobs and with a comprehensive health plan for those employees until January 1, 2016.

(D) This section no longer applies on the earlier of:

(1) January 1, 2016;

(2) when the person fails to meet the requirements provided in subsection (C) of this section; or

(3) the effective date of a law enacted by the United States Congress that allows a state to require that its sales tax be collected and remitted even if the taxpayer does not have substantial nexus with that state.

(E)(1) A person to whom this section applies who makes a sale through the person's Internet website shall notify a purchaser in a confirmation email that the purchaser may owe South Carolina use tax on the total sales price of the transaction and include in the email an Internet link to the Department of Revenue's website that allows the

purchaser to pay the use tax. The notice must include language that is substantially similar to the following:

‘YOU MAY OWE SOUTH CAROLINA USE TAX ON THIS PURCHASE BASED ON THE TOTAL SALES PRICE OF THE PURCHASE. YOU MAY VISIT WWW.SCTAX.ORG TO PAY THE USE TAX OR YOU MAY REPORT AND PAY THE TAX ON YOUR SOUTH CAROLINA INCOME TAX FORM.’

(2) The Department of Revenue shall cooperate with any person to whom this section applies and provide the person with the information and assistance necessary to comply with the provisions of this subsection and the means to link to the applicable portion of the department’s website. The department shall develop the webpage required by item (1) and develop a means to allow the purchaser to pay any required tax through the webpage. The department shall include on the webpage a table of the various sales tax rates of the State by location that permits the person to calculate the tax based on the total sales price and delivery location.

(3)(a) A person to whom this section applies also shall by February first of each year provide to each purchaser to whom tangible goods were delivered in this State a statement of the total sales made to the purchaser during the preceding calendar year. The statement must contain language substantially similar to the following:

‘YOU MAY OWE SOUTH CAROLINA USE TAX ON PURCHASES YOU MADE FROM US DURING THE PREVIOUS TAX YEAR. THE AMOUNT OF TAX YOU MAY OWE IS BASED ON THE TOTAL SALES PRICE OF [INSERT TOTAL SALES PRICE] THAT MUST BE REPORTED AND PAID WHEN YOU FILE YOUR SOUTH CAROLINA INCOME TAX RETURN UNLESS YOU HAVE ALREADY PAID THE TAX.’

The statement must not contain any other information that would indicate, imply, or identify the class, type, description, or name of the products purchased. Any information that would indicate, imply, or identify the class, type, description, or name of the products purchased is considered strictly confidential.

(b) The statement may be provided by first class mail or email.”

#### **Notification required**

SECTION 4. Article 25, Chapter 36, Title 12 of the 1976 Code is amended by adding:

“Section 12-36-2692. (A) Each person to whom Section 12-36-2691 applies shall provide to its customers readily visible notification on invoices or other similar documentation that use tax is imposed on its sales and must be paid by the purchaser, unless otherwise exempt, on the storage, use, or consumption of the tangible personal property in this State.

(B) A person complies with the notice requirement contained in subsection (A) if he provides a prominent linking notice on invoices or other similar documentation that directs its customers to information regarding the customer’s use tax payment responsibilities. A linking notice complies with the provisions contained in this subsection if the notice reads as follows: ‘See important sales tax information regarding the tax that you may owe directly to your state of residence.’

(C) A person that is required to provide a linking notice pursuant to subsection (B) also must provide this notification on its Internet website and catalog.”

### **One subject**

SECTION 5. The General Assembly finds that the sections presented in this act constitute one subject as required by Section 17, Article III of the South Carolina Constitution, 1895, in particular finding that each change and each topic relates directly to or in conjunction with other sections to the subject of the payment, collection, and administration of the sales and use tax as clearly enumerated in the title.

The General Assembly further finds that a common purpose or relationship exists among the sections, representing a potential plurality but not disunity of topics, notwithstanding that reasonable minds might differ in identifying more than one topic contained in the act.

### **Severability**

SECTION 6. If any section, subsection, paragraph, subparagraph, sentence, clause, phrase, or word of this act is for any reason held to be unconstitutional or invalid, such holding shall not affect the constitutionality or validity of the remaining portions of this act, the General Assembly hereby declaring that it would have passed this act, and each and every section, subsection, paragraph, subparagraph, sentence, clause, phrase, and word thereof, irrespective of the fact that any one or more other sections, subsections, paragraphs, subparagraphs, sentences, clauses, phrases, or words hereof may be declared to be unconstitutional, invalid, or otherwise ineffective.

(R59, S420)

**AN ACT TO AMEND SECTION 1-23-120, AS AMENDED, CODE OF LAWS OF SOUTH CAROLINA, 1976, RELATING TO THE GENERAL ASSEMBLY REVIEW OF REGULATIONS, INCLUDING, AMONG OTHER THINGS, GROUNDS FOR EXEMPTION FROM REVIEW, SO AS TO PROVIDE THAT A REGULATION EXEMPT FROM GENERAL ASSEMBLY REVIEW BECAUSE IT WAS PROMULGATED TO COMPLY WITH FEDERAL LAW HAS THE SAME LEGAL STATUS AS THE FEDERAL LAW, SUCH THAT IF THE FEDERAL LAW IS VACATED OR OTHERWISE RENDERED WITHOUT LEGAL FORCE AND EFFECT THE STATE REGULATION IS SIMILARLY VACATED OR OTHERWISE RENDERED WITHOUT LEGAL FORCE AND EFFECT.**

Whereas, the underlying premise of the State of South Carolina is that all regulations should be subject to review by the General Assembly except under limited circumstances; and

Whereas, certain regulations are promulgated without legislative review to maintain state compliance with certain federal laws and programs; and

Whereas, the underlying federal law for the state regulation may, by action of the federal courts, Congress, or executive agency, be repealed, vacated, or otherwise lose its legal force; and

Whereas, if the underlying federal law is without force and effect, the state regulation should similarly be without force and effect as it would otherwise be a state regulation that had not withstood legislative review and no longer satisfied the exemption; and

Whereas, notwithstanding the vacatur, repeal, or other revocation of legal status of a state regulation, state agencies should encourage and support efforts by persons implementing measures more stringent than applicable law, including, but not limited to, encouraging and supporting efforts toward compliance with the state regulation that has been vacated, repealed, or otherwise has lost its force and effect pursuant to this statutory provision; and

Whereas, upon such vacatur, repeal, or other revocation of legal status, to maintain the continuity of regulatory authority the prior, underlying regulation should be deemed valid and effective, such that a substantive standard, for example, would be rolled back to the prior legal effective standard; and

Whereas, if the regulation vacated, repealed, or otherwise rendered without legal effect implemented a new standard or program, then no prior underlying regulation would exist and no law would govern; and

Whereas, the citizens of the State should be given notice when any such situation arises, and an agency should publish notice in the State Register of the vacatur, repeal, or other action invalidating or suspending the legal validity of the federal law and the commensurate state regulation, and whether such impact results in a rollback to a prior standard or program. Now, therefore,

Be it enacted by the General Assembly of the State of South Carolina:

**State regulations deemed repealed if underlying federal law no longer has force and effect of law**

SECTION 1. Section 1-23-120(H)(1) of the 1976 Code, as last amended by Act 104 of 2007, is further amended to read:

“(1) to maintain compliance with federal law including, but not limited to, grant programs; however, the synopsis of the regulation required to be submitted by subsection (B)(4) must include citations to federal law, if any, mandating the promulgation of or changes in the

regulation justifying this exemption. If the underlying federal law which constituted the basis for the exemption of a regulation from General Assembly review pursuant to this item is vacated, repealed, or otherwise does not have the force and effect of law, the state regulation is deemed repealed and without legal force and effect as of the date the promulgating state agency publishes notice in the State Register that the regulation is deemed repealed. The agency must publish the notice in the State Register no later than sixty days from the effective date the underlying federal law was rendered without legal force and effect. Upon publication of the notice, the prior version of the state regulation, if any, is reinstated and effective as a matter of law. The notice published in the State Register shall identify the specific provisions of the state regulation that are repealed as a result of the invalidity of the underlying federal law and shall provide the text of the prior regulation, if any, which is reinstated. The agency may promulgate additional amendments to the regulation by complying with the applicable requirements of this chapter;”

Be it enacted by the General Assembly of the State of South Carolina:

**Definition of term**

SECTION 1. Section 48-39-10 of the 1976 Code is amended by adding:

“( ) ‘Maintenance dredging’ means excavation to restore the depth of underwater lands or restore channels, basins, canals, or similar waterway accesses to depths and dimensions that support and maintain prior or existing levels of use that previously have been dredged pursuant to a license issued by the department or an exemption as provided in Section 48-39-130(D)(10) as added by Act 41 of 2011.”

**Exemption from permit**

SECTION 2. Section 48-39-130(D) of the 1976 Code is amended by adding:

“(10) Dredging in existing navigational canal community developments by counties or municipalities of manmade, predominately armored, recreational use canals and essential access canals conveyed to the State or dedicated to the public for that purpose between 1965 and the effective date of this act if the maintenance dredging is authorized by a permit from the United States Army Corps of Engineers pursuant to the Federal Clean Water Act, as amended, or the Rivers and Harbors Act of 1899. All other department administered certifications for such dredging are deemed waived.”

Maintenance dredging permitted under this chapter must be completed within ten years after the date of issuance. The time limit may be extended for good cause showing that due diligence toward completion of the work has been made as evidenced by significant work progress. An extension only may be granted if the permitted project meets the policies and regulations in force when the extension is requested or the permittee agrees to accept additional conditions which would bring the project into compliance. The time periods required by this subsection must be tolled during the pendency of an administrative or a judicial appeal of the permit issuance.”

the incremental impact of the maintenance dredging on existing conditions;

(2) require the submission of a dredging program document depicting the estimated dimensions, including the existing and proposed depths and location of the general areas proposed to be dredged; the estimated quantity of material to be dredged; the proposed methods and techniques to accomplish the dredging; and the anticipated dredge material placement information at approved dredge disposal locations;

(3) require that, to the extent practicable and reasonable, such maintenance dredging should be timed to minimize interference with and impacts to aquatic life designated as a threatened or endangered species;

(4) require that such maintenance dredging should not cause significant erosion above the ordinary high water mark;

(5) provide that the department must send notice of the expiration of any maintenance dredging permit to the permittee no later than thirty days prior to such permit's expiration;

(6) provide that the department may issue a five-year extension for any department permit for maintenance dredging as defined in Section 48-39-10 existing as of the effective date of the regulation.

The regulations should not exceed the scope or stringency of any applicable federal regulations to maintenance dredging and should, to the maximum extent possible, avoid duplication of analysis or evaluation of considerations subject to review by the United States Army Corps of Engineers pursuant to a Clean Water Act Section 404 permit for the same maintenance dredging project.

Be it enacted by the General Assembly of the State of South Carolina:

**General Assembly's intent, electric cooperatives, patronage capital**

SECTION 1. The General Assembly determines it is in the best interest of South Carolina, the electric cooperatives, and their members to advocate energy efficiency and renewable energy initiatives in South Carolina.

The General Assembly determines it is prudent to update and clarify procedures for South Carolina's electric cooperatives to contribute, allocate, and retire patronage capital.

The General Assembly determines it is prudent to clarify that South Carolina's electric cooperatives may utilize the defense known as the "business judgment rule".

The General Assembly determines it is in the best interest of South Carolina's electric cooperatives and their members that unclaimed patronage credits are hereafter exempt from the Uniform Unclaimed Property Act.

**Electric cooperatives, patronage capital procedures**

SECTION 2. Section 33-49-460 of the 1976 Code is amended to read:

“Section 33-49-460. (A) Each cooperative’s bylaws shall provide for patronage capital contributions, allocations, and retirements in the manner provided by this section.

(B) Patronage capital shall be determined by a cooperative on an annual basis and shall be the amount by which the cooperative’s electric revenues exceed its costs of doing business.

(C) On an annual basis, patronage capital shall be allocated on the books of the cooperative to each member based upon and in proportion to:

- (1) the revenue from each member or group of similar members;
- (2) the contribution of each member or group of similar members to the cooperative’s overall patronage capital; or
- (3) any combination of items (1) and (2) as determined by the board of trustees.

The allocation of patronage capital to a member’s account does not vest until such time that the board determines that retirement is proper pursuant to subsection (D).

(D) Retirement of patronage capital is the actual payment, as provided by subsection (E), of patronage capital to the cooperative members to whom it has previously been allocated. The board of trustees of a cooperative may, in its discretion, utilize its business judgment to retire patronage capital as allocated on the books of the cooperative when the retirement is consistent with sound business and management practices and the long-term financial stability of the cooperative. If the board of trustees, in its discretion, utilizes its business judgment to retire patronage capital to members either upon their death, termination of electric service, or bankruptcy, then the retirement may be discounted from the board’s approved retirement cycle to present-day value when deemed appropriate by the board of trustees in the exercise of its business judgment.

(E) When the board of trustees of the cooperative has determined, pursuant to subsection (D), that patronage capital shall be retired, the retirement may be accomplished by a bill credit or by the mailing of payment or notice of payment to the person’s last known address of record on file with the cooperative. No interest shall be paid or payable by the cooperative on any patronage capital furnished by its members.

(F) Notwithstanding the provisions of the Uniform Unclaimed Property Act, S.C. Code of Laws Section 27-18-10, et seq., patronage capital that has been retired by a cooperative but remains unclaimed for a period of seven years shall become abandoned patronage capital. The cooperative shall, nonetheless, pay any validated claims by members or former members for unclaimed or abandoned patronage capital. With

respect to abandoned patronage capital, the cooperative must follow the procedures set forth in subsection (G). Each year, the cooperative may impose a reasonable administrative fee for abandoned or unclaimed patronage capital and may offset the fee against such abandoned or unclaimed patronage capital. Abandoned patronage capital shall be designated as equity and, at the board's direction, can be used only by the cooperative for:

- (1) energy efficiency programs and education;
- (2) renewable energy initiatives; or
- (3) educational or charitable purposes.

(G) Notwithstanding the provisions of the Uniform Unclaimed Property Act, S.C. Code of Laws Section 27-18-10, et seq., electric cooperatives must pay any validated claims from members or former members for abandoned patronage capital in accordance with the provisions of this subsection.

(1) Patronage capital, presumed abandoned, which is due to members or former members of electric cooperatives organized pursuant to Section 33-49-10 and whose last known address is in South Carolina, may be retained by the electric cooperative provided that the electric cooperative performs the following due diligence duties to locate the rightful owners:

(a) the cooperative shall publish, for two consecutive years, in a newspaper of general circulation in the county of the cooperative's principal place of business, the names and addresses of each person appearing from the cooperative's records to be the owner of the unclaimed patronage capital of fifty dollars or more, together with instructions on how to claim such property. Such publication will commence within one year after the check representing patronage capital was returned to the cooperative as undeliverable or has gone uncashed;

(b) the cooperative shall publish, no less than annually, in its official publication, either in print or electronically, the names and addresses of each person appearing from the cooperative's records to be the owner of unclaimed patronage capital of fifty dollars or more, together with instructions on how to claim such property. Such publication will commence within one year after the check representing patronage capital was returned to the cooperative as undeliverable or has gone uncashed and will continue for the earlier of two consecutive years or until the patronage capital has been paid to the rightful owner; and

(c) the cooperative shall maintain a searchable website on which will be listed the names and addresses of each person appearing

from the cooperative's records to be the owner of unclaimed and abandoned patronage capital of fifty dollars or more, together with instructions on how to claim the property. The listings will commence within one year after the check representing patronage capital was returned to the cooperative as undeliverable or has gone uncashed and will continue until the patronage capital has been paid to the rightful owner. The Office of State Treasurer shall maintain a link on the state's Unclaimed Property Website to the cooperative's searchable website to increase public awareness and access.

(2) A person aggrieved by a decision of the cooperative or whose claim has not been acted upon within ninety days after its filing may bring an action to establish the claim in the court of common pleas of the county of the cooperative's principal place of business. The action must be brought within ninety days after the decision of the cooperative or within one hundred eighty days after the filing of the claim if the cooperative has failed to act on it.

(3) The patronage capital accounts still unpaid that were included on previously filed annual unclaimed property reports for which no property was delivered will be returned to the respective cooperatives and will be treated in the same manner as provided by this section for patronage capital.

(4) The administrator, as defined in Section 27-18-20(1), shall not be responsible or held liable for any unclaimed patronage capital accounts retained by a cooperative pursuant to this section.

(5) The cooperative shall consider each claim filed by a person claiming an interest in patronage capital within ninety days after it is filed and give written notice to the claimant if the claim is denied in whole or in part. If a claim is allowed, the cooperative shall pay over or deliver to the claimant the patronage capital owed to the claimant at the time the patronage capital became abandoned."

## “CHAPTER 20

South Carolina Intellectual Disability, Related Disabilities, Head  
Injuries, and Spinal Cord Injuries Act

## Article 1

## General Provisions

Section 44-20-10. This chapter may be cited as the ‘South Carolina Intellectual Disability, Related Disabilities, Head Injuries, and Spinal Cord Injuries Act’.

Section 44-20-20. The State of South Carolina recognizes that a person with intellectual disability, a related disability, head injury, or spinal cord injury is a person who experiences the benefits of family, education, employment, and community as do all citizens. It is the purpose of this chapter to assist persons with intellectual disability, related disabilities, head injuries, or spinal cord injuries by providing services to enable them to participate as valued members of their communities to the maximum extent practical and to live with their families or in family settings in the community in the least restrictive environment available.

When persons with intellectual disability, related disabilities, head injuries, or spinal cord injuries cannot live in communities or with their families, the State shall provide quality care and treatment in the least restrictive environment practical.

In order to plan and coordinate state and locally funded services for persons with intellectual disability, related disabilities, head injuries, or spinal cord injuries, a statewide network of local boards of disabilities and special needs is established. Services will be delivered to clients in their homes or communities through these boards and other local providers.

It is recognized that persons with intellectual disability, related disabilities, head injuries, or spinal cord injuries have the right to receive services from public and other agencies that provide services to South Carolina citizens and to have those services coordinated with the services needed because of their disabilities.

South Carolina recognizes the value of preventing intellectual disability, related disabilities, head injuries, and spinal cord injuries through education and research and supports efforts to this end.

The State recognizes the importance of the role of parents and families in shaping services for persons with intellectual disability, related disabilities, head injuries, or spinal cord injuries as well as the importance of providing services to families to enable them to care for a family member with these disabilities.

Admission to services of the South Carolina Department of Disabilities and Special Needs does not terminate or reduce the rights and responsibilities of parents. Parental involvement and participation in mutual planning with the department to meet the needs of the client facilitates decisions and treatment plans that serve the best interest and welfare of the client.

Section 44-20-30. As used in this chapter:

(1) 'Applicant' means a person who is believed to have intellectual disability, one or more related disabilities, one or more head injuries, one or more spinal cord injuries, or an infant at high risk of a developmental disability who has applied for services of the South Carolina Department of Disabilities and Special Needs.

(2) 'Client' is a person who is determined by the Department of Disabilities and Special Needs to have intellectual disability, a related disability, head injury, or spinal cord injury and is receiving services or is an infant at risk of having a developmental disability and is receiving services.

### Article 3

#### Organization and System for Delivery of Services

Section 44-20-210. (A) There is created the South Carolina Commission on Disabilities and Special Needs. The commission consists of seven members. One member must be a resident of each congressional district and one must be from the State at large to be appointed by the Governor upon the advice and consent of the Senate. They shall serve for four years and until their successors are appointed and qualify. Members of the commission are subject to removal by the Governor pursuant to the provisions of Section 1-3-240. A vacancy may be filled by the Governor for the unexpired portion of the term.

(B) On July 1, 1993, the Commission on Mental Retardation becomes the Commission on Disabilities and Special Needs. The commissioners continue to serve until their terms expire and their successors are appointed and qualify.

Section 44-20-220. The commission shall determine the policy and promulgate regulations governing the operation of the department and the employment of professional staff and personnel. The members of the commission shall receive subsistence, mileage, and per diem as may be provided by law for members of state boards, committees, and commissions. The commission shall appoint and in its discretion remove a South Carolina Director of Disabilities and Special Needs who is the chief executive officer of the department. The commission may appoint advisory committees it considers necessary to assist in the effective conduct of its responsibilities. The commission may educate

the public and state and local officials as to the need for the funding, development, and coordination of services for persons with intellectual disability, related disabilities, head injuries, and spinal cord injuries and promote the best interest of persons with intellectual disability, related disabilities, head injuries, and spinal cord injuries. The commission is authorized to promulgate regulations to carry out the provisions of this chapter and other laws related to intellectual disability, related disabilities, head injuries, or spinal cord injuries. In promulgating these regulations, the commission must consult with the advisory committee of the division for which the regulations shall apply.

Section 44-20-225. The Governor shall appoint a seven-member consumer advisory board with the advice and consent of the Senate for each of the following divisions: the Intellectual Disability Division, the Autism Division, and the Head and Spinal Cord Injury Division. One member must be a resident of each congressional district, and one must be from the State at large.

The membership of each advisory board must consist of persons with knowledge and expertise in the subject area of that division. In making such appointments, race, gender, and other demographic factors should be considered to ensure nondiscrimination, inclusion and representation to the greatest extent possible of all segments of the population of the State; however, consideration of these factors in making an appointment in no way creates a cause of action or basis for an employee grievance for a person appointed or for a person who fails to be appointed.

The members of the commission shall receive subsistence, mileage, and per diem as may be provided by law for members of state boards, committees, and commissions.

Terms of the members shall be for four years and until their successors are appointed and qualify, except that of the original appointees, two shall be appointed for a period of two years, two shall be appointed for a period of three years, and three shall be appointed for a period of four years.

Section 44-20-230. Subject to the supervision, direction, and control of the commission, the director shall administer the policies and regulations established by the commission. The director may appoint and in his discretion remove all other officers and employees of the department subject to the approval of the commission.

Section 44-20-240. There is created the South Carolina Department of Disabilities and Special Needs which has authority over all of the state's services and programs for the treatment and training of persons with intellectual disability, related disabilities, head injuries, and spinal cord injuries. This authority does not include services delivered by other agencies of the State as prescribed by statute. The department must be comprised of an Intellectual Disability Division, an Autism Division, and a Head and Spinal Cord Injuries Division. The department may be divided into additional divisions as may be determined by the director and approved and named by the commission. Responsibility for all autistic services is transferred from the Department of Mental Health to the Department of Disabilities and Special Needs.

Section 44-20-250. The department shall coordinate services and programs with other state and local agencies for persons with intellectual disability, related disabilities, head injuries, and spinal cord injuries. The department may negotiate and contract with local agencies, county boards of disabilities and special needs, private organizations, and foundations in order to implement the planning and development of a full range of services and programs for persons with intellectual disability, related disabilities, head injuries, and spinal cord injuries subject to law and the availability of fiscal resources. The department has the same right to be reimbursed for expenses in providing disabilities and special needs services through a contractual arrangement as it has to be reimbursed for expenses provided through direct departmental services. The department shall develop service standards for programs of the department and for programs for which the department may contract and shall review and evaluate these programs on a periodic basis.

Section 44-20-255. (A) Upon execution of the deed as provided in subsection (B) of this section, ownership of the tract of real property in Richland County described in Section 1 of Act 1645 of 1972 is confirmed in the South Carolina Department of Disabilities and Special Needs as the successor agency to the South Carolina Department of Mental Retardation.

(B) The State Budget and Control Board shall cause to be executed and recorded an appropriate deed conveying the tract to the South Carolina Department of Disabilities and Special Needs.

(C) Proceeds of a subsequent sale of the tract that is the subject of this section may be retained by the South Carolina Department of Disabilities and Special Needs.

Section 44-20-260. The department, with funds available for these purposes, may conduct research to determine the causes, proper treatment, and diagnosis of intellectual disability, related disabilities, head injuries, and spinal cord injuries and may use facilities and personnel under its control and management for carrying out the research so long as the rights of the client are preserved and prior consent is obtained pursuant to Section 44-26-180.

Section 44-20-270. The department is designated as the state's intellectual disability, related disabilities, head injuries, and spinal cord injuries authority for the purpose of administering federal funds allocated to South Carolina for intellectual disability programs, related disability programs, head injury programs, and spinal cord injury programs. This authority does not include the functions and responsibilities granted to the South Carolina Department of Health and Environmental Control or to the South Carolina Department of Vocational Rehabilitation or the administration of the 'State Hospital Construction and Franchising Act'.

Section 44-20-280. The department may negotiate and contract with an agency of the United States or a state or private agency to obtain grants to assist in the expansion and improvement of services to persons with intellectual disability, related disabilities, head injuries, or spinal cord injuries and may expend the grants under the terms and conditions of the award.

Section 44-20-290. The director or his designee may employ at regional centers security guards who are vested and charged with the powers and the duties of peace officers. They may arrest felons and misdemeanants, eject trespassers, and, without warrant, arrest persons for disorderly conduct who are trespassers on the grounds of the regional center and have them tried in a court of competent jurisdiction. Officers so employed must be bonded and under the direct supervision of the South Carolina Law Enforcement Division and shall report directly to the director or his designee.

Section 44-20-300. The department may acquire motor vehicle liability insurance for employees operating department vehicles or

private vehicles in connection with their official departmental duties to protect against liability.

Section 44-20-310. The department may sell timber from its forest lands with the proceeds from the sales to be deposited in the general fund of the State. Before a sale, the State Budget and Control Board shall consult with the State Forester to determine the economic feasibility of the sale, and a sale must not be made without the approval of the board.

Section 44-20-320. The department or any of its programs may accept gifts, bequests, devises, grants, and donations of money, real property, and personal property for use in expanding and improving services to persons with intellectual disability, related disabilities, head injuries, and spinal cord injuries available to the people of this State. However, nothing may be accepted by the department with the understanding that it diminishes an obligation for paying care and maintenance charges or other monies due the department for services rendered. The commission may formulate policies and promulgate regulations governing the disposition of gifts, bequests, devises, grants, and donations. If they are given to a specific service program of the department they must remain and be used for that program only or to its successor program.

Section 44-20-330. The department may grant easements, permits, or rights-of-way on terms and conditions it considers to be in the best interest of the State, across, over, or under land held by the department for the construction of water, sewer, drainage, natural gas, telephone, telegraph, and electric power lines.

Section 44-20-340. (A) A person, hospital, or other organization may provide information, interviews, reports, statements, written memoranda, documents, or other data related to the condition and treatment of a client or applicant to the department, and no liability for damages or other relief arises against the person, hospital, or organization for providing the information or material.

(B) All records pertaining to the identity of a person whose condition or treatment has been studied by the department are confidential and privileged information. However, upon the written request of the client, the client's or applicant's parent with legal custody, legal guardian, or spouse with the written permission of the

client or applicant or under subpoena by a court of law, the department may furnish pertinent records in its possession to appropriate parties.

Section 44-20-350. (A) Reasonable reimbursement to the State for its fiscal outlay on behalf of services rendered by the department or any other agency authorized by the department to offer services to clients is a just obligation of the person with intellectual disability, a related disability, head injury, or spinal cord injury, his estate, or his parent or guardian under the conditions and terms provided in this section.

(B) The department or an agency authorized by the department to offer services to clients may charge for its services. However, no service may be denied a client or his parent or guardian because of inability to pay part or all of the department's or other agency's expenses in providing that service. Where federal reimbursement is authorized for services provided, the department initially shall seek federal reimbursement. No charge or combination of charges may exceed the actual cost of services rendered. The commission shall approve the procedures established to determine ability to pay and may authorize its designees to reduce or waive charges based upon its findings.

(C) Parents, guardians, or other responsible relatives must not be charged for regional center or community residential services provided by the department for their child or ward. However, a person receiving nonresidential services or his parent or guardian may be assessed a charge for services received, not to exceed cost. The department with the approval of the commission may determine for which services it charges.

(D) The department shall establish a hearing and review procedure so that a client or his parent or guardian may appeal charges made for services or may present to officials of the department information or evidence to be considered in establishing charges. The department may utilize legal procedures to collect lawful claims.

(E) The department may establish by regulation charges for other services it renders.

Section 44-20-355. The department shall assess and collect a fee on all Intermediate Care Facilities for the persons with intellectual disability, as defined in Section 44-7-130(19). Providers holding licenses on these facilities shall pay to the department a fee equal to eight dollars and fifty cents a patient day in these facilities. The

department shall pay all proceeds from the fee into the general fund of the State.

Section 44-20-360. (A) The physical boundaries of Midlands Center, Coastal Center, Pee Dee Center, and Whitten Center are designated as independent school districts. These facilities may elect to participate in the usual activities of the districts, to receive state and federal aid, and to utilize other benefits enjoyed by independent school districts in general.

(B) The commission operates as the board of trustees for these districts for administrative purposes, including the receipt and expenditure of funds granted to these districts for any purpose.

Section 44-20-365. No regional center of the department may be closed except as authorized by the General Assembly by law in an enactment that specifies by name the regional center to be closed.

Section 44-20-370. (A) The department shall:

(1) notify applicants when they have qualified under the provisions of this chapter;

(2) establish standards of operation and service for county disabilities and special needs programs funded in part or in whole by state appropriations to the department or through other fiscal resources under its control;

(3) review service plans submitted by county boards of disabilities and special needs and determine priorities for funding plans or portions of the plans subject to available funds;

(4) review county programs covered in this chapter;

(5) offer consultation and direction to county boards;

(6) take other action not inconsistent with the law to promote a high quality of services to persons with intellectual disability, related disabilities, head injuries, or spinal cord injuries and their families.

(B) The department shall seek to develop and utilize the most current and promising methods for the training of persons with intellectual disability, related disabilities, head injuries, and spinal cord injuries. It shall utilize the assistance, services, and findings of other state and federal agencies. The department shall disseminate these methods to county boards and programs providing related services.

Section 44-20-375. (A) Before July 1, 1992, county boards of disabilities and special needs must be created within a county or within a combination of counties by ordinance of the governing bodies of the

counties concerned. The ordinance must establish the number, terms, appointment, and removal of board members and provide for their powers and duties in compliance with state law and the process for appointing board members which existed on January 1, 1991, must be preserved in the ordinance. However, where the county legislative delegation or county council recommends board members to the appointing authority, the delegation may transfer its authority to recommend to the council or the council may transfer its authority to the delegation. If there is a transfer, preservation of the authority to recommend existing on January 1, 1991, is not required, and the new recommending authority must be contained in the ordinance.

(B) County boards of disabilities and special needs established before January 1, 1991, shall continue to exist, operate, and function as they existed on January 1, 1991, until created by ordinance pursuant to subsection (A).

(C) After June 30, 1992, the department shall recognize only county boards of disabilities and special needs that plan, administer, or provide services to persons with intellectual disability, related disabilities, head injuries, and spinal cord injuries within a county or combination of counties which are created or established pursuant to this section, including those whose members are appointed by the Governor. A county board of disabilities and special needs created by ordinance before January 1, 1991, is considered created pursuant to this section, provided the ordinance includes and complies with the provisions of subsection (A).

(D) A county board of disabilities and special needs is a public entity.

(E) In Dorchester County, appointments made pursuant to this section are governed by the provisions of Act 512 of 1996.

(F) In Georgetown County, appointments made pursuant to this section are governed by the provisions of Act 515 of 1996.

Section 44-20-378. A county board of disabilities and special needs established pursuant to Section 44-20-375 must consist of not less than five members. If the board is created within a combination of counties, the number of members representing each county must be proportional to the county's population in relation to the total population of the counties served by the board. However, a county participating in a multicounty board must not have less than two members. The term of the members is four years and until their successors are appointed and qualify. Vacancies for unexpired terms must be filled in the same manner as the original appointments. A

member may be removed by the appointing authority for neglect of duty, misconduct, or malfeasance in office after being given a written statement of reasons and an opportunity to be heard.

Section 44-20-380. (A) County disabilities and special needs boards are encouraged to utilize lawful sources of funding to further the development of appropriate community services to meet the needs of persons with intellectual disability, related disabilities, head injuries, or spinal cord injuries and their families.

(B) County boards may apply to the department for funds for community services development under the terms and conditions as may be prescribed by the department. The department shall review the applications and, subject to state appropriations to the department or to other funds under the department's control, may fund the programs it considers in the best interest of service delivery to the citizens of the State with intellectual disability, related disabilities, head injuries, or spinal cord injuries.

(C) Subject to the approval of the department, county boards may seek state or federal funds administered by state agencies other than the department, funds from local governments or from private sources, or funds available from agencies of the federal government. The county boards may not apply directly to the General Assembly for funding or receive funds directly from the General Assembly.

Section 44-20-385. Subject to the provisions of this chapter and the regulations of the department each county disabilities and special needs board:

(1) is the administrative, planning, coordinating, and service delivery body for county disabilities and special needs services funded in whole or in part by state appropriations to the department or funded from other sources under the department's control. It is a body corporate in deed and in law with all the powers incident to corporation including the power to incur debt insofar as that debt is payable from contract, grant, or other revenues and is not the debt of the State or its other political subdivisions. A county board may purchase and hold real and mortgage property and erect and maintain buildings. The department shall approve all debt of a county board to be paid in whole or in part from contract, grant, or other revenues provided by the State. However, the department has no responsibility for the debt so approved;

(2) shall submit an annual plan and projected budget to the department for approval and consideration of funding;

(3) shall review and evaluate on at least an annual basis the county disabilities and special needs services provided pursuant to this chapter and report its findings and recommendations to the department;

(4) shall promote and accept local financial support for the county program from private and other lawful sources and promote public support from municipal and county sources;

(5) shall employ personnel and expend its budget for the direct delivery of services or contract with those service vendors necessary to carry out the county intellectual disability, related disabilities, head injuries, and spinal cord injuries services program who meet specifications prescribed by the department;

(6) shall plan, arrange, implement, and monitor working agreements with other human service agencies, public and private, and with other educational and judicial agencies;

(7) shall provide the department records, reports, and access to its sponsored services and facilities the department may require and submit its sponsored services and facilities to licensing requirements of the department or to the licensing requirements of other state or local agencies having this legal authority;

(8) shall represent the best interest of persons with intellectual disability, related disabilities, head injuries, or spinal cord injuries to the public, public officials, and other public or private organizations.

Section 44-20-390. (A) In order to provide assistance to families and individuals the department shall provide an initial intake and assessment service to a person believed to be in need of services and who makes application for them. An assessment must be provided through diagnostic centers approved by the department. If upon completion of the assessment, the applicant is determined to have intellectual disability, a related disability, head injury, or spinal cord injury and be in need of services, he may become a client of the department and eligible for services. A service plan must be designated for each person assessed. A person determined to have intellectual disability, a related disability, head injury, or spinal cord injury and who chooses to become a client of the department, must be provided with the delivery or coordination of services by the department. A person determined not to have intellectual disability, a related disability, head injury, or spinal cord injury may be provided by the department with referral and assistance in obtaining appropriate services or further evaluation.

(B) Service plans must recommend the services to assist the individual in developing to the fullest potential in the least restrictive

environment available. The department shall determine the 'least restrictive environment' and may contract with individuals or organizations for a reasonable sum as determined by the department to provide the services. The department shall review service plans of its clients at least periodically according to standards prescribing the frequency to ensure that appropriate services are being provided in the least restrictive environment available. The parents, the legal guardian, the client, and other appropriate parties must be included in the review. The department shall develop standards prescribing the service plan review.

(C) No individual believed to have intellectual disability, a related disability, head injury, or spinal cord injury may be admitted to the services of the department until he has been examined at a diagnostic center of the department or a diagnostic center approved by the department and certified by the department on the basis of acceptable data to have intellectual disability, a related disability, head injury, or spinal cord injury or unless he is an infant at risk of a developmental disability and in need of the department's services.

(D) The applicant shall meet residency requirements in at least one of the following categories:

(1) The applicant or his spouse, parent, with or without legal custody, or legal guardian is domiciled in South Carolina.

(2) The applicant or his spouse, parent, with or without legal custody, or legal guardian lives outside South Carolina but retains legal residency in this State and demonstrates to the department's satisfaction his intent to return to South Carolina.

(3) The applicant or his spouse or parent, with or without legal custody, or legal guardian is a legal resident of a state which is an active member of the Interstate Compact on Mental Health and qualifies for services under it.

Section 44-20-400. Upon the written request of the person, the person's parents, parent with legal custody, or lawful custodian or legal guardian and subject to the availability of suitable accommodations and services, a person with intellectual disability, a related disability, head injury, or spinal cord injury may be admitted to the services of the department for evaluation and diagnosis and shall remain in the residential services of the department for that period required to complete the diagnostic study. However, this period may not exceed thirty days except upon approval of the director or his designee. Individuals admitted under the provisions of this section are subject to the same regulations and departmental policies as regular admissions.

The department may prescribe the form of the written application for diagnostic services.

Section 44-20-410. A person who is determined to be eligible for services is subject to the following considerations regarding his order of admission to services and programs:

- (1) relative need of the person for special training, supervision, treatment, or care;
- (2) availability of services suitable to the needs of the applicant.

Section 44-20-420. The director or his designee may designate the service or program in which a client is placed. The appropriate services and programs must be determined by the evaluation and assessment of the needs, interests, and goals of the client.

Section 44-20-430. The director or his designee has the final authority over applicant eligibility, determination, or services and admission order, subject to policies adopted by the commission.

Section 44-20-440. Subject to the availability of suitable services and programs and subject to the provisions of 'Requirement for Admission to Services', 'Order in which Person May be Admitted', and 'Final Authority over Eligibility', the director or his designee may admit a client to the services of the department upon the written request of the parents of the person with intellectual disability, a related disability, head injury, or spinal cord injury, a parent with legal custody, spouse, lawful custodian or legal guardian, or the person with intellectual disability, a related disability, head injury, or spinal cord injury seeking to be admitted to the department's services if the person is twenty-one years of age or over and competent to make the decision. The department shall prescribe the form of the application for services.

Section 44-20-450. (A) Proceedings for the involuntary admission of a person with intellectual disability or a related disability to the services of the department may be initiated by the filing of a verified petition with the probate or the family court by:

- (1) the spouse;
- (2) a relative;
- (3) the parents;
- (4) a parent with legal custody;
- (5) the legal guardian of the person;

(6) the person in charge of a public or private institution in which the individual is residing at the time;

(7) the director of the county department of social services of the county in which the person resides; or

(8) a solicitor or an assistant solicitor responsible for the criminal prosecution pursuant to Section 44-23-430(2).

Upon filing of the petition, the judge shall set a date for a hearing on it and ensure that the client has an attorney who represents him. The parents, parent with legal custody, spouse, guardian, or nearest known relative of the person alleged to have intellectual disability or a related disability and in whose behalf the petition has been made and in the discretion of the court, the individual alleged to have intellectual disability or a related disability and the department must be served by the court with a written notice of the time and place of the hearing, together with a written statement of the matters stated in the petition. If no parent, spouse, legal guardian, or known relative of the person alleged to have intellectual disability or a related disability is found, the court shall appoint a guardian ad litem to represent the person alleged to have intellectual disability or a related disability, and the notice must be served upon the guardian. If the parent, spouse, guardian, or known relative of the person alleged to have intellectual disability or a related disability is found, he must be notified of the right to an attorney at the hearing.

(B) The hearing on the petition may be in the courthouse or at the place of residence of the person alleged to have intellectual disability or a related disability or at another place considered appropriate by the court. The person alleged to have intellectual disability or a related disability does not need to be present if the court determines that the hearing would be injurious or detrimental to the person alleged to have intellectual disability or a related disability or if the person's mental or physical condition prevents his participation in the hearing. However, his attorney must be present.

(C) A report of the person in charge of the examination of the person alleged to have intellectual disability or a related disability at the diagnostic center referred to in 'Requirement for Admission' must be submitted to the court at the hearing. The court may not render judgment in the hearing unless this report is available and introduced.

(D) If the court determines that the evidence presented by the examiners at the diagnostic center, along with other evidence presented to the court, is to the effect that the person does not in fact have intellectual disability or a related disability to an extent which would

require commitment, it shall terminate the proceeding and dismiss the petition.

(E) If the person is found by the court to have intellectual disability or a related disability and be in need of placement in a facility or service program of the department, the court shall order that he be admitted to the jurisdiction of the department as soon as necessary services are available and include in the order a summary of the evidence presented and order of the court.

(F) The department shall inform the court as soon after the date of the order as practical that suitable accommodations and services are available to meet the needs of the person with intellectual disability or a related disability. Upon notification, the court shall direct the petitioner in these proceedings to transport the person with intellectual disability or a related disability to a program the department designates.

(G) A party to these proceedings may appeal from the order of the court to the court of common pleas, and a trial de novo with a jury must be held in the same manner as in civil actions unless the petitioner through his attorney waives his right to a jury trial. Pending a final determination of the appeal, the person with intellectual disability or a related disability must be placed in protective custody in either a facility of the department or in some other suitable place designated by the court. No person with intellectual disability or a related disability must be confined in jail unless there is a criminal charge pending against him.

Section 44-20-460. (A) A person admitted or committed to the services of the department remains a client and is eligible for services until discharged. When the department determines that a client admitted to services is no longer in need of them, the director or his designee may discharge him. When the only basis of the department's provision of services to a client is that he is a person with intellectual disability or a related disability and it is determined that he is no longer in that condition, the director or his designee shall discharge him as soon as practical. A client of the department who is receiving residential services may be released to his spouse, parent, guardian, or relative or another suitable person for a time and under conditions the director or his designee may prescribe.

(B) When a client voluntarily admitted requests discharge or the person upon whose application the client was admitted to the department's services requests discharge in writing, the client may be detained by the department for no more than ninety-six hours. However, if the condition of the person is considered by the director or

his designee to be such that he cannot be discharged with safety to himself or with safety to the general public, the director or his designee may postpone the requested discharge for not more than fifteen days and cause to be filed an application for judicial admission. For the purpose of this section, the Probate Court or Family Court of the county in which the facility where the person with intellectual disability or a related disability resides is located is the venue for judicial admission. Pending a final determination on the application, the court shall order the person with intellectual disability or a related disability placed in protective custody in either a facility of the department or in some other suitable place designated by the court.

Section 44-20-470. (A) The department may return a nonresident person with intellectual disability or a related disability admitted to a service or program in this State to the proper agency of the state of his residence.

(B) The department is authorized to enter into reciprocal agreements with the proper agencies of other states to facilitate the return to the state of their residence persons admitted or committed to services for persons with intellectual disability or a related disability in this State or other states.

(C) The department may detain a person with intellectual disability or a related disability returned to this State from the state of his commitment for not more than ninety-six hours pending order of the court in commitment proceedings in this State.

(D) The expense of returning persons with intellectual disability or a related disability to other states must be paid by this State, and the expense of returning residents of this State with intellectual disability or a related disability must be paid by the state making the return when interstate agreements to that effect have been negotiated.

Section 44-20-480. When the department determines that the welfare of a client would be facilitated by his placement out of the home, the client must be evaluated by the department, and the least restrictive level of care possible for the client must be recommended and provided when available. The department shall determine which levels of care are more restrictive and is responsible for providing a range of placements offering various levels of supervision. The department may pay an individual or organization furnishing residential alternatives to clients under this section a reasonable sum for services rendered, as determined by the department.

Section 44-20-490. (A) When the department determines that a client may benefit from being placed in an employment situation, the department shall regulate the terms and conditions of employment, shall supervise persons with intellectual disability, a related disability, head injury, or spinal cord injury so employed, and may assist the client in the management of monies earned through employment to the end that the best interests of the client are served.

(B) The department may operate sheltered employment and training programs at its various facilities and in communities and may pay clients employed in these settings from earnings of the program or from other funds available for this purpose.

(C) Clients who receive job training and employment services from the department must be compensated in accordance with applicable state and federal laws and regulations.

Section 44-20-500. When a client is absent from a facility or program and there is probable cause the client may be in danger, the director or his designee may issue an order of confinement for the client. This order, when endorsed by the judge of the probate, family, or Circuit Court of the county in which the client is present or residing, authorizes a peace officer to take the client into custody for not more than twenty-four hours and to return him or cause him to be returned to the place designated by the director or his designee.

Section 44-20-510. Placement of a person with intellectual disability, a related disability, head injury, or spinal cord injury in a program of the department does not preclude his attendance in community-based public school classes when the individual qualifies for the classes.

### Licensure and Regulation of Facilities and Programs

Section 44-20-710. No day program in part or in full for the care, training, or treatment of a person with intellectual disability, a related disability, head injury, or spinal cord injury may deliver services unless a license first is obtained from the department. For the purpose of this article 'in part' means a program operating for ten hours a week or more. Educational and training services offered under the sponsorship and direction of school districts and other state agencies are not required to be licensed under this article.

Section 44-20-720. The department shall establish minimum standards of operation and license programs provided for in 'Facilities and Programs must be Licensed'.

Section 44-20-730. In determining whether a license may be issued, the department shall consider if the program for which the license is applied conforms with the local and state service plans and if the proposed location conforms to use.

Section 44-20-740. No day program may accept a person with intellectual disability, a related disability, head injury, or spinal cord injury for services other than those for which it is licensed. No program may serve more than the number of clients as provided on the license. An applicant for a license shall file an application with the department in a form and under conditions the department may prescribe. The license must be issued for up to three years unless sooner suspended, revoked, or surrendered. The license is not transferable and must not be assigned.

Section 44-20-750. The department shall make day program inspections as it may prescribe by regulation. The day programs subject to this article may be visited and inspected by the director or his designees no less than annually and before the issuance of a license. Upon request, each program shall file with the department a copy of its bylaws, regulations, and rates of charges. The records of each licensed program are open to the inspection of the director or his designees.

Section 44-20-760. Information received by the department through licensing inspections or as otherwise authorized may be disclosed publicly upon written request to the department. The reports may not identify individuals receiving services from the department.

Section 44-20-770. The department shall deny, suspend, or revoke a license on any of the following grounds:

- (1) failure to establish or maintain proper standards of care and service as prescribed by the department;
- (2) conduct or practices detrimental to the health or safety of residents or employees of the day program. This item does not apply to healing practices authorized by law;
- (3) violation of the provisions of this article or regulations promulgated under it.

Section 44-20-780. (A) The department shall give written notification to the governing board or if none, the operator of a program of deficiencies, and the applicant or licensee must be given a specified time in which to correct the deficiencies. If the department determines to deny, suspend, or revoke a license, it shall send to the applicant or licensee by certified mail a notice setting forth the reason for the determination. The denial, suspension, or revocation becomes final fifteen calendar days after the mailing of the notice, unless the applicant or licensee within that time gives written notice of his desire for a hearing. If the applicant or licensee gives that notice, he must be given a hearing before the department and may present evidence. On the basis of the evidence, the determination must be affirmed or set aside by the director, and a copy of the decision, setting forth the findings of fact and the reasons upon which it is based must be sent by registered mail to the applicant.

(B) If an existing program has conditions or practices which, in the department's judgment, provide an immediate threat to the safety and welfare of the person with intellectual disability, a related disability, head injury, or spinal cord injury served, the department may immediately suspend or revoke the license of the program. Notification of the program board or operator by certified mail of the license suspension or revocation also must include the reasons or conditions. A person operating a program which has had its license suspended or revoked must be punished as provided in 'Injunctions; Penalties'.

Section 44-20-790. The procedures governing hearings authorized by 'Notice of Deficiencies . . .' must be in accordance with regulations promulgated by the department. The director may appoint a review team, including consumers, to assist in the collection of information pertinent to the hearing.

Section 44-20-800. An applicant or licensee who is dissatisfied with the decision of the department as a result of the hearing provided for by 'Procedures Governing Disciplinary Hearings . . .' may appeal to a South Carolina administrative law judge as provided in Article 5, Chapter 23, Title 1.

Section 44-20-900. (A) The department, in accordance with the laws of the State governing injunctions and other processes, may maintain an action in the name of the State against a person for

establishing, conducting, managing, or operating a day program for the care, training, and treatment of a person with intellectual disability, a related disability, head injury, or spinal cord injury without obtaining a license as provided in this article. In charging a defendant in a complaint in the action, it is sufficient to charge that the defendant, upon a certain day and in a certain county, provided day program services without a license, without averring more particular facts concerning the charge.

(B) A person violating the provisions of this article is guilty of a misdemeanor and, upon conviction, must be fined not more than one thousand dollars for a first offense and two thousand dollars for a subsequent offense. Each day the day program operates after a first conviction is considered a subsequent offense.

Section 44-20-1000. Licensing by the department must be done in conjunction with and not in place of licensing by an agency having responsibilities outside the department's jurisdiction. However, nothing in this section prevents the department from entering into cooperative agreements or contracts with an agency which has or may have licensing responsibilities in order to accomplish the licensing of programs.

##### Capital Improvements for Disabilities and Special Needs

Section 44-20-1110. The department has authority for all of the state's disabilities and special needs services and programs.

Section 44-20-1120. The commission may raise monies for the construction of improvements under the terms and conditions of this article.

Section 44-20-1130. The aggregate of the outstanding principal amounts of state capital improvement bonds issued for the commission may not exceed twenty million dollars.

Section 44-20-1140. If the commission determines that improvements are required for a residential regional center or community facility, it may make application for them to the State Budget and Control Board. The application must contain:

- (1) a description of the improvements sought and their estimated cost;
- (2) the number of paying clients receiving services from the department, the amount of fees received from the clients during the preceding fiscal year, and the estimated amount to be received from them during the next succeeding fiscal year;
- (3) the revenues derived from the paying clients during the preceding three fiscal years;
- (4) a suggested maturity schedule, which may not exceed twenty years, for the repayment of monies to be made available to the commission for state capital improvement bonds;
- (5) a statement showing the debt service requirements of other outstanding obligations.

Section 44-20-1150. The State Budget and Control Board may approve, in whole or in part, or may modify an application received from the commission. If it finds that a need for the improvements sought by the commission exists, it may contract to make available to the commission funds to be realized from the sale of state capital improvements bonds if it finds that the revenues for the preceding fiscal year, if multiplied by the number of years, which may not exceed twenty, contemplated by the suggested or revised maturity schedule for the repayment of the monies to be made available to the commission, result in the production of a sum equal to not less than one hundred twenty-five percent of the aggregate principal and interest requirement of all outstanding obligations and all obligations to be incurred by the commission.

Section 44-20-1160. Upon receiving the approval of the State Budget and Control Board the commission shall obligate itself to apply all monies derived from its revenues to the payment of the principal and interest of its outstanding obligations and those to be issued and to deliver to the board its obligations.

Section 44-20-1170. (A) Following the execution and delivery of its obligations, the commission shall remit to the State Treasurer all its revenues, including accumulated revenues not applicable to prior obligations, for credit to a special fund. The special fund must be applied to meet the sums due by the commission under its obligations. These monies from the special fund must be applied by the State Treasurer to the payment of the principal of and interest on outstanding state capital improvement bonds.

(B) If the accumulation of revenues of the commission in the special fund exceeds the payment due or to become due during the then current fiscal year and an additional sum equal to the maximum annual debt service requirement of the obligations for a succeeding fiscal year, the State Budget and Control Board may permit the commission to withdraw the excess and apply it to improvements that have received the approval of the board or to transfer the excess out of the special fund for contract awards to local disabilities and special needs boards for needed improvements at the local level and for nonrecurring prevention, assistive technology, and quality initiatives at the regional centers and local boards.”

SECTION 3. Chapter 21, Title 44 of the 1976 Code is amended to read:

“CHAPTER 21

Department of Disabilities and Special Needs Family Support Services

Section 44-21-10. (A) It is the intent of the General Assembly that individuals with intellectual disability or related disabilities or head injuries, spinal cord injuries, or similar disabilities and their families be afforded supports that emphasize community living and enable them to enjoy typical lifestyles. One way to do this is to recognize that families are the greatest resource available to individuals with intellectual disability or related disabilities or head injuries, spinal cord injuries, or similar disabilities and that families must be supported in their role as primary caregivers. The General Assembly finds that supporting individuals and families in their effort to care for themselves or their family members at home is more efficient, cost-effective, and sensitive than maintaining people with intellectual disability or related disabilities in out-of-home residential settings.

(B) The intent of the Family Support Services Program provided for in this chapter is to assist individuals with disabilities and their families who desire or choose to support a family member with intellectual disability or a related disability or head injury, spinal cord injury, or similar disability in their home. The program is not meant to create a hardship on a family by supplanting or diverting access from other appropriate or necessary services. It is recognized that persons with intellectual disability or related disabilities or head injuries, spinal cord

injuries, or similar disabilities have the right to receive services from public and other agencies that provide services to South Carolina citizens and to have those services coordinated with the services needed because of their disabilities. It is the position of this State that children and adults have the right to live with their families. The individual's and family's circumstances and desires must be taken into account when considering the appropriate types of services or supports which can best meet the needs of the individual and family.

(C) In recognition of the importance of families, the following principles must be used as guidelines in developing services to support families:

(1) Families and individuals with intellectual disability or related disabilities or head injuries, spinal cord injuries, or similar disabilities are best able to determine their own needs and should be able to make decisions concerning necessary, desirable, and appropriate services.

(2) Individuals and families should receive the support necessary to care for themselves or their family member at home.

(3) Family support is needed throughout the lifespan of an individual with intellectual disability or related disabilities or head injuries, spinal cord injuries, or similar disabilities.

(4) Family support services should be sensitive to the unique needs, strengths, and values of the individuals and the family and should be responsive to the needs of the entire family.

(5) Family support should build on existing social networks and natural sources of support and should encourage community integration.

(6) Family support services should be provided in a manner that develop comprehensive, responsive, and flexible support to individuals and families as their needs evolve over time.

(7) Family support services should be coordinated across the numerous agencies likely to provide resources and services to individuals and families and should be provided equitably across the State.

(8) Family, individual, and community-based services should be based on the principles of sharing ordinary places, developing meaningful relationships, learning things that are useful, making choices, as well as promoting an individual's self-esteem.

(9) Family support services should be sufficient to enable families to keep their family members with intellectual disability or related disabilities or head injuries, spinal cord injuries, or similar disabilities at home or be sufficient to enable the individual with a disability to remain at home.

(10) Services provided through the Family Support Program must be coordinated closely with services received from public and other agencies and shall foster collaboration and cooperation with all agencies providing services to individuals with intellectual disability or related disabilities or head injuries, spinal cord injuries, or similar disabilities.

(D) The General Assembly recognizes that the South Carolina Department of Disabilities and Special Needs for several years has developed and maintained a family support program that provides support services to some families with members with intellectual disability. The success of this program demonstrates the need and value of family support services. More families in the State should be able to receive appropriate services and assistance needed to stabilize the family unit.

Section 44-21-20. As used in this chapter:

(1) 'Department' means the Department of Disabilities and Special Needs.

(2) 'Family support' means goods and services needed by individuals or families to care for themselves or their family members with intellectual disability or related disabilities or head injuries, spinal cord injuries, or similar disabilities and to enjoy a quality of life comparable to other community members.

(3) 'Family Support Program' means a coordinated system of family support services administered by the department directly or through contracts with private nonprofit or governmental agencies across the State, or both.

Section 44-21-30. The department may contract with or make grants to agencies or individuals to provide for a Family Support Program in accordance with this chapter. Services and supports developed must be flexible to address individual and family needs.

Section 44-21-40. The focus of the Family Support Program is supporting:

(1) families with children with intellectual disability or related disabilities or head injuries, spinal cord injuries, or similar disabilities, twenty-one years of age and younger;

(2) persons older than twenty-one years of age with intellectual disability or related disabilities or head injuries, spinal cord injuries, or similar disabilities who choose to live with their families;

(3) persons older than twenty-one years of age with intellectual disability or related disabilities or head injuries, spinal cord injuries, or similar disabilities who are residing in the community in an unsupported setting, not a state or federally funded program.

Section 44-21-50. The contracted agency shall assist each individual or family for whom services will be provided in assessing its needs and shall prepare a written plan with the person and family. The needs and preferences of the individual and family will be the basis for determining what goods and services will be provided within the resources available.

Section 44-21-60. The services in the Family Support Program include, but are not limited to, family support services coordination, information, referral, advocacy, educational materials, emergency and outreach services, and other individual and family-centered assistance services such as:

- (1) respite care;
- (2) personal assistance services;
- (3) child care;
- (4) homemaker services;
- (5) minor home and work site modifications and vehicular modifications;
- (6) specialized equipment and maintenance and repair;
- (7) specialized nutrition and clothing and supplies;
- (8) transportation services;
- (9) health-related costs not otherwise covered;
- (10) licensed nursing and nurses' aid services;
- (11) family counseling, training, and support groups;
- (12) financial assistance;
- (13) emergency services;
- (14) recreation and leisure needs.

Section 44-21-70. Implementation of this chapter and the Family Support Program is contingent upon annual appropriation of sufficient funding for the program and benefits. This chapter does not establish or authorize creation of an entitlement program or benefit.

Section 44-21-80. (A) The Department of Pediatrics of the Medical University of South Carolina, the University Pediatrics of the University Affiliated Program of the University of South Carolina, and the Children's Hospital of the Greenville Hospital System, are each

hereby authorized, as agents of the State of South Carolina, to fulfill the role of Regional Tertiary Level Developmental Evaluation Centers providing comprehensive developmental assessment and treatment services for children with developmental disabilities, significant developmental delays, or behavioral or learning disorders.

(B) As developmental evaluation centers, the above named institutions shall provide a seamless continuum of developmental services, including medically necessary diagnostic and treatment services for the purpose of correcting or ameliorating physical or mental illnesses and conditions which, left untreated, would negatively impact the health and quality of life of South Carolina's children. Further, these centers shall work collectively with the teaching, training, and research entities of each institution, extending the state's efforts to prepare professionals to work in the field of developmental medicine, while lending expertise to the research efforts in this field.

(C) The developmental evaluation centers shall be involved in research, planning, and needs assessment of issues related to developmental disabilities and shall be committed to develop a regionalized system of community-based, family-centered care for children with developmental and behavioral disabilities. In so doing, the centers shall serve as primary points of entry for developmental evaluation services and as regional coordinators for the delivery of the services and are encouraged to affiliate with other providers thus enhancing the availability of high quality services for the children of South Carolina."

"(21) 'Person with intellectual disability' means a person, other than a person with a mental illness primarily in need of mental health services, whose inadequately developed or impaired intelligence and adaptive level of behavior require for the person's benefit, or that of the public, special training, education, supervision, treatment, care, or control in the person's home or community or in a service facility or program under the control and management of the Department of Disabilities and Special Needs."

SECTION 5. Articles 3 and 5 of Chapter 23, Title 44 of the 1976 Code are amended to read:

## “Article 3

## Detention, Confinement, and Transfer of Confined Persons

Section 44-23-210. A person confined in a state institution or a person confined in a state or private mental health or intellectual disability facility may be transferred to another mental health or intellectual disability facility if:

(1) the director of a state institution not under the jurisdiction of the Department of Mental Health requests the admission of a person confined there to a state mental health facility if the person is suspected of having a mental illness. If after full examination by two designated examiners, one of whom must be a licensed physician, the director of the mental health facility is of the opinion that the person has a mental illness, the director shall notify the director of the institution or the facility to which the person was admitted who shall commence proceedings pursuant to Sections 44-17-510 through 44-17-610;

(2) the director of a facility in which the patient resides determines that it would be consistent with the medical needs of the person, the Department of Mental Health may transfer or authorize the transfer of the patient from one facility to another. If the transfer is from a less restricted facility to a substantially more secure facility and the patient objects to the transfer, a hearing to give the patient a reasonable opportunity to contest the transfer must be held pursuant to Sections 44-17-540 through 44-17-570. When a patient is transferred, written notice must be given to the patient’s legal guardian, attorney, parents, or spouse or, if none be known, to the patient’s nearest known relative or friend. This section may not be construed to apply to transfers of a patient within a mental health facility; or

(3) the legal guardian, parent, spouse, relative, or friend of an involuntary patient submits a request for the transfer of the patient from one Department of Mental Health facility to another and the reasons for desiring the transfer and unless the Department of Mental Health reasonably determines that it would be inconsistent with the medical needs of the person, the transfer must be made. If the transfer is from a less restricted to a substantially more secure facility, item (2) governs.

Section 44-23-220. No person who is mentally ill or who has an intellectual disability shall be confined for safekeeping in any jail. If it appears to the officer in charge of the jail that such a person is in prison, he shall immediately cause the person to be examined by two examiners designated by the Department of Mental Health or the Department of Disabilities and Special Needs, or both, and if in their opinion admission to a mental health or intellectual disability facility is warranted, the officer in charge of the jail shall commence proceedings pursuant to Sections 44-17-510 through 44-17-610, or Section 44-21-90. If hospitalization is ordered, the person shall be discharged from the custody of the officer in charge of the jail and shall be admitted to an appropriate mental health or intellectual disability facility.

Section 44-23-240. Any person who wilfully causes, or conspires with or assists another to cause the unwarranted confinement of any individual under the provisions of this chapter, Chapter 9, Chapter 11, Chapter 13, Article 1, Chapter 15, Chapter 17, or Chapter 27, shall be fined not exceeding one thousand dollars or imprisoned for not exceeding one year, or both.

Section 44-23-250. Whenever reference is made requiring the signature of the director of any state mental health facility, the reference means the director of the facility or the director's designee.

#### Article 5

##### Fitness to Stand Trial

Section 44-23-410. (A) Whenever a judge of the circuit court or family court has reason to believe that a person on trial before him, charged with the commission of a criminal offense or civil contempt, is not fit to stand trial because the person lacks the capacity to understand the proceedings against him or to assist in his own defense as a result of a lack of mental capacity, the judge shall:

(1) order examination of the person by two examiners designated by the Department of Mental Health if the person is suspected of having a mental illness or designated by the Department of Disabilities and Special Needs if the person is suspected of having intellectual disability or having a related disability or by both sets of examiners if the person is suspected of having both mental illness and intellectual disability or a related disability. The examination must be made within

thirty days after the receipt of the court's order and may be conducted in any suitable place unless otherwise designated by the court; or

(2) order the person committed for examination and observation to an appropriate facility of the Department of Mental Health or the Department of Disabilities and Special Needs for a period not to exceed fifteen days.

(B) Before the expiration of the examination period or the examination and observation period, the Department of Mental Health or the Department of Disabilities and Special Needs, as appropriate, may apply to a judge designated by the Chief Justice of the South Carolina Supreme Court for an extension of time up to fifteen days to complete the examination or the examination and observation.

(C) If the person or the person's counsel requests, the court may authorize the person to be examined additionally by a designated examiner of the person's choice. However, the court may prescribe the time and conditions under which the independent examination is conducted.

(D) If the examiners designated by the Department of Mental Health find indications of intellectual disability or a related disability but not mental illness, the department shall not render an evaluation on the person's mental capacity, but shall inform the court that the person is 'not mentally ill' and recommend that the person should be evaluated for competency to stand trial by the Department of Disabilities and Special Needs. If the examiners designated by the Department of Disabilities and Special Needs find indications of mental illness but not intellectual disability or a related disability, the department shall not render an evaluation on the person's mental capacity, but shall inform the court that the person does 'not have intellectual disability or a related disability' and recommend that the person should be evaluated for competency to stand trial by the Department of Mental Health. If either the Department of Mental Health or the Department of Disabilities and Special Needs finds a preliminary indication of a dual diagnosis of mental illness and intellectual disability or a related disability, this preliminary finding must be reported to the court with the recommendation that one examiner from the Department of Mental Health and one examiner from the Department of Disabilities and Special Needs be designated to further evaluate the person and render a final report on the person's mental capacity.

Section 44-23-420. (A) Within ten days of examination under Section 44-23-410(A)(1) or at the conclusion of the observation period

under Section 44-23-410(A)(2), the designated examiners shall make a written report to the court which shall include:

(1) a diagnosis of the person's mental condition; and

(2) clinical findings bearing on the issues of whether or not the person is capable of understanding the proceedings against him and assisting in his own defense, and if there is a substantial probability that he will attain that capacity in the foreseeable future.

(B) The report of the designated examiners shall not contain any findings nor shall the examiners testify on the question of insanity should it be raised as a defense unless further examination on the question of insanity is ordered by the court.

(C) The report is admissible as evidence in subsequent hearings pursuant to Section 44-23-430.

Section 44-23-430. Upon receiving the report of the designated examiners, the court shall set a date for and notify the person and his counsel of a hearing on the issue of his fitness to stand trial. If, in the judgment of the designated examiners or the superintendent of the facility if the person has been detained, the person is in need of hospitalization, the court with criminal jurisdiction over the person may authorize his detention in a suitable facility until the hearing. The person shall be entitled to be present at the hearings and to be represented by counsel. If upon completion of the hearing and consideration of the evidence the court finds that:

(1) the person is fit to stand trial, it shall order the criminal proceedings resumed; or

(2) the person is unfit to stand trial for the reasons set forth in Section 44-23-410 and is unlikely to become fit to stand trial in the foreseeable future, the solicitor responsible for the criminal prosecution shall initiate judicial admission proceedings pursuant to Sections 44-17-510 through 44-17-610 or Section 44-20-450 within fourteen days, excluding Saturdays, Sundays, and holidays, during which time the court may order the person hospitalized, may order the person to continue in detention if detained, or, if on bond, may permit the person to remain on bond; or

(3) the person is unfit to stand trial but likely to become fit in the foreseeable future, the court shall order him hospitalized up to an additional sixty days. If the person is found to be unfit at the conclusion of the additional period of treatment, the solicitor responsible for the criminal prosecution shall initiate judicial admission proceedings pursuant to Sections 44-17-510 through 44-17-610 or

Section 44-20-450 within fourteen days, excluding Saturdays, Sundays, and holidays, during which time the person shall remain hospitalized.

Subject to the provisions of Section 44-23-460, persons against whom criminal charges are pending shall have all the rights and privileges of other involuntarily hospitalized persons.

Persons against whom criminal charges are pending but who are not involuntarily committed following judicial admission proceedings shall be released.

Section 44-23-440. A finding of unfitness to stand trial under Section 44-23-430 does not preclude any legal objection to the prosecution of the individual which is susceptible of fair determination prior to trial and without the personal participation of the defendant.

If either the person found unfit to stand trial or his counsel believes he can establish a defense of not guilty to the charges other than the defense of insanity, he may request an opportunity to offer a defense on the merits to the court. The court may require affidavits and evidence in support of such request. If the court grants such request, the evidence of the State and the defendant shall be heard before the court sitting without a jury. If after hearing such petition the court finds the evidence is such as would entitle the defendant to a directed verdict of acquittal, it shall dismiss the indictment or other charges.

Section 44-23-450. A finding of unfitness to stand trial under Section 44-23-430 may be reexamined by the court upon its own motion, or that of the prosecuting attorney, the person found unfit to stand trial, his legal guardian, or his counsel. Upon receipt of the petition, the court shall order an examination by two designated examiners whose report shall be submitted to the court and shall include underlying facts and conclusions. The court shall notify the individual, his legal guardian, and his counsel of a hearing at least ten days prior to such hearing. The court shall conduct the proceedings in accordance with Section 44-23-430, except that any petition that is filed within six months after the initial finding of unfitness or within six months after the filing of a previous petition under this section shall be dismissed by the court without a hearing.

Section 44-23-460. When the superintendent of a hospital or intellectual disability facility believes that a person against whom criminal charges are pending no longer requires hospitalization, the court in which criminal charges are pending shall be notified and shall set a date for and notify the person of a hearing on the issue of fitness

pursuant to Section 44-23-430. At such time, the person shall be entitled to assistance of counsel:

(1) if upon the completion of the hearing, the court finds the person unfit to stand trial, it shall order his release from the hospital; and

(2) if such a person has been hospitalized for a period of time exceeding the maximum possible period of imprisonment to which the person could have been sentenced if convicted as charged, the court shall order the charges dismissed and the person released; or

(3) the court may order that criminal proceedings against a person who has been found fit to stand trial be resumed, or the court may dismiss criminal charges and order the person released if so much time has elapsed that prosecution would not be in the interest of justice.”

Section 44-26-40. If a client resides in a facility operated by or contracted to by the department, the determination of that client's competency to consent to or refuse major medical treatment must be made pursuant to Section 44-66-20(6) of the Adult Health Care Consent Act. The department shall abide by the decision of a client found competent to consent.

Section 44-26-50. If the client is found incompetent to consent to or refuse major medical treatment, the decisions concerning his health care must be made pursuant to Section 44-66-30 of the Adult Health Care Consent Act. An authorized designee of the department may make a health care decision pursuant to Section 44-66-30(8) of the Adult Health Care Consent Act. The person making the decision must be informed of the need for major medical treatment, alternative treatments, and the nature and implications of the proposed health care and shall consult the attending physician before making decisions. When feasible, the person making the decision shall observe or consult with the client found to be incompetent.

Section 44-26-60. (A) If the client is a minor, the decisions concerning his health care must be made by the following persons in the following order of priority:

- (1) legal guardian;
- (2) parent;
- (3) grandparent or adult sibling;

(B) If persons of equal priority disagree on whether certain health care must be provided to a client who is a minor, a person authorized in subsection (A), a health care provider involved in the care of the client, or another person interested in the welfare of the client may petition the

probate court for an order determining what care is to be provided or for appointment of a temporary or permanent guardian.

(C) Priority under this section must not be given to a person if a health care provider, responsible for the care of a client who is unable to consent, determines that the person is not reasonably available, is not willing to make health care decisions for the client, or is unable to consent as defined in Section 44-66-20(6) of the Adult Health Care Consent Act.

(D) In an emergency health care may be provided without consent pursuant to Section 44-66-40 of the Adult Health Care Consent Act to a person found incompetent to consent to or refuse major medical treatment or who is incapacitated solely by virtue of minority.

Section 44-26-70. (A) Human rights committees must be established for each regional center and for each county/multicounty program to:

(1) review and advise the regional center or the county/multicounty board on the policies pertaining to clients' rights policies;

(2) hear and make recommendations to the regional center or county/multicounty board on research proposals which involve individuals receiving services as research participants pursuant to Section 44-20-260;

(3) review and advise the regional center or county/multicounty board on program plans for behavior management which may restrict personal freedoms or rights of clients;

(4) advise the regional center or county/multicounty board on other matters as requested pertaining to the rights of clients.

(B) Human rights committees must be appointed by the director or his designee. Each committee consists of not less than the following five persons, except employees or former employees of the regional center or county/multicounty board must not be appointed:

(1) a family member of a person with intellectual disability or a related disability;

(2) a client of the department, if appropriate;

(D) Members of the committees serve in an advisory capacity only and are exempt from liability.

Section 44-26-80. A client or his representative has the right to appeal decisions concerning the services or treatment provided by the department, county/multicounty board, or contracted service provider. A human rights committee established in Section 44-26-70 shall review and advise on grievances concerning applicants or clients receiving services. The department shall establish policies and procedures for the review of grievances and the appeal of decisions. The director has final authority.

Section 44-26-90. Unless a client has been adjudicated incompetent, he must not be denied the right to:

- (1) dispose of property, real and personal;
- (2) execute instruments;
- (3) make purchases;
- (4) enter into contractual relationships;
- (5) hold a driver's license;
- (6) marry or divorce;

  - (b) comply with other requirements which are prerequisite for voting;
  - (c) vote by absentee ballot if necessary;
- (8) exercise rights of citizenship in the same manner as a person without intellectual disability or a related disability.

Section 44-26-100. (A) Except to the extent an interdisciplinary team of a residential program determines that it is required by the medical needs, safety, or habilitative goals of the client to impose restrictions, a client may:

- (1) communicate by sealed mail, telephone, or otherwise with persons, including official agencies, inside or outside the institution. Reasonable access to writing materials, stamps, envelopes, and telephones, including reasonable funds or means by which to use telephones, must be provided;
- (2) receive visitors. A facility must have a designated area where clients and visitors may speak privately;
- (3) wear his clothes, have access to personal hygiene articles, keep and spend a reasonable sum of his money, and keep and use his

personal possessions, including articles for personal grooming not provided for by the facility unless the clothes or personal possessions are determined by an intellectual disability professional or physician to be dangerous or otherwise inappropriate to the habilitation regimen. If clothing is provided by the facility, clients must have the opportunity to select from neat, clean, seasonal clothing that allows the client to appear normal in the community. The clothing must be considered to be the client's throughout his stay in the facility;

(4) have access to individual storage space for private use. Personal property of a client brought into the facility and placed in storage by the facility must be inventoried. Receipts must be given to the client and at least one other interested person. The personal property may be reclaimed only by the client or his guardian as long as he is living unless otherwise ordered by the court;

(5) follow or abstain from religious practices. Religious practices may be prohibited by the facility supervisor if they lead to physical harm to the client or to others, harassment of other clients, or damage to property.

(B) The department shall determine what constitutes reasonable access for the rights provided in this section. Limitations imposed on the exercise of the rights by the client and the reasons for the limitations must be made part of the client's record. The limitations are valid for no more than thirty days. The time may be extended an additional thirty days if, upon review, it is determined the client's safety or habilitation warrants limitations of the rights. If the department restricts rights, the reasons for the restriction and why the condition cannot be resolved in a less restrictive manner must be recorded in the client's record.

Section 44-26-110. Clients have the right to daily physical exercise. Operators of a facility shall provide indoor and outdoor areas and equipment for this purpose. Clients determined able to be outdoors on a daily basis pursuant to Section 44-26-150 must be allowed this privilege in the absence of contrary medical considerations or during periods of inclement weather.

Section 44-26-120. (A) A client or his representative with the appropriate permission may have reasonable access to the client's medical and habilitative records. The requests must be made in writing.

(B) A client or his representative may be refused access to information in the medical and habilitative records if:

(1) provided by a third party under assurance that the information remains confidential;

(2) the attending physician has determined in writing that the information would be detrimental to the client's habilitation regimen. The determination must be placed in the client's records and is considered part of restricted information.

(C) A client or his representative refused access to medical or habilitative records may appeal the refusal to the department director. The director of the residential program shall notify the client or his representative of the right to appeal.

(D) Persons granted access to client records shall sign a disclosure form. Disclosure forms are considered part of a client's confidential record.

Section 44-26-130. (A) Communications between clients and intellectual disability professionals, including general physicians, psychiatrists, psychologists, nurses, social workers, members of interdisciplinary teams, or other staff members employed in a client-therapist capacity or an employee under supervision of them are considered confidential. Certificates, applications, records, and reports made for the purpose of this chapter that directly or indirectly identify a client, as well as privileged communications, must be kept confidential and must not be disclosed by a person unless:

(1) the identified client or his representative consents;

(2) a court directs disclosure upon its determination that disclosure is necessary for the conduct of proceedings before it and that failure to make the disclosure is contrary to the public interest;

(3) disclosure is required for research conducted or authorized by the department;

(4) disclosure is necessary to cooperate with law enforcement, health, welfare, and other state agencies, schools, and county entities;

(5) disclosure is necessary to carry out this chapter.

(B) Nothing in this section precludes disclosure:

(1) upon proper inquiry, of information as to a client's current medical condition, to appropriate next of kin;

(2) if the information is used in an educational or informational capacity if the identity of the client is concealed;

(3) of information to the Governor's ombudsman office or the South Carolina Protection and Advocacy System for the Handicapped, Inc., as consistent with state law.

Section 44-26-140. (A) Clients receiving services for intellectual disability shall receive care and habilitation suited to their needs and in the least restrictive appropriate care and habilitation available. The care and habilitation must be administered skillfully, safely, and humanely with full respect for the client's dignity and personal integrity. The department shall make every effort, based on available resources, to develop services necessary to meet the needs of its clients.

(B) In emergency admissions when the least restrictive setting is not available a client must be admitted to the nearest proper facility until he may be moved to the least restrictive setting.

(C) In judicial or emergency admissions to the department every attempt must be made by the court to ensure a client's placement in the least restrictive alternative of services available.

(D) No client may remain at a level of care that is more restrictive than is warranted to meet his needs if alternative care is available. A residential program must attempt to move clients from:

- (1) more to less structured living;
- (2) larger to smaller facilities;
- (3) larger to smaller living units;
- (4) group to individual residence;
- (5) segregated from the community to integrated into the community;
- (6) dependent to independent living.

Section 44-26-150. (A) Before or at the time of admission to an intellectual disability residential program, a client or his representative must be provided with an explanation in terms and language appropriate to his ability to understand the client's rights while under the care of the facility.

(B) Within thirty days of admission a client or his representative must be provided with a written individualized plan of habilitation formulated by an interdisciplinary team and the client's attending physician. A client or his representative may participate in an appropriate manner in the planning of services. An interim habilitation program based on the preadmission evaluation of the client may be implemented promptly upon admission. The service plan must be developed with the active participation of the individual receiving the services to the extent he is able to participate meaningfully. Each individualized habilitation plan must contain:

- (1) a statement of the nature and degree of the client's intellectual disability and the needs of the client;

(2) if a physical examination has been conducted, the client's physical condition;

(3) a description of intermediate and long-range habilitative goals and, if possible, future available services;

(4) a statement as to whether or not the client may be permitted outdoors on a daily basis and, if not, the reasons why.

(C) An intellectual disability professional shall review each client's individual records quarterly in relation to goals and objectives established in the habilitation plan. This review must be documented and entered into the client's record. The interdisciplinary team shall conduct a full review of the client's records and habilitation program annually.

(D) Included in a review must be a reassessment of the client's plan of habilitation. If the reassessment indicates a need for revisions in the client's plan of habilitation, the revisions must be implemented.

(E) A client or his representative shall receive an updated plan of habilitation, upon request, pursuant to Section 44-26-120.

(F) A client or his representative may request a change in the plan of habilitation. If a request for a change in the plan of habilitation is denied, a grievance may be filed by the client or his representative on his behalf. The request must be reviewed according to the grievance procedure pursuant to Section 44-26-80.

Section 44-26-160. (A) No client residing in an intellectual disability facility may be subjected to chemical or mechanical restraint or a form of physical coercion or restraint unless the action is authorized in writing by an intellectual disability professional or attending physician as being required by the habilitation or medical needs of the client and it is the least restrictive alternative possible to meet the needs of the client. Emergency restraints require the written authorization of the attending physician or designated staff member and must be noted in the client's record.

(B) Each use of a restraint and justification for it must be entered into the client's record. The authorization is not valid for more than twelve hours during which the client's condition must be charted at thirty-minute intervals. If the orders are extended beyond the twelve hours, the extension must have written authorization by an intellectual disability professional or attending physician. Within twenty-four hours a copy of the authorization must be forwarded to the facility supervisor for review. Clients under a form of restraint must be allowed no less than ten minutes every two hours for motion and exercise. Mechanical restraint must be employed in a manner that

lessens the possibility of physical injury and ensures the least possible discomfort.

(C) No form of restraint may be used for the convenience of staff, as punishment, as a substitute for a habilitation program or in a manner that interferes with the client's habilitation program.

(D) In an emergency such as a serious threat of extreme violence, injury to others, personal injury, or attempted suicide, if the attending physician or an intellectual disability professional is not available, staff may authorize mechanical restraint or physical restraint, in conjunction with state and federal regulations, when these means are necessary for as long as the behavior that warrants restraint persists. The use must be reported immediately to the attending physician or an intellectual disability professional who shall authorize its continuance or cessation and make a written record of the reasons for its use and his review. The records and review must be entered into the client's record. The facility must have written policies and procedures governing the use of mechanical and physical restraints.

(E) The client's family or his representative, or both, must be notified immediately of the use of restraints.

(F) The appropriate human rights committees must be notified of the use of emergency restraints.

(G) Documentation of less restrictive methods that have failed must be entered into the client's record when applicable.

Section 44-26-170. (A) Behavior modification programs involving the use of aversive stimuli are discouraged and may be used only in extraordinary cases where all other efforts have proven ineffective. Clients must not be subjected to aversive stimuli in the absence of:

- (1) prior written approval for the technique by the director;
- (2) the informed consent of the client on whom the aversive stimuli is to be used or his representative. Each use of aversive stimuli and justification for it must be entered into the client's record;
- (3) documentation of less restrictive methods that have failed must be entered into the client's record.

(B) Seclusion must not be used on clients with intellectual disability.

(C) Planned exclusionary time-out procedures may be utilized under close and direct professional supervision as a technique in behavior shaping.

(D) Behavior modification plans must be reviewed by the interdisciplinary team periodically for continued appropriateness.

Section 44-26-180. A client or his representative shall give informed consent in every case before participation in research conducted by, for, or in cooperation with the department. The department shall promulgate regulations to obtain informed consent and to protect the dignity of the individual.

Section 44-26-190. (A) The State Department of Education shall seek to develop and utilize the most current and promising methods for the education and training of people with intellectual disability. It shall utilize the assistance, service, and findings of other state and federal agencies.

(B) School-aged clients with intellectual disability have the right to an appropriate education regardless of the degree of retardation or accompanying disabilities as provided in Public Law 94-142, the Education of Handicapped Children Act. Placement of a school-aged person with intellectual disability in a facility of the department does not preclude his attendance in community-based public schools. It is the goal of each intellectual disability facility to effect a move of each resident client from facility-based educational programs to community-based public schools.

Section 44-26-200. The South Carolina State Employment Service Division of the South Carolina Department of Employment and Workforce and the State Agency of Vocational Rehabilitation shall work together to find employment for citizens with intellectual disability. Services must include, but are not limited to, counseling, referral, timely notification of job listings, and other services of the division and the agency.

Section 44-26-210. A person who wilfully causes, or conspires with or assists another to cause, the denial to a client of rights accorded to him under this chapter, upon conviction, must be fined not more than one thousand dollars or imprisoned not more than one year, or both. A person acting in good faith, upon actual knowledge or information thought by him to be reliable, is exempt from criminal liability.

Section 44-26-220. (A) A person who in good faith makes a health care decision as provided in this chapter is not subjected to civil or criminal liability on account of the substance of the decision.

(B) A person who consents to major medical treatment as provided in this chapter does not by virtue of that consent become liable for the

costs of care provided to the client found incompetent to consent to or refuse treatment.

(C) A health care provider who in good faith relies on a health care decision made by a client or as authorized by this chapter is not subject to civil or criminal liability or disciplinary penalty on account of his reliance on the decision.

(D) This section does not affect a health care provider's liability arising from provision of care in a negligent manner."

(2) require pre-marking or marking of facilities;

(3) specify the types of paint or other marking devices that are used to identify facilities; or

(4) require removal of marks.

(B) A permit issued pursuant to law authorizing an excavation or demolition shall not be deemed to relieve a person from the responsibility for complying with the provisions of this chapter.

Section 58-36-40. (A) Any costs or expenses associated with compliance by an excavator with the requirements in this chapter applicable to excavators shall not be charged to any operator. Any costs or expenses associated with compliance by an operator with the requirements in this chapter applicable to operators shall not be charged to any excavator. - (16) three representatives employed by different facility operators in South Carolina; and
- (17) one representative of a special purpose district providing natural gas.

In choosing members of the association to fill these board positions, the association will solicit nominations from the membership of the association and industry organizations representing entities designated

by this subsection. The South Carolina 811 Board of Directors existing on the effective date of this act must elect the board as required by the provisions of this subsection within nine months following the effective date of this act.

(B) All operators are required to join the association and utilize the services of the notification center.

(1) Operators that are members of the existing association on the effective date of this act must remain members.

(2) Operators with more than fifty thousand customers or one thousand miles of facilities who are not members must join the association within one year from the effective date of this act.

(3) Operators with more than twenty-five thousand customers or five hundred miles of facilities, who are not members, must join the association within two years from the effective date of this act.

(4) All operators that do not meet the thresholds described in items (1), (2), or (3) must join the association within three years from the effective date of this act.

(C) There shall be only one notification center for the State of South Carolina.

(D) The association shall provide for a reasonable way of apportioning the cost of operating the notification center among its members.

(E) The notification center shall receive notices from persons with intention of performing excavation or demolition and transmit to the operators the following information:

(1) the name, address, and telephone number of the person providing the notice, and, if different, the excavator completing the proposed excavation or demolition;

(2) the start date of the proposed excavation or demolition;

(3) the anticipated duration of the proposed excavation or demolition;

(4) the type of proposed excavation or demolition to be conducted;

(5) the location of the proposed excavation or demolition; and

(6) whether or not explosives are to be used in the proposed excavation or demolition.

(F) The notification center must maintain a record of the notices received pursuant to subsection (E), and information regarding operators failing to provide a response pursuant to subsection (E), and excavators failing to provide notice pursuant to Section 58-36-60(C). This record must be maintained for at least three years.

(G) The notification center shall receive and transmit notices.

(H) The notification center must have a business continuation plan.

(I) The notification center shall provide a positive response system that must be fully operational within three years from the effective date of this act.

(J) The notification center shall file with the South Carolina Public Service Commission the telephone number and address of the notification center and a list of the names and addresses of each operator that received service from the notification center. This filing must be made no later than April fifteenth of each year.

(K) The notification center shall provide to the Chairman of the House of Representatives Labor, Commerce and Industry Committee and the Chairman of the Senate Judiciary Committee a report regarding the activities and operations of the notification center for the preceding calendar year. This report must include, but is not limited to, the following information:

- (1) average speed of answer;
- (2) abandoned call rate;
- (3) transmit times;
- (4) total number of locate requests;
- (5) total number of transmissions to operators of locate requests;

and

- (6) business continuation plan.

This report must be made no later than April fifteenth of each year.

(L) The notification center must establish and operate a damage prevention training program.

Section 58-36-60. (A) Before commencing any excavation or demolition, the person responsible for the excavation or demolition shall provide, or cause to be provided, notice to the notification center of his intent to excavate or demolish. Notice for any excavation or demolition that does not involve a subaqueous facility must be given within three to twelve full working days before the proposed commencement date of the excavation or demolition. Notice for any excavation or demolition in the vicinity of a subaqueous facility must be made within ten to twenty full working days before the proposed commencement date of the excavation or demolition.

(B) Notice given pursuant to subsection (A) shall expire within fifteen working days after the date of notice. No excavation or demolition may continue after this fifteen-day period unless the person responsible for the excavation or demolition provides a subsequent notice pursuant to subsection (A).

(C) The notice to the notification center must contain:

(1) the name, address, and telephone number of the person providing the notice;

(2) the anticipated start date of the proposed excavation or demolition;

(3) the anticipated duration of the proposed excavation or demolition;

(4) the type of proposed excavation or demolition to be conducted;

(5) the location of the proposed excavation or demolition, not to exceed one-quarter mile in geographical length, or five adjoining addresses; and

(6) whether or not explosives are to be used in the proposed excavation or demolition.

(D) When demolition of a building is proposed, operators shall be given reasonable time to remove or protect their facilities before demolition is commenced.

(E) An excavator must comply with the following:

(1) When the excavation site cannot be clearly and adequately identified within the area described in the notice, the excavator must designate the route, specific area to be excavated, or both, by premarking before the operator performs a locate. Premarking must be made with white paint, flags, or stakes.

(2) Check the notification center's positive response system prior to excavating or demolishing to ensure that all operators have responded and that all facilities that may be affected by the proposed excavation or demolition have been marked.

(3) Plan the excavation or demolition to avoid damage to or minimize interference with facilities in and near the construction area.

(4) Excavation or demolition may begin prior to the specified waiting period if the excavator has confirmed that all operators responded with an appropriate positive response.

(5) If an operator declares extraordinary circumstances, the excavator must not excavate or demolish until after the time and date that the operator provided in its response.

(6) An operator's failure to respond to the positive response system does not prohibit the excavator from proceeding, provided there are no visible indications of a facility, such as a pole, marker, pedestal, or valve at the proposed excavation or demolition site. However, if the excavator is aware of or observes indications of an unmarked facility, the excavator must not begin excavation or demolition until an additional call is made to the notification center detailing the facility, and an arrangement is made for the facility to be marked by the

operator within three hours from the time the additional call is received by the notification center.

(7) Beginning on the date provided in the excavator's notice to the notification center, the excavator shall preserve the staking, marking, or other designation until no longer required. When a mark is no longer visible, but the work continues in the vicinity of the facility, the excavator must request a re-mark from the notification center to ensure the protection of the facility.

(8) The excavator shall notify the notification center's positive response system when the excavation or demolition is complete.

(9) An excavator may not perform any excavation or demolition within the tolerance zone unless the following conditions are met:

(a) no use of mechanized equipment, except non-invasive equipment specifically designed or intended to protect the integrity of the facility, within the marked tolerance zone of an existing facility until:

(i) the excavator has visually identified the precise location of the facility, or has visually confirmed that no facility is present up to the depth of excavation; and

(ii) reasonable precautions are taken to avoid any substantial weakening of the facility's structural or lateral support, or both, or penetration or destruction of the facilities or their protective coatings.

Mechanical means may be used, as necessary, for initial penetration and removal of pavement or other materials requiring use of mechanical means of excavation and then only to the depth of the pavement or other materials. For parallel type excavations within the tolerance zone, the existing facility shall be visually identified at intervals not to exceed fifty feet along the line of excavation to avoid damages. The excavator shall exercise due care at all times to protect the facilities when exposing these facilities;

(b) maintain clearance between a facility and the cutting edge or point of any mechanized equipment, taking into account the known limit of control of such cutting edge or point, as may be reasonably necessary to avoid damage to such facility; and

(c) provide support for facilities in and near the excavation or demolition area, including backfill operations, as may be reasonably required by the operator for the protection of such facilities.

Section 58-36-70. (A) An operator or designated representative must provide to an excavator the following information:

(1) The horizontal location and description of all of its facilities in the area of the proposed excavation or demolition. The location

shall be marked by stakes, paint, flags, or any combination thereof as appropriate depending on the site conditions of the proposed excavation or demolition using the APWA Uniform Color Code. If the diameter or width of the facility is greater than three inches, the dimension of the facility will be indicated at least every twenty-five feet in the area of the proposed excavation or demolition. Operators who operate multiple facilities in the same trench shall locate each facility individually.

(2) Any other information that would assist the excavator to identify, and thereby avoid damage to, the marked facilities.

(B) The information in subsection (A) must be provided to the excavator within:

(1) three full working days, not including the day the notice was made, for a facility after notice of the proposed excavation or demolition to the notification center;

(2) ten full working days, not including the day the notice was made, for a subaqueous facility after notice of the proposed excavation or demolition to the notification center; or

(3) as otherwise provided by written agreement by the excavator and the operator or designated representative of the operator.

These time lines do not apply in the event the operator declares an extraordinary circumstance.

(C) An operator may reject an excavation or demolition locate request due to homeland security considerations based upon federal statutes or federal regulations until the operator can confirm the legitimacy of the request. The operator must notify the person making the request of the denial and request additional information, through the positive response system, within the time frame established in subsection (B).

(D) An operator must provide a positive response to the notification center prior to the expiration of the required notice period. This response shall indicate the status of the required activities of the operator or designated representative in regard to the proposed excavation or demolition.

(E) If the operator determines that provisions for marking subaqueous facilities are required, the operator or their designated representative will provide a positive response to the notification center not more than three full working days after notice of the proposed excavation or demolition from the notification center.

(F) If extraordinary circumstances prevent the operator from marking the location in the required time period, the operator must notify the excavator either by contacting the notification center or by

directly contacting the excavator. The operator must state the date and time when the location will be marked.

(G) All facilities installed by or on behalf of an operator as of the effective date of this act, must be electronically locatable using a generally accepted locating method by operators.

(H) A facility locator must notify the operator if the locator becomes aware of an error or omission in facility placement documentation. The operator must update its records to correct the error or omission.

(I) An operator must prepare, or cause to be prepared, installation records of all facilities installed on or after the effective date of this act in a public street, alley, or right-of-way dedicated to public use, excluding service drops and services lines. The operator must maintain these records in its possession while the facility is in service.

(J) An operator that fails to become a member of the association as required by Section 58-36-50(B) may not recover for damages to a facility caused by an excavator that has complied with this chapter and has exercised reasonable care in the performance of the excavation or demolition.

Section 58-36-80. (A) An excavator performing an emergency excavation or demolition is exempt from the notice requirements in Section 58-36-60. However, the excavator must give, as soon as practicable, oral notice of the emergency to the notification center and the facility operator. The excavator must provide a description of the circumstances to the notification center and request emergency assistance from each affected operator in locating and providing immediate protection to the facilities.

(B) The declaration of an emergency excavation or demolition does not relieve any party of liability for causing damage to an operator's facilities, even if those facilities are unmarked.

Section 58-36-90. (A) The excavator performing an excavation or demolition that results in any damage to a facility must, immediately upon discovery of such damage, notify the notification center and the facility operator, if known, of the location and nature of the damage. The excavator must allow the operator reasonable time to accomplish necessary repairs before completing the excavation or demolition in the immediate area of such facility. The excavator shall delay any backfilling in the immediate area of the damaged facility until authorized by the operator. The repair of any damage shall be

performed by the operator or by qualified personnel authorized by the operator.

(B) An excavator responsible for any excavation or demolition that results in damage to a facility where damage results in the escape of any flammable, toxic, or corrosive gas or liquid, or electricity, or endangers life, health, or property, immediately shall notify emergency services, including 911, the notification center and the operator, if known. The excavator must take reasonable measures to protect themselves, those in immediate danger, the general public, property, and the environment until the operator or emergency responders have arrived and completed their assessment.

Section 58-36-100. (A) A designer may submit a design request to the notification center. The design request shall describe the tract or parcel of land for which the design request has been submitted with sufficient particularity, as defined by policies developed and promulgated by the notification center, so that the operator can ascertain the precise tract or parcel of land involved.

(B) Within fifteen working days after a design request has been submitted to the notification center for a proposed project, the operator shall respond by one of the following methods:

(1) designate the location of all facilities within the area of the proposed excavation pursuant to Section 58-36-70(A);

(2) provide to the person submitting the design request the best available description of all facilities in the area of proposed excavation, which may include drawings of facilities already built in the area, or other facility records that are maintained by the operator; or

(3) allow the person submitting the design request or any other authorized person to inspect the drawings or other records for all facilities within the proposed area of excavation at an acceptable location.

(C) An operator may reject a design request based on homeland security pending additional information confirming the legitimacy of the request. The operator must notify the person making the request of the denial and request additional information, through the positive response system, within the time frame set forth in Section 58-36-70(B).

Section 58-36-110. A person is exempt from the requirements of Section 58-36-60(A) when an excavation is performed under the following conditions:

- (1) by the owner of a single-family residential property on his own land when the excavation:
  - (a) does not encroach on any operator's known right-of-way, easement, or permitted use;
  - (b) is performed with nonmechanized equipment; and
  - (c) is less than ten inches in depth;
- (2) tilling or plowing of soil when less than twelve inches in depth for agricultural purposes;
- (3) for excavation with nonmechanized equipment by an operator or an agent of an operator for the following purposes:
  - (a) locating for a valid notification request, or for the minor repair, connecting or routine maintenance of an existing facility; or
  - (b) underground probing to determine the extent of gas or water migration.
- (4) when the Department of Transportation, a local government, special purpose district, or public service district is carrying out maintenance activities within its designated right-of-way, which may include resurfacing, milling, emergency replacement of signs critical for maintaining safety, or the reshaping of shoulder and ditches to the original road profile.

Section 58-36-120. Any person who violates any provision of this chapter shall be subject to a civil penalty not to exceed one thousand dollars for each violation. Actions to recover the penalty provided for in this section shall be brought by the Attorney General at the request of the injured party in the proper forum in and for the county in which the cause, or some part thereof, arose or in which the defendant has its principal place of business or resides. All penalties recovered in any such actions shall be equally divided between the state's general fund and the Office of the Attorney General.

This chapter does not affect any civil remedies for personal injury or property damage except as otherwise specifically provided for in this chapter. The penalty provisions of this chapter are cumulative to, and not in conflict with, provisions of law with respect to civil remedies for personal injury or property damage.”

**Punitive damages, limitations**

SECTION 2. Chapter 32, Title 15 of the 1976 Code is amended by adding:

“Article 5

Punitive Damages

Section 15-32-510. (A) A claim for punitive damages must be specifically prayed for in the complaint.

(B) The plaintiff shall not specifically plead an amount of punitive damages, only that punitive damages are sought in the action.

Section 15-32-520. (A) All actions tried before a jury involving punitive damages, if requested by any defendant against whom punitive damages are sought, must be conducted in a bifurcated manner before the same jury.

(B) In the first stage of a bifurcated trial, the jury shall determine liability for compensatory damages and the amount of compensatory or nominal damages. Evidence relevant only to the issues of punitive damages is not admissible at this stage.

(C) Punitive damages may be considered if compensatory or nominal damages have been awarded in the first stage of the trial.

(D) Punitive damages may be awarded only if the plaintiff proves by clear and convincing evidence that his harm was the result of the defendant's wilful, wanton, or reckless conduct.

(E) In the second stage of a bifurcated trial, the jury shall determine if a defendant is liable for punitive damages and, if determined to be liable, the amount of punitive damages. In determining the amount of punitive damages, the jury may consider all relevant evidence, including, but not limited to:

- (1) the defendant's degree of culpability;
- (2) the severity of the harm caused by the defendant;
- (3) the extent to which the plaintiff's own conduct contributed to the harm;
- (4) the duration of the conduct, the defendant's awareness, and any concealment by the defendant;
- (5) the existence of similar past conduct;
- (6) the profitability of the conduct to the defendant;
- (7) the defendant's ability to pay;
- (8) the likelihood the award will deter the defendant or others from like conduct;
- (9) the awards of punitive damages against the defendant in any state or federal court action alleging harm from the same act or course of conduct complained of by the plaintiff;
- (10) any criminal penalties imposed on the defendant as a result of the same act or course of conduct complained of by the plaintiff; and
- (11) the amount of any civil fines assessed against the defendant as a result of the same act or course of conduct complained of by the plaintiff.

(F) If punitive damages are awarded, the trial court shall review the jury's decision, considering all relevant evidence, including the factors identified in subsection (E), to ensure that the award is not excessive or the result of passion or prejudice.

(G) In an action with multiple defendants, a punitive damages award must be specific to each defendant, and each defendant is liable only for the amount of the award made against that defendant.

Section 15-32-530. (A) Except as provided in subsections (B) and (C), an award of punitive damages may not exceed the greater of three times the amount of compensatory damages awarded to each claimant entitled thereto or the sum of five hundred thousand dollars.

(B) The limitation provided in subsection (A) may not be disclosed to the jury. If the jury returns a verdict for punitive damages in excess of the maximum amount specified in subsection (A), the trial court should first determine whether:

(1) the wrongful conduct proven under this section was motivated primarily by unreasonable financial gain and determines that the unreasonably dangerous nature of the conduct, together with the high likelihood of injury resulting from the conduct, was known or approved by the managing agent, director, officer, or the person responsible for making policy decisions on behalf of the defendant; or

(2) the defendant's actions could subject the defendant to conviction of a felony and that act or course of conduct is a proximate cause of the plaintiff's damages;

If the trial court determines that either item (1) or (2) apply, then punitive damages must not exceed the greater of four times the amount of compensatory damages awarded to each claimant entitled thereto or the sum of two million dollars and, if necessary, the trial court shall reduce the award and enter judgment for punitive damages in the maximum amount allowed by this subsection. If the trial court determines that neither item (1) or (2) apply, then the award of punitive damages shall be subject to the maximum amount provided by subsection (A) and the trial court shall reduce the award and enter judgment for punitive damages in the maximum amount allowed by subsection (A).

(C) However, when the trial court determines one of the following apply, there shall be no cap on punitive damages:

(1) at the time of injury the defendant had an intent to harm and determines that the defendant's conduct did in fact harm the claimant; or

(2) the defendant has pled guilty to or been convicted of a felony arising out of the same act or course of conduct complained of by the plaintiff and that act or course of conduct is a proximate cause of the plaintiff's damages; or

(3) the defendant acted or failed to act while under the influence of alcohol, drugs, other than lawfully prescribed drugs administered in accordance with a prescription, or any intentionally consumed glue, aerosol, or other toxic vapor to the degree that the defendant's judgment is substantially impaired.

(D) At the end of each calendar year, the State Budget and Control Board, Board of Economic Advisors must determine the increase or decrease in the ratio of the Consumer Price Index to the index as of December thirty-one of the previous year, and the maximum amount recoverable for punitive damages pursuant to subsection (A) must be increased or decreased accordingly. As soon as practicable after this adjustment is calculated, the Director of the State Budget and Control Board shall submit the revised maximum amount recoverable for punitive damages to the State Register for publication, pursuant to Section 1-23-40(2), and the revised maximum amount recoverable for punitive damages becomes effective upon publication in the State Register. For purposes of this subsection, 'Consumer Price Index' means the Consumer Price Index for All Urban Consumers as published by the United States Department of Labor, Bureau of Labor Statistics.

Section 15-32-540. The provisions of this article do not affect any right, privilege, or provision of the South Carolina Tort Claims Act pursuant to Chapter 78, Title 15 or the South Carolina Solicitation of Charitable Funds Act as contained in Chapter 56, Title 33.”

#### **Circuit solicitors authorized to employ outside counsel**

SECTION 3. Article 5, Chapter 7, Title 1 of the 1976 Code is amended by adding:

“Section 1-7-750. A circuit solicitor may employ outside counsel, in his discretion, without approval of the Attorney General, for civil forfeiture proceedings arising from criminal activity or from estreatment of bail bonds. In any other matter, the circuit solicitor must obtain written approval of the Attorney General prior to retaining counsel to or filing a civil cause of action.”

SECTION 4. Article 3, Chapter 77, Title 38 of the 1976 Code is amended by adding:

“Section 38-77-250. (A) Every insurer providing automobile insurance coverage in this State and which is or may be liable to pay all or a part of any claim shall provide, within thirty days of receiving a

written request from the claimant's attorney, a statement, under oath, of a corporate officer or the insurer's claims manager stating with regard to each known policy of nonfleet private passenger insurance issued by it, the name of the insurer, the name of each insured, and the limits of coverage. The insurer may provide a copy of the declaration page of each such policy in lieu of providing such information. The request shall set forth under oath the specific nature of the claim asserted and shall be mailed to the insurer by certified mail or statutory overnight delivery. The request also must state that the attorney is authorized to make such a request and must be accompanied by a copy of the incident report from which the claim is derived.

(B) If the request provided in subsection (A) contains information insufficient to allow compliance, the insurer upon whom the request was made may so state in writing, stating specifically what additional information is needed and such compliance shall constitute compliance with this section.

(C) The information provided to a claimant or his attorney as required by subsection (A) of this section shall not create a waiver of any defenses to coverage available to the insurer and shall not be admissible in evidence.

(D) The information provided to a claimant or his attorney as required by subsection (A) shall be amended upon the discovery of facts inconsistent with or in addition to the information provided.

(E) The provisions of this section do not require disclosure of limits for fleet policy limits, umbrella coverages, or excess coverages.

(F) The information received pursuant to this section is confidential and must not be disclosed to any outside party. Upon final disposition of the case, the claimant's attorney must destroy all information received pursuant to this section. The court must impose sanctions for a violation of this subsection."

**Limitations on actions based on unsafe or defective improvements to real property, evidence of fraud, negligence, gross negligence, or recklessness**

SECTION 5. Section 15-3-670 of the 1976 Code is amended to read:

"Section 15-3-670. (A) The limitation provided by Sections 15-3-640 through 15-3-660 may not be asserted as a defense by a person in actual possession or control, as owner, tenant, or otherwise, of the improvement at the time the defective or unsafe condition constitutes the proximate cause of the injury or death for which it is

proposed to bring an action, in the event the person in actual possession or control knows, or reasonably should have known, of the defective or unsafe condition. The limitations provided by Sections 15-3-640 through 15-3-660 are not available as a defense to a person guilty of fraud, gross negligence, or recklessness in providing components in furnishing materials, in developing real property, in performing or furnishing the design, plans, specifications, surveying, planning, supervision, testing or observation of construction, construction of, or land surveying, in connection with such an improvement, or to a person who conceals any such cause of action.

(B) For the purposes of subsection (A), the violation of a building code of a jurisdiction or political subdivision does not constitute per se fraud, gross negligence, or recklessness, but this type of violation may be admissible as evidence of fraud, negligence, gross negligence, or recklessness.

(C) The limitation provided by Section 15-3-640 may not be asserted as a defense to an action for personal injury, including a personal injury resulting in death, or property damage which is:

(1) by its nature not discoverable in the exercise of reasonable diligence at the time of its occurrence; and

(2) the result of ingestion of or exposure to some toxic or harmful or injury producing substance, element, or particle, including radiation, over a period of time as opposed to resulting from a sudden and fortuitous trauma.”

“(1) A notice of appeal from a judgment directing the payment of money does not stay the execution of the judgment unless the presiding judge before whom the judgment was obtained grants a stay of execution. If the presiding judge grants a stay of execution and requires a bond or other surety to guarantee the payment of the judgment pending the appeal, the amount of the bond or other surety may not exceed the amount of the judgment or:

(a) twenty-five million dollars, whichever is less, for a business entity that employs more than fifty persons and has gross revenues exceeding five million dollars for the previous tax year; or

(b) one million dollars, whichever is less, for all other entities or individuals.”

**THE AVAILABILITY OF FACILITIES FOR  
HOSPITALIZATION.**

Be it enacted by the General Assembly of the State of South Carolina:

**Emergency detention and commitment of tuberculosis patients,  
article revised**

SECTION 1. Article 3, Chapter 31, Title 44 of the 1976 Code is amended to read:

“Article 3

The Emergency Detention and Commitment of Tuberculosis Patients

Section 44-31-100. (A) The General Assembly finds that:

(1) Pulmonary tuberculosis is a life-threatening airborne disease. Tuberculosis has reemerged as an epidemic disease nationally. The number and types of cases in South Carolina each year, including drug-resistant tuberculosis, demonstrate that timely, effective public health intervention is necessary to prevent an epidemic and to protect the residents of this State.

(2) In order to limit the spread of tuberculosis, it is essential that persons with the disease are diagnosed and treated before they infect others. Diagnosis requires a variety of methodologies, including skin tests, x-rays, blood tests, and laboratory analysis of sputum samples.

(3) A person with tuberculosis who does not voluntarily submit to appropriate testing, treatment, or infection control methods poses an unreasonable risk of spreading the disease to those who come into contact with the person.

(4) Although the recommended course of treatment for tuberculosis varies somewhat from one individual to another, at a minimum, effective treatment requires a long-term regimen of multiple drug therapy. The development of the appropriate course of treatment for any one individual may require trying different combinations of drugs and repeated drug susceptibility testing. The course of treatment may require as long as several years to complete.

(5) A noninfectious person who begins a course of treatment for tuberculosis and fails to follow the recommended course through to completion is highly likely to become infectious. The person can infect others and possibly develop drug-resistant tuberculosis, which is more difficult to treat, and more likely to result in death. A person who is

infectious with multi-drug resistant tuberculosis poses a significant risk of transmitting drug-resistant tuberculosis to other persons, unless appropriate treatment and infection control methods are followed. It is therefore critical that individuals with tuberculosis, whether infectious or not, complete a course of treatment to avoid relapse, infectiousness, and drug resistance.

(B) The purposes of this article are to:

- (1) assure the timely diagnosis, treatment, and prevention of tuberculosis;
- (2) provide appropriate individualized preventive and curative treatment to the people of South Carolina in the least restrictive setting; and
- (3) protect the public from the spread of infectious tuberculosis.

Section 44-31-105. (A) If the Department of Health and Environmental Control determines that the public health or the health of any individual is endangered by a case of tuberculosis, or a suspected case of tuberculosis, the commissioner, or his or her designee, may issue an emergency order he or she considers necessary to protect the public health or the health of any person, and law enforcement shall aid and assist the department in accordance with Section 44-1-100.

(B) An emergency order issued pursuant to this section may include, but is not limited to:

- (1) authorizing the emergency removal to and detention in a hospital or other treatment facility for examination of a person who is unable or unwilling to voluntarily submit to an examination by a physician or by the department for the purpose of determining whether the person is infected with active tuberculosis and presents a danger to himself or others;
- (2) requiring compliance with an appropriate, prescribed course of medication for tuberculosis and contagion precautions;
- (3) requiring compliance with a course of directly observed therapy in which the prescribed antituberculosis medication is administered under direct observation as specified by the department;
- (4) authorizing the emergency removal to and isolation in a hospital or other treatment facility of a person who fails to comply with an emergency order issued by the department, fails to comply with a medically ordered treatment regimen, and presents a substantial risk and likelihood of exposure of active tuberculosis to other persons;

(5) requiring the emergency detention and isolation by a hospital of a hospital patient with active tuberculosis disease who is threatening or attempting to leave the hospital against medical advice.

(C) An emergency order issued pursuant to this section must include:

(1) an individualized assessment of the person's circumstances or behavior, or both, constituting the basis for the issuance of the order;

(2) the purposes of the isolation or detention;

(3) notice that the respondent has the right to request release from isolation and detention by contacting a person designated in the order; and

(4) in the absence of a court order, that the detention must not continue for more than thirty days.

(D) The probate court shall enforce the provisions of an emergency order issued pursuant to this section. If a person being isolated or detained pursuant to an emergency order requests release from isolation or detention, the department, within three working days of the request for release, shall file a petition in the probate court of the county in which the person is being held seeking continued isolation or detention. The probate court must schedule a hearing to review the request for continued isolation or detention within ten days of the filing of the petition.

Section 44-31-110. (A) When it is brought to the attention of a Department of Health and Environmental Control health officer that a person with active tuberculosis is unable or unwilling to conduct himself so as not to expose others to danger, the department shall issue an emergency order pursuant to Section 44-31-105 or file a petition in the probate court of the county in which the person resides or is situated seeking commitment of the person to a facility for isolation and treatment. In case of the absence of the health officer or the department's failure to act, any other interested person may petition the probate court for commitment of the person for isolation and treatment. A petition seeking commitment must be based on proper records and affidavits.

(B) The probate court may waive the requirement of notice to the person who is the subject of the emergency order or petition seeking commitment if the health officer demonstrates that the person is:

(1) hiding from the health department staff;

(2) evading attempts by health department staff or law enforcement to serve notice of the proceedings; or

(3) refusing to accept service of pleadings or motions.

Section 44-31-120. If the judge of probate, after notice and hearing, is satisfied that the petition is well founded, the judge may commit the person to a facility designated by the department, and the commitment continues until the department notifies the probate judge that the person is no longer a threat to the public's health.

Section 44-31-130. A person committed to a facility under the terms of this article has the right to appeal to a court having jurisdiction for review of the evidence under which the person was committed. The order of commitment must not be stayed pending appeal.

Section 44-31-140. If a person committed to a facility pursuant to this article leaves without permission or, in the opinion of the department, endangers the public, staff, or other patients, the department is empowered to isolate and forceably detain the person if necessary until such time as the person no longer poses a risk to others.

Section 44-31-150. A person committed under the provisions of this article who is detained solely for treatment or isolation in a facility designated by the department may not be committed to a local detention facility.

Section 44-31-160. If a person lawfully detained or committed pursuant to this article to a facility leaves the facility without permission of the attending physician, the department shall report this information to the judge of probate of the county from which the patient was committed, and the judge of probate shall call upon the sheriff of the county to return the patient to the facility or to a secure prison facility if necessary.

Section 44-31-170. A person must not be required to take compulsory treatment under the provisions of this article until two physicians licensed to practice in this State certify that the person sought to be confined for treatment has tuberculosis in a contagious state and constitutes a danger to the health of others unless the person is hospitalized and given treatment. An examination conducted pursuant to Section 44-31-105 of a person with suspected tuberculosis is not compulsory treatment.

Section 44-31-190. No provision of this article may be construed as interfering with the ordinary admission of tuberculosis patients to a

facility through channels that have customarily been followed in the past, and this article applies only to cases that have proved to be beyond ordinary, reasonable methods of control. This article does not apply to persons suffering from mental illness; these persons must be treated by the Department of Mental Health.

Section 44-31-200. The department may promulgate regulations to carry out the purposes and provisions of this chapter.”

Be it enacted by the General Assembly of the State of South Carolina:

**Financing agreements for energy efficiency and conservation improvements**

SECTION 1. Section 58-37-50(H) through (K) of the 1976 Code, as added by Act 141 of 2010, is amended to read:

“(H) An electricity provider or natural gas provider may enter into agreements for the installation of energy efficiency and conservation measures and the recovery of the costs, including financing costs, of the measures with respect to rental properties by filing a notice of meter conservation charge as provided in subsection (G) and by complying with the provisions of this subsection:

(1) The energy audit required by subsection (F) must be conducted and the results provided to both the landlord and the tenant living in the rental property at the time the agreement is entered.

(2) If both the landlord and tenant agree, the electricity provider or natural gas provider may recover the costs of the energy efficiency and conservation measures, including financing costs, through a meter conservation charge on the account associated with the rental property occupied by the tenant. The agreement must provide notice to the landlord of the provisions contained in item (3).

(3) With respect to a subsequent tenant occupying a rental unit benefiting from the installation of energy efficiency and conservation

measures, the electricity provider or natural gas provider may continue to recover the costs, including financing costs, of the measures through a meter conservation charge on the account associated with the rental property occupied by the tenant. With respect to a subsequent tenant, the landlord must give a written notice of meter conservation charge in the same manner as required by Section 27-40-240. If the landlord fails to give the subsequent tenant the required notice of meter conservation charge, the tenant may deduct from his rent, for no more than one-half of the term of the rental agreement, the amount of the meter conservation charge paid to the electricity provider or natural gas provider.

(I) Agreements entered pursuant to the provisions of this section are exempt from the provisions of the South Carolina Consumer Protection Code, Title 37 of the South Carolina Code of Laws.

(J) An electricity provider or natural gas provider may contract with third parties to perform functions permitted under this section, including the financing of the costs of energy efficiency and conservation measures. A third party must comply with all applicable provisions of this section. When an electricity or natural gas provider contracts with a third party to perform administrative or financing functions under this subsection, the liability of the third party is limited in the same manner as an electricity provider or natural gas provider is under subsection (E).

(K) The provisions of this section apply only to energy efficiency and conservation measures for a residence already occupied at the time the measures are taken. The procedures allowed by this section may not be used with respect to a new residence or a residence under construction. The provisions of this section may not be used to implement energy efficiency or conservation measures that result in the replacement of natural gas appliances or equipment with electric appliances or equipment, or that result in the replacement of electric appliances or equipment with natural gas appliances or equipment, unless (1) the customer who seeks to install the energy efficiency or conservation measure is being provided electric and natural gas service by the same provider, or (2) an electric appliance used for home heating is being replaced by an appliance that operates primarily on electricity but which has the capability of also operating on a secondary fuel source.”

Be it enacted by the General Assembly of the State of South Carolina:

**Commercial real property, property tax exemption**

SECTION 1. Article 25, Chapter 37, Title 12 of the 1976 Code is amended by adding:

“Section 12-37-3135. (A) As used in this section:

(1) ‘ATI fair market value’ means the fair market value of a parcel of real property and any improvements thereon as determined by appraisal at the time the parcel last underwent an assessable transfer of interest.

(2) ‘Current fair market value’ means the fair market value of a parcel of real property as reflected on the books of the property tax assessor for the current property tax year.

(3) ‘Exemption value’ means the ATI fair market value when reduced by the exemption allowed by this section.

(4) ‘Fair market value’ means the fair market value of a parcel of real property and any improvements thereon as determined by the property tax assessor by an initial appraisal, by an appraisal at the time the parcel undergoes an assessable transfer of interest, and as periodically reappraised pursuant to Section 12-43-217.

(5) ‘Property tax value’ means fair market value as it may be adjusted downward to reflect the limit imposed pursuant to Section 12-37-3140(B).

(B)(1) When a parcel of real property and any improvements thereon subject to the six percent assessment ratio provided pursuant to Section 12-43-220(e) and which is currently subject to property tax undergoes an assessable transfer of interest after 2010, there is allowed an exemption from property tax of an amount of the ATI fair market value of the parcel as determined in the manner provided in item (2) of this subsection. Calculation of property tax value for such parcels is

based on exemption value. The exemption allowed by this section applies at the time the ATI fair market value first applies.

(C) The exemption allowed in this section does not apply unless the owner of the property, or the owner's agent, notifies the county assessor that the property will be subject to the six percent assessment ratio provided pursuant to Section 12-43-220(e) before January thirty-first for the tax year for which the owner first claims eligibility for the exemption. No further notifications are necessary from the current owner while the property remains subject to the six percent assessment ratio."

#### **Cap on property tax millage increases revised**

SECTION 2. A. Section 6-1-320(A) of the 1976 Code, as last amended by Act 116 of 2007, is further amended to read:

“(A)(1) Notwithstanding Section 12-37-251(E), a local governing body may increase the millage rate imposed for general operating purposes above the rate imposed for such purposes for the preceding tax year only to the extent of the increase in the average of the twelve monthly consumer price indices for the most recent twelve-month period consisting of January through December of the preceding calendar year, plus, beginning in 2007, the percentage increase in the previous year in the population of the entity as determined by the Office of Research and Statistics of the State Budget and Control Board. If the average of the twelve monthly consumer price indices experiences a negative percentage, the average is deemed to be zero. If an entity experiences a reduction in population, the percentage change in population is deemed to be zero. However, in the year in which a reassessment program is implemented, the rollback millage, as calculated pursuant to Section 12-37-251(E), must be used in lieu of the previous year's millage rate.

(2) There may be added to the operating millage increase allowed pursuant to item (1) of this subsection any such increase,

allowed but not previously imposed, for the three property tax years preceding the year to which the current limit applies.”

B. Section 6-1-320 of the 1976 Code, as last amended by Act 410 of 2008, is further amended by adding at the end:

“(F) The restriction contained in this section does not affect millage imposed to pay bonded indebtedness or operating expenses of a special tax district established pursuant to Section 4-9-30(5), but the special tax district is subject to the millage rate limitations in Section 4-9-30(5).”

### **Rollback millage calculation revised, uniform millage imposed**

SECTION 3. A. Section 12-37-251(E) of the 1976 Code is amended to read:

“(E) Rollback millage is calculated by dividing the prior year property taxes levied as adjusted by abatements and additions by the adjusted total assessed value applicable in the year the values derived from a countywide equalization and reassessment program are implemented. This amount of assessed value must be adjusted by deducting assessments added for property or improvements not previously taxed, for new construction, for renovation of existing structures, and assessments attributable to increases in value due to an assessable transfer of interest.”

B. Section 12-37-251 of the 1976 Code, as last amended by Act 388 of 2006, is further amended by adding at the end:

“(G) If the boundaries of a municipality extend into more than one county and those counties implement the countywide appraisal and equalization programs required pursuant to Section 12-43-217 on different schedules, then the governing body of the municipality shall set an equivalent millage to be used to compute municipal ad valorem property taxes. The equivalent millage to be set by the municipal governing body must be determined by methodology established by the respective county auditors which must be consistent with the methodology for calculating equivalent millage to be established by the Department of Revenue for use in these situations for the purpose of equalizing the municipal property tax on real property situated in different counties.”

C. This section takes effect for rollback millage calculated for property tax years beginning after 2010.

**AN ACT TO AMEND SECTION 59-59-30, CODE OF LAWS OF SOUTH CAROLINA, 1976, RELATING TO THE IMPLEMENTATION OF THE EDUCATION AND ECONOMIC DEVELOPMENT ACT, SO AS TO EXTEND THE DATE BY WHICH THE ACT MUST BE IMPLEMENTED FULLY.**

Whereas, in 2005, the South Carolina General Assembly approved Act 88, the Education and Economic Development Act, now called Personal Pathways to Success; and

Whereas, the primary goals of Personal Pathways to Success are to increase high school completion rates, better prepare students for work and college, increase parental involvement, and increase options for students at risk of dropping out of school; and

Whereas, the act created the Education and Economic Development Coordinating Council (EEDCC) and charged this council to: advise the Department of Education on the implementation of the act; review accountability and performance measures for implementation of the act; designate and oversee the coordination and establishment of regional educational centers established pursuant to the act; report annually to the Governor, the General Assembly, the State Board of Education, and other appropriate governing boards on the progress,

results, and compliance with the provisions of the act; make recommendations to the Department of Education for the development and implementation of a communication and marketing plan to promote statewide awareness of the provisions of the act; and provide input to the State Board of Education and other appropriate governing boards for the promulgation of regulations to carry out the provisions of the act including, but not limited to, enforcement procedures, which may include monitoring and auditing functions, and addressing consequences for noncompliance; and

Whereas, pursuant to Section 59-59-30, the EEDCC shall cease to exist on July 1, 2011; and

Whereas, the members of the EEDCC have performed their duties in a spirit of collaboration that has fostered an increased understanding between schools of this State, institutions of higher learning, and the business communities, and all key components mandated in the act have been technically fulfilled; and

Whereas, the budget cuts of 2009 and 2010 have negatively impacted the ability of the EEDCC to implement all facets to the full extent envisioned, and looming 2011 budget cuts threaten to make that task even more difficult; and

Whereas, the challenge of sustaining and building upon the advances that have been made will be more readily met by extending the termination date of the EEDCC to ensure that statewide momentum is not lost. Now, therefore,

Be it enacted by the General Assembly of the State of South Carolina:

#### **EEDA implementation date extended**

SECTION 1. Section 59-59-30 of the 1976 Code, as added by Act 88 of 2005, is amended to read:

“Section 59-59-30. This chapter must be implemented fully by July 1, 2012, at which time the council created pursuant to Section 59-59-170 shall cease to exist. (R81, S588)

AN ACT TO AMEND THE CODE OF LAWS OF SOUTH CAROLINA, 1976, BY ENACTING THE "STROKE SYSTEM OF CARE ACT OF 2011" BY ADDING ARTICLE 6 TO CHAPTER 61, TITLE 44 SO AS TO ESTABLISH A STATEWIDE SYSTEM OF STROKE CARE; TO REQUIRE THE DEPARTMENT OF HEALTH AND ENVIRONMENTAL CONTROL TO RECOGNIZE HOSPITALS THAT ARE CERTIFIED TO BE PRIMARY STROKE CENTERS AND TO AUTHORIZE RECOGNITION OF ACUTE STROKE CAPABLE CENTERS; TO ESTABLISH A STROKE SYSTEM OF CARE ADVISORY COUNCIL AND TO PROVIDE FOR ITS MEMBERS, POWERS, AND DUTIES; TO REQUIRE THE DEPARTMENT TO DISTRIBUTE TO EMERGENCY MEDICAL SERVICES PROVIDERS A LIST OF PRIMARY STROKE CENTERS, STROKE ENABLED CENTERS THROUGH TELEMEDICINE, AND OTHER CERTIFIED PROGRAMS, AS THEY COME AVAILABLE, AND TO POST THIS LIST ON THE DEPARTMENT'S WEBSITE; TO REQUIRE THE DEPARTMENT TO ADOPT AND DISTRIBUTE A NATIONALLY STANDARDIZED STROKE-TRIAGE ASSESSMENT TOOL TO EMERGENCY MEDICAL SERVICES PROVIDERS AND TO POST THIS LIST ON THE DEPARTMENT'S WEBSITE; TO REQUIRE THE DEPARTMENT TO FACILITATE DATA COLLECTION AND ANALYSIS FOR THE IMPROVEMENT OF STROKE CARE IN THIS STATE, INCLUDING ESTABLISHING A STROKE REGISTRY TASK FORCE AS A SUBCOMMITTEE OF THE ADVISORY COUNCIL; TO PROVIDE THAT THIS ARTICLE MAY NOT BE USED TO RESTRICT A HOSPITAL'S AUTHORITY TO PROVIDE SERVICES; AND TO PROVIDE THAT THE DEPARTMENT'S RESPONSIBILITIES PURSUANT TO THIS ARTICLE ARE CONTINGENT UPON ADEQUATE FUNDING.

Be it enacted by the General Assembly of the State of South Carolina:

**Stroke System of Care Act of 2011**

SECTION 1. Chapter 61, Title 44 of the 1976 Code is amended by adding:

## “Article 6

## Stroke System of Care

Section 44-61-610. This article may be cited as the ‘Stroke System of Care Act of 2011’ and is based on recommendations of the Stroke System of Care Study Committee provided for in Act 121 of 2009.

Section 44-61-620. The General Assembly finds that:

(1) An effective system to support optimal stroke care is needed in our communities in order to treat stroke patients in a timely manner, improve the overall treatment of stroke patients, increase survival, and decrease the disabilities associated with stroke.

(2) There is a public health need for acute care hospitals in this State to become primary stroke centers to ensure the rapid triage, diagnostic evaluation, and treatment of patients suffering a stroke. There is also a need for a pre-hospital emergency transport system that identifies and transports potential stroke patients as quickly as possible to the most appropriate facility for stroke treatment.

(3) Primary stroke centers for the treatment of acute stroke should be established in as many acute care hospitals as possible. In addition, hospitals that do not have primary stroke center certification but use telemedicine or other means to facilitate acute or early stroke treatment should be integrated, along with primary stroke centers, within a system of care to evaluate, stabilize, and provide emergency and inpatient care to patients with acute stroke.

(4) It is in the best interest of the residents of South Carolina to establish a program to facilitate identification and development of stroke treatment capabilities throughout the State. This program will provide a system of stroke care that will include specific patient care and support services criteria that will ensure stroke patients receive safe and effective care in stroke care centers statewide.

(5) It is also in the best interest of the people of South Carolina to modify the state’s emergency medical response system to ensure that potential stroke patients are quickly identified and transported to and treated in facilities that have the capability for providing timely and effective treatment for stroke patients.

Section 44-61-630. As used in this article:

(1) 'Department' means the South Carolina Department of Health and Environmental Control.

(2) 'Director' means the Director of the South Carolina Department of Health and Environmental Control.

(3) 'Joint Commission' means the Joint Commission, formerly known as the Joint Commission on Accreditation of Healthcare Organizations, a not-for-profit organization that accredits hospitals and other health care organizations.

Section 44-61-640. (A) The director shall identify hospitals that meet the criteria set forth in this article as primary stroke centers and stroke enabled centers through telemedicine.

(B) The department shall establish a process to recognize as 'primary stroke centers' as many accredited acute care hospitals as apply and are certified as primary stroke centers by the Joint Commission or another nationally recognized organization that provides disease-specific certification or accreditation for stroke care, provided that each applicant continues to maintain this certification or accreditation and notifies the department in a timely manner of initial and subsequent certification or accreditation.

(C) As nationally recognized, disease-specific certification or accreditation programs become available at more comprehensive and less comprehensive levels, including, but not limited to, a designation for 'acute stroke capable centers', the department may adopt and recognize those hospitals that have achieved the certification or accreditation.

(D) A hospital that no longer meets nationally recognized, evidenced-based standards for primary stroke centers, or other programs as they become recognized by the department, shall notify the department and the Stroke System of Care Advisory Council within thirty days.

Section 44-61-650. (A) There is established a Stroke System of Care Advisory Council to be appointed by the director of the department. Representation on the council must be as geographically diverse as possible and composed of, but not limited to, knowledgeable and experienced individuals from the following areas:

(1) a hospital administrator, or designee, from a primary stroke center, upon the recommendation of the South Carolina Hospital Association;

(2) a hospital administrator, or designee, from a hospital with a stroke telemedicine program that is not a primary stroke center upon the recommendation of the South Carolina Hospital Association;

(3) a hospital administrator, or designee, from a hospital capable of providing emergent stroke care as levels of nationally recognized, disease-specific certification or accreditation programs become available, upon the recommendation of the South Carolina Hospital Association;

(4) a licensed neurologist from a primary stroke center, upon the recommendation of the South Carolina Medical Association;

(5) a licensed emergency department physician who also serves as an emergency medical services medical director from a hospital capable of providing emergent stroke care, upon the recommendation of the South Carolina Chapter of the College of Emergency Physicians;

(6) a licensed emergency medical services agency representative, upon the recommendation of the South Carolina Emergency Medical Services Advisory Council of the Department of Health and Environmental Control;

(7) a licensed emergency medical services agency representative, upon the recommendation of the South Carolina Emergency Medical Services Association;

(8) a licensed air ambulance representative, upon the recommendation of the South Carolina Association of Air Medical Services;

(9) a representative from a rehabilitation facility that provides comprehensive inpatient post-acute stroke services, upon the recommendation of the South Carolina Hospital Association;

(10) an acute stroke patient advocate; and

(11) a representative from the American Stroke Association.

(B) Members shall serve terms of three years and may be reappointed. Vacancies must be filled in the manner of the original appointment for the unexpired portion of the term. The director shall appoint the chairman of the council from the membership of the council, and council members may select a vice chairman from their membership. The council shall meet at least twice a year or at the call of the chairman.

(C) The Stroke Advisory Council is responsible for advising the department on the development and implementation of a statewide system of stroke care in accordance with this article.

(D) Members of the council shall serve without compensation, mileage, per diem, or subsistence.

(E) The director shall provide a formal progress report of the status of this statewide system of stroke care to the General Assembly no later than January 15, 2014.

Section 44-61-660. (A)(1) The department, before June first of each year, shall distribute the list of primary stroke centers, stroke enabled centers through telemedicine, and other centers that meet the criteria for disease-specific certification or accreditation programs as they become available to each licensed emergency medical services provider in this State. This list must be posted on the department website and be continuously updated.

(2) For the purposes of this article, the department may include on its distribution list pursuant to subsection (A)(1) primary stroke centers in North Carolina and Georgia that are certified by the Joint Commission, or are otherwise designated by those states' departments of public health as meeting the criteria for primary stroke centers.

(B) The department, in consultation with the Stroke System of Care Advisory Council, shall adopt and distribute a nationally recognized, standardized stroke-triage assessment tool. The department must post the stroke-triage assessment tool on its website and provide a copy, which may be an electronic copy, of the stroke-triage assessment tool to each licensed emergency medical services provider before January 31, 2012. Each licensed emergency medical services provider must establish a stroke assessment and triage system that incorporates the department approved stroke-triage assessment tool.

(C) The department, through the Division of Heart Disease and Stroke Prevention and the Division of Emergency Medical Services, shall develop and implement the statewide system of stroke care in accordance with this article and shall give consideration to recommendations submitted by the Stroke Advisory Council.

(D) Each licensed emergency medical services provider must comply with all sections of this article before June 1, 2012.

Section 44-61-670. (A) The department, in consultation with the Stroke System of Care Advisory Council, shall:

- (1) provide assistance for sharing information and data among health care providers on ways to improve the quality of care;
- (2) facilitate the communication and analysis of health information and data among health care professionals providing care for individuals with stroke;
- (3) collect data regarding the transition of care to community-based follow-up care in hospital outpatient, physician

office, and ambulatory clinic settings for ongoing care after hospital discharge following acute treatment for a stroke;

(4) set expectations for hospitals and emergency medical services agencies to report data on the treatment of individuals with suspected stroke within the statewide system of stroke care; and

(5) establish a Stroke Registry Task Force, as a subcommittee of the Stroke System of Care Advisory Council, which shall maintain a statewide stroke registry database that compiles information and statistics on stroke care that align with the stroke consensus metrics developed and approved by the American Heart Association, American Stroke Association, Centers for Disease Control and Prevention, and the Joint Commission. The department shall utilize the stroke registry data platform of 'Get With The Guidelines-Stroke' or another nationally recognized data set platform with confidentiality standards no less secure. To every extent possible, the department shall coordinate with national voluntary health organizations involved in stroke quality improvement to avoid duplication and redundancy.

(6) The Stroke Registry Task Force shall:

(a) analyze data generated by the statewide stroke registry database on stroke care;

(b) identify potential interventions to improve stroke care in geographic areas or regions of the State; and

(c) provide recommendations to the department and the General Assembly for the improvement of stroke care in the State.

(B) Except to the extent necessary to address continuity of care issues, health care information must not be provided in a format that contains individually identifiable information about a patient. The sharing of health care information containing individually identifiable information about patients must be limited to that information necessary to address continuity of care issues, and otherwise must be in accordance with, and subject to, the confidentiality provisions required by applicable state and federal law, including, but not limited to, the federal Health Insurance Portability and Accountability Act and regulations pursuant to that act.

Section 44-61-680. This article is not a medical practice guideline and may not be used to restrict the authority of a hospital to provide services for which it has received a license under state law. The General Assembly intends that all patients be treated individually, based on each patient's needs and circumstances.

Section 44-61-690. (A) The department has the authority to promulgate regulations to carry out the purposes of this article.

(B) All of the department's duties pursuant to this article are contingent upon adequate funding to cover the department's operating and administrative costs and upon the promulgation of regulations. If adequate funding does not exist, the department is not obligated to carry out any duties pursuant to this article. The department is not obligated to carry out any duties pursuant to this article until the applicable regulations have been promulgated."

**Definitions**

SECTION 1. Section 41-31-5(1) of the 1976 Code, as added by Act 234 of 2010, is amended to read:

“(1) ‘Benefit ratio’ means:

(a) for the period of January 1, 2011, through December 31, 2013, the number calculated by dividing the sum of all benefits charged to an employer during the forty calendar quarters immediately preceding the calculation date by the sum of the employer’s taxable payroll for the same period. If fewer than forty but more than one calendar quarter of data are available, the data from those available calendar quarters shall be used in the calculation. The benefit ratio must be calculated annually using data for quarters filed through June thirtieth of the current year to the sixth decimal place;

(b) from January 1, 2014, the number calculated by dividing the sum of all benefits charged to an employer during the twelve calendar quarters immediately preceding the calculation date by the sum of the employer’s taxable payroll for the same period. If fewer than twelve but more than one calendar quarters of data are available, the data from those available calendar quarters shall be used in the calculation. The benefit ratio must be calculated annually using data for quarters filed through June thirtieth of the current year to the sixth decimal place.”

**Experience for rate assignment**

SECTION 2. Section 41-31-20(A) of the 1976 Code, as last amended by Act 234 of 2010, is further amended to read:

“(A) The department shall maintain a separate account for each employer and shall accurately record the data used to determine an employer’s experience for the purpose of rate assignments. Nothing in Chapters 27 through 41 of this title shall be construed to grant any

employer or individual in his service prior claims or rights to the amounts paid by him into the fund either on his behalf or on behalf of such individuals. Benefits paid to an eligible individual shall be charged, in the amounts provided in Chapters 27 through 41 of this title, against the accounts of his most recent employer. No employer shall be deemed as the most recent employer for the purpose of this section unless the eligible person to whom benefits are paid earned wages in the employ of the employer equal to at least eight times the weekly benefit amount of the eligible claimant.”

### **Rate Class**

SECTION 3. Section 41-31-40 of the 1976 Code, as last amended by Act 234 of 2010, is further amended to read:

“Section 41-31-40. Each employer’s base rate for the twelve months commencing January first of any calendar year is determined in accordance with Section 41-31-50 on the basis of his record up through June thirtieth of the preceding calendar year, but no employer’s base rate is less than the rate applicable for rate class twelve until there have been twelve consecutive months of coverage after first becoming liable for contributions under Chapters 27 through 41 of this title. Each employer who completes twelve consecutive calendar months of coverage after first becoming liable for contributions during the current calendar year shall have a base rate computed on the basis of his record up through the next occurring June thirtieth, with that base rate being effective for the next calendar year beginning in January.”

### **Tax rate; voluntary payment**

SECTION 4. Section 41-31-50 of the 1976 Code, as last amended by Act 234 of 2010, is further amended to read:

“Section 41-31-50. Each employer eligible for a rate computation shall have his tax rate determined in the following manner:

(1)(a)(i) Annually the department must calculate a contribution rate for each employer qualified for an experience rating. The contribution rate must correspond to the rate calculated for the employer’s benefit ratio class.

(ii) To determine an employer’s benefit ratio rank, the department must list all employers by increasing benefit ratios, from the lowest benefit ratio to the highest benefit ratio. The list must be

divided into classes ranked one through twenty. Each class must contain approximately five percent of the total taxable wages, excluding employers with less than twelve months of accomplished liability, employers with outstanding tax liens, delinquent tax class employers, and employers who reimburse the department in lieu of contributions, paid in covered employment during the four completed calendar quarters immediately preceding the computation date. Each employer must be placed in the class that corresponds with the employer's benefit ratio.

(iii) If an employer's taxable wages qualify the employer for two separate classes, the employer shall be afforded the class assigned the lower contribution rate. Employers with identical benefit ratios shall be assigned to the same class.

(b) The income needed to pay benefits for the calendar year plus any applicable income needed to reach the solvency target must be divided by the estimated taxable wages for the calendar year. The result rounded to the next higher one-hundredth of one percent is the average required rate needed to pay benefits and achieve solvency targets.

(c) The rate for class twenty will be set such that the entire schedule raises the income required to pay benefits for the year, as well as the income necessary to move the trust fund toward the solvency target, subject to the structure provided in this chapter. However, the rate for class twenty must be at least five and four-tenths percent.

(2)(a) If the calculated rate necessary for benefit rate class twenty exceeds five and four-tenths percent, then the rate for each preceding benefit rate class shall be equal to ninety percent of the rate calculated for the succeeding class, except that rate class twelve shall be set at one-fourth the rate calculated for class twenty, provided that the rate for class one shall be zero.

(b)(i) If the computed rate necessary for class twenty is less than five and four-tenths percent, then the rate for class twenty shall be set at five and four-tenths percent.

(ii) The rate for rate class twelve shall be calculated by multiplying the average tax rate computed in item (1)(b) by twenty, subtracting five and four-tenths percent, and dividing by nineteen.

(iii) The contribution rate for rate classes eleven through one shall be equal to ninety percent of the rate for the succeeding class, provided that the rate for class one shall be zero.

(iv) The contribution rate for class thirteen shall be equal to one hundred twenty percent of the rate calculated for rate class twelve.

(v) The contribution rate for rate class nineteen shall be set at an amount that allows for average contributions, beginning with class

eighteen and ending with class fourteen, that are equal to ninety percent of the preceding class.

(3) For calendar year 2011 and any subsequent calendar year, voluntary payments are not permitted for the purpose of obtaining a lower rate of required contributions.”

### **Rates for delinquent reports**

SECTION 5. Section 41-31-60 of the 1976 Code, as last amended by Act 234 of 2010, is further amended to read:

“Section 41-31-60. (A) If on the computation date upon which an employer’s tax rate is to be computed as provided in Section 41-31-40 there is a delinquent report, the tax class twenty rate must be assigned to the employer for the period to which the computation applies.

(B) No employer is permitted to pay his unemployment compensation tax at a reduced tax rate class for any quarter when a tax execution issued in accordance with Section 41-31-390 with respect to delinquent unemployment compensation tax for a previous quarter is unpaid and outstanding against the employer. If on the computation date upon which an employer’s tax rate is computed as provided in Section 41-31-40 there is an outstanding tax execution, the tax class twenty rate must be assigned to the employer until the next computation date or until such time as all outstanding tax executions have been paid.”

### **Benefit ratio for continued account**

SECTION 6. Section 41-31-70 of the 1976 Code, as last amended by Act 234 of 2010, is further amended to read:

“Section 41-31-70. If the department finds that an employer ceased to render employment solely due to the closing of the business because of the entrance of one or more of the owners, officers, partners, or the majority stockholders into the Armed Forces of the United States, or any of its allies, or of the United Nations after January 1, 1951, such employer’s account shall not be terminated; and, if the business is resumed and employment rendered within two years after the discharge or release from active duty in the armed forces of the person or persons, the employer’s experience shall be deemed to have been continuous throughout that period. The benefit ratio of the employer shall be the amount calculated pursuant to Section 41-31-5, including

benefits paid to any individual during the period the employer was in the armed forces. This provision shall not be construed to authorize cash refunds and any adjustments required hereunder only shall be by credit certificate.”

### **Experience rating of predecessor**

SECTION 7. Section 41-31-125(C) of the 1976 Code, as last amended by Act 234 of 2010, is further amended to read:

“(C) If the experience rating account of the predecessor is equal to or exceeds tax class thirteen, the experience rating account of the predecessor employer in any event must be transferred to the successor employer in accordance with the provisions of Section 41-31-140.”

### **Transfer of experience rating account**

SECTION 8. Section 41-31-140 of the 1976 Code, as last amended by Act 234 of 2010, is further amended to read:

“Section 41-31-140. (A) For the purposes of this section and for tax years 2010 and prior, ‘debit balance’ means the excess of total benefits charged over total contributions made.

No pursuit shall be considered seasonal until the department makes a determination that the pursuit is seasonal.

However, any successor to a seasonal pursuit shall be deemed seasonal unless the successor requests cancellation of the seasonal pursuit status within one hundred twenty days after the acquisition. This provision shall not be applicable to pending cases nor retroactive in effect.

(2) Upon application by a pursuit for seasonal pursuit status, the department shall determine or redetermine whether the pursuit is seasonal and, if seasonal, the pursuit's active period. The department may, on its own motion, redetermine a seasonal pursuit's active period. An application for a seasonal determination must be made on forms prescribed by the department and must be made at least thirty days prior to the beginning date of the period of production operations for which a determination is requested.

(6)(a) A seasonal worker is eligible to receive benefits based on seasonal wages only for a week of unemployment which occurs, or the greater part of which occurs, within the active period of the seasonal pursuit in which he earned base period wages.

(b) A seasonal worker is eligible to receive benefits based on nonseasonal wages for any week of unemployment which occurs during any active period of the seasonal pursuit in which he has earned base period wages; provided he has exhausted benefits based on seasonal wages. The worker is also eligible to receive benefits based on nonseasonal wages for any week of unemployment which occurs during the inactive period or periods of the seasonal pursuit in which he earned base period wages irrespective as to whether he has exhausted benefits based on seasonal wages.

(c) The maximum amount of benefits which a seasonal worker is eligible to receive, based on seasonal wages, shall be an amount, adjusted to the nearest multiple of one dollar, determined by multiplying the maximum benefits payable in his benefit year, as provided in Section 41-35-50, by the percentage obtained by dividing the seasonal wages in his base period by all of his base period wages.

(8) The benefits payable to any otherwise eligible individual shall be calculated in accordance with this section for any benefit year which is established on or after the beginning date of a seasonal determination applying to a pursuit by which such individual was employed during the base period applicable to such benefit year, as if such determination had been effective in such base period.

(9) Nothing in this section shall be construed to limit the right of any individual whose claim for benefits is determined in accordance herewith to appeal from such determination as provided in Section 41-35-660.

(2) one-third of his wages for insured work paid during his base period.

If the resulting amount is not a multiple of one dollar, the amount must be reduced to the next lower multiple of one dollar, except that no insured worker may receive benefits in a benefit year unless, subsequent to the beginning of the next preceding benefit year during which he received benefits, he performed 'insured work' as defined in Section 41-27-300 and earned wages in the employ of a single employer in an amount equal to not less than eight times the weekly benefit amount established for the individual in the preceding benefit year."

Section 46-26-90. (A) The commission or its duly authorized representative may issue and enforce a written or printed stop sale, use or removal order to the owner or custodian of any lot of agricultural liming materials, or landplaster, or both, and to hold at a designated place when the commission finds agricultural liming material, or landplaster, or both, is being offered or exposed for sale in violation of any of the provisions of this chapter until the law has been complied with and such agricultural liming material, or landplaster, or both, is released in writing by the commission, or the violation has been otherwise legally disposed of by written authority.

(B) The commission or its duly authorized representative shall release the agricultural liming material, or landplaster, or both, which has been subjected to an order under subsection (A) when the requirements of this chapter have been complied with.

(C) The provisions of this section must not be construed as limiting the right of the enforcement officer to proceed as authorized by other provisions of this chapter.

Section 46-26-100. (A) A person or dealer violating the provisions of this chapter is guilty of a misdemeanor and, upon conviction, must be fined not more than one hundred dollars or be imprisoned for not more than thirty days.

(B) In addition to the penalties provided in subsection (A), the commission may assess additional fines when a shipment of agricultural liming materials, or landplaster, or both, fails to meet the guarantee for chemical, neutralizing value and screen size.

Assessments levied by the commission must be paid within thirty days from date of notice to manufacturer, dealer, or agent. Failure to pay penalties after notice may result in revocation of the registrant's products. All penalties must be paid by the registrant to the purchasers through the division by check or credit memorandum in case of indebtedness of the purchaser to the seller.

If the purchasers cannot be found, or if the amount due any one purchaser from the lot of agricultural liming material, or landplaster, or both, on which an assessment has been levied is less than one dollar,

the amount of penalty assessed must be paid to the State Treasurer but remitted to the commission or its duly authorized representative, the proceeds to be credited to the account, the South Carolina Fertilizer Fund.

Section 46-26-110. The commission may seize any commercial liming material, or landplaster, or both, belonging to such manufacturer, dealer, or agent if the assessment is not paid within three months after a notice to a manufacturer, dealer, or agent has been given by the commission.

Section 46-26-120. If any agricultural liming material, or landplaster, or both, in the possession of the consumer is found by the commission to be short in weight, the registrant of the agricultural liming material, or landplaster, or both, within thirty days after official notice from the commission or its duly authorized representative, shall pay to the consumer a penalty equal to four times the value of the actual shortage. Underweight agricultural liming materials stored or offered for sale, other than in the possession of the consumer, is considered misbranded.

Section 46-26-130. A distributor or common carrier who sells, offers for sale, or transports in this State any agricultural liming materials, or landplaster, or both, without being properly branded or having attached to its labels and tags as required by law, or any distributor who receives any agricultural liming material, or landplaster, or both, may be required to forfeit to the State a sum not to exceed the selling price of each separate package sold, offered for sale, or received, to be recovered by suit brought in the name of the State in any court of competent jurisdiction. These forfeitures, when collected must be paid to the State Treasurer who shall hold them subject to the order of the commission. However, the penalty defined in this section shall apply also to any misbranded agricultural liming material, or landplaster, or both. An agricultural liming material, or landplaster, or both, is considered to be misbranded if it carries a false or misleading statement upon or attached to the package.

Section 46-26-140. Where it shall appear to the commission that any registrant has been persistently fraudulent in his dealings, the commission may revoke registration or refuse to register such registrant.

Section 46-26-150. (A) No agricultural liming material, landplaster, or both, shall be sold or offered for sale in South Carolina unless it complies with provisions of this chapter.

(B) No agricultural liming material, or landplaster, or both, shall be sold or offered for sale in South Carolina which contains toxic materials in quantities injurious to plants or animals.

Section 46-26-160. The commission may establish rules and regulations in regard to the inspection, analysis, distribution, and sale of agricultural liming material, landplaster, or both, that are not inconsistent with the provisions of this chapter and as in its judgment will best carry out its requirements.

Section 46-26-170. Notwithstanding the provisions of this chapter, registrants shall be allowed not more than one year from such date to use existing inventories of labeled materials.”

(B) The Governor, or her designee, shall serve as chairman of the commission.

(C) Designees serving on the commission must have substantial academic or professional experience or specialization in one or more areas of law enforcement, public safety, or civil or criminal justice. Designees serving on the commission must have been a resident of South Carolina since January 1, 2001.

(D) The commission must meet as soon as practicable after appointment to organize itself and elect officers that it considers necessary. Thereafter, the commission must meet as necessary to exercise the powers and fulfill the duties required by this section at the call of the chairman or by a majority of the members. A quorum consists of six members.

(E) The duties of the commission shall be to:

(1) conduct a comprehensive study concerning the use of traffic enforcement camera systems to detect violations of and enforce the state's uniform traffic laws, including, but not limited to, violating speed limits and the failure to obey traffic control signals and stop signs;

(2) develop criteria for assessing the use of traffic enforcement camera systems to detect violations of and enforce the state's uniform traffic laws, including, but not limited to, violating speed limits and the failure to obey traffic control signals and stop signs;

(3) issue a report of its findings concerning utilizing traffic enforcement camera systems to detect violations of and enforce the state's uniform traffic laws. The report must consider and address at least the following issues:

(a) the positives and negatives of a private company's involvement in enforcing traffic laws;

(b) assuming private companies are authorized to participate in enforcing traffic laws, the appropriate distribution of authority between law enforcement and a private company;

(c) whether there is a conflict of interest when a private company is paid a commission based on the number of traffic tickets issued through the use of its traffic enforcement camera systems and, if so, how the conflict of interest may be resolved;

(d) the public policy implications, if any, of a private company reimbursing a state or local government for the use of their law enforcement personnel in connection with the operation of the company's traffic enforcement camera system;

(e) assuming that traffic enforcement camera systems are used to enforce uniform traffic laws, whether a statewide agency such as the Department of Public Safety should be solely authorized to operate the system, whether a statewide agency should operate the system in

conjunction with local law enforcement authorities, or whether local law enforcement authorities be solely authorized to operate systems within their jurisdiction;

(f) the accuracy of current traffic enforcement camera systems, specifically whether vehicles violating the speed limit or failing to obey traffic control signals or stop signs, other than the vehicle photographed, trigger the photograph being taken and, if so, whether the technology can be improved to prevent that from occurring;

(g) whether it is important to have a law enforcement officer actually view the vehicle violating a speed limit in order to confirm, with his visual estimation of speed, what the radar indicates, whether an officer viewing a picture being taken of the vehicle is sufficient confirmation, or whether officer confirmation is necessary;

(h) whether traffic enforcement camera systems present a possible visual disturbance for the driver resulting from a flash when the system takes a picture;

(i) whether the use of traffic enforcement camera systems diminish the dangers to and increase the safety of law enforcement personnel;

(j) whether the use of traffic enforcement camera systems decrease the number of speed limit violations and, thereby, increase public safety;

(k) whether the use of traffic enforcement camera systems in connection with law enforcement raise any personal privacy issues;

(l) identify the criminal laws, if any, that should not be enforced by cameras;

(m) whether the information contained in photographs taken by traffic enforcement camera systems should be limited to the enforcement of traffic laws, or whether the information, including, but not limited to, license plate numbers, should also be generally available for use by law enforcement for official law enforcement purposes;

(n) whether there is a difference between using a traffic enforcement camera system to enforce traffic laws related to speed limits and traffic laws requiring obedience to traffic control signals and stop signs;

(o) assuming that traffic enforcement camera systems are used to enforce uniform traffic laws, whether they should be used on all public roads, only on certain roads, or only in certain areas, including, but not limited to, school zones, temporary work zones, and construction zones;

(p) assuming that traffic enforcement camera systems are used to enforce uniform traffic laws, whether there is a way to ensure that traffic enforcement camera systems are being used to improve road safety, and assuming that their use improves road safety, rather than maximizing government revenues resulting from violations of uniform traffic laws;

(q) the constitutionality of utilizing traffic enforcement camera systems to enforce uniform traffic laws and mailing citations to alleged violators, and, if unconstitutional, the manner in which a system may be constitutionally operated;

(r) the public policy implications, if any, raised by citations for uniform traffic law violations being mailed to the alleged violator after the event as opposed to being personally delivered contemporaneous with, or within one hour of, the alleged violation;

(s) whether the state's criminal justice system currently has a sufficient number of judges and magistrates to handle the increased number of citations that would result from statewide use of traffic enforcement camera systems; and

(t) assuming that traffic enforcement camera systems are used to enforce uniform traffic laws, the manner in which the revenue raised should be allocated and the purposes for which it should be used;

(4) make recommendations, if any, for changes to existing law concerning the use of traffic enforcement camera systems to detect and enforce the state's uniform traffic laws, including, but not limited to, violating speed limits and the failure to obey traffic control signals and stop signs. Rather than making recommendations for changes to existing law, the commission also may recommend that no changes are necessary to the existing law that prohibits the use of traffic enforcement cameras to detect traffic regulation violations. Recommendations made pursuant to this item must be contained in the report issued pursuant to item (3).

(F) On or before November 1, 2011, the commission must conclude its business and report its findings to the General Assembly, at which time the commission is dissolved. The General Assembly may extend the dates by which the commission shall submit reports required by this act.

(G) The members of the commission shall serve without compensation and are ineligible for the usual mileage, subsistence, and per diem allowed by law for members of state boards, committees, and commissions.

The department shall charge a nonrefundable filing fee of thirty-five dollars for processing each event on the application. The temporary license application must include a statement by the applicant as to the nature and date of the special function at which the alcoholic liquors are to be sold. The department in its discretion may specify the terms and conditions of the license, pursuant to existing statutes and regulations governing these applications.

“(E)(1) Notwithstanding any other provision of law, a resident of a political subdivision in this State may bring a civil action in the circuit court in which the resident and political subdivision are located to enjoin:

(a) an enactment by the political subdivision of any ordinance or policy that intentionally limits or prohibits a law enforcement officer, local official, or local government employee from seeking to enforce a state law with regard to immigration;

(b) an enactment by the political subdivision of any ordinance or policy that intentionally limits or prohibits a law enforcement officer, local official, or local government employee from communicating to appropriate federal or state officials regarding the immigration status of a person within this State; or

(c) an enactment by the political subdivision of any ordinance, policy, regulation, or other legislation pertaining to the employment, licensing, permitting, or otherwise doing business with a person based upon that person’s authorization to work in the United States, which intentionally exceeds or conflicts with federal law or that intentionally conflicts with state law.

(2) A person who is not a resident of the political subdivision may not bring an action against the political subdivision pursuant to this subsection. The action must be brought against the political subdivision and not against an employee of the political subdivision acting in the employee’s individual capacity.

(3) If the court finds that the political subdivision has intentionally violated this section, the court shall enjoin the enactment, action, policy, or practice, and may enter a judgment against the political subdivision of not less than one thousand dollars nor more than five thousand dollars for each day that the enactment, action, policy, or practice remains or remained in effect. The proceeds from any such judgment must be used to reimburse the resident’s reasonable attorney’s fees. Any remaining proceeds must be used to cover the administrative costs of implementing, investigating, and enforcing the provisions of Chapter 8, Title 41.”

"Section 17-13-170. (A) If a law enforcement officer of this State or a political subdivision of this State lawfully stops, detains, investigates, or arrests a person for a criminal offense, and during the commission of the stop, detention, investigation, or arrest the officer has reasonable suspicion to believe that the person is unlawfully

present in the United States, the officer shall make a reasonable effort, when practicable, to determine whether the person is lawfully present in the United States, unless the determination would hinder or obstruct an investigation.

(B)(1) If the person provides the officer with a valid form of any of the following picture identifications, the person is presumed to be lawfully present in the United States:

(a) a driver's license or picture identification issued by the South Carolina Department of Motor Vehicles;

(b) a driver's license or picture identification issued by another state;

(c) a picture identification issued by the United States, including a passport or military identification; or

(d) a tribal picture identification.

(2) It is unlawful for a person to display, cause or permit to be displayed, or have in the person's possession a false, fictitious, fraudulent, or counterfeit picture identification for the purpose of offering proof of the person's lawful presence in the United States. A person who violates the provisions of this item:

(a) for a first offense, is guilty of a misdemeanor, and, upon conviction, must be fined not more than one hundred dollars or imprisoned not more than thirty days; and

(b) for a second offense or subsequent offenses, is guilty of a felony, and, upon conviction, must be fined not more than five hundred dollars or imprisoned not more than five years.

(3) If the person cannot provide the law enforcement officer with any of the forms of picture identification listed in this subsection, the person may still be presumed to be lawfully present in the United States, if the officer is able to otherwise verify that the person has been issued any of those forms of picture identification.

(4) If the person is operating a motor vehicle on a public highway of this State without a driver's license in violation of Section 56-1-20, the person may be arrested pursuant to Section 56-1-440.

(5) If the person meets the presumption established pursuant to this subsection, the officer may not further stop, detain, investigate, or arrest the person based solely on the person's lawful presence in the United States.

(6) This section does not apply to a law enforcement officer who is acting as a school resource officer for any elementary or secondary school.

(C)(1) If the person does not meet the presumption established pursuant to subsection (B), the officer shall make a reasonable effort,

when practicable, to verify the person's lawful presence in the United States by at least one of the following methods:

- (a) contacting the Illegal Immigration Enforcement Unit within the South Carolina Department of Public Safety;
- (b) submitting an Immigration Alien Query through the International Justice and Public Safety Network;
- (c) contacting the United States Immigration and Customs Enforcement's Law Enforcement Support Center; or
- (d) contacting the United States Immigration and Customs Enforcement's local field office.

(2) The officer shall stop, detain, or investigate the person only for a reasonable amount of time as allowed by law. If, after making a reasonable effort, the officer is unable to verify the person's lawful presence in the United States by one of the methods described in item (1), the officer may not further stop, detain, investigate, or arrest the person based solely on the person's lawful presence in the United States.

(3) If the officer verifies that the person is lawfully present in the United States, the officer may not further stop, detain, investigate, or arrest the person based solely on the person's lawful presence in the United States.

(4) If the officer determines that the person is unlawfully present in the United States, the officer shall determine in cooperation with the Illegal Immigration Enforcement Unit within the South Carolina Department of Public Safety or the United States Immigration and Customs Enforcement, as applicable, whether the officer shall retain custody of the person for the underlying criminal offense for which the person was stopped, detained, investigated, or arrested, or whether the Illegal Immigration Enforcement Unit within the South Carolina Department of Public Safety or the United States Immigration and Customs Enforcement, as applicable, shall assume custody of the person. The officer is not required by this section to retain custody of the person based solely on the person's lawful presence in the United States. The officer may securely transport the person to a federal facility in this State or to any other point of transfer into federal custody that is outside of the officer's jurisdiction. The officer shall obtain judicial authorization before securely transporting a person to a point of transfer that is outside of this State.

(D) Nothing in this section must be construed to require a law enforcement officer to stop, detain, investigate, arrest, or confine a person based solely on the person's lawful presence in the United States. A law enforcement officer may not attempt to make an

independent judgment of a person's lawful presence in the United States. A law enforcement officer may not consider race, color, or national origin in implementing this section, except to the extent permitted by the United States or South Carolina Constitution. This section must be implemented in a manner that is consistent with federal laws regulating immigration, protecting the civil rights of all persons, and respecting the privileges and immunities of United States citizens.

(E) Except as provided by federal law, officers and agencies of this State and political subdivisions of this State may not be prohibited or restricted from sending, receiving, or maintaining information related to the immigration status of any person or exchanging that information with other federal, state, or local government entities for the following purposes:

(1) determining eligibility for any public benefit, service, or license provided by the federal government, this State, or a political subdivision of this State;

(2) verifying any claim of residence or domicile, if determination of residence or domicile is required under the laws of this State or a judicial order issued pursuant to a civil or criminal proceeding in this State;

(3) determining whether an alien is in compliance with the federal registration laws prescribed by Chapter 7, Title II of the federal Immigration and Nationality Act; or

(4) pursuant to 8 U.S.C. Section 1373 and 8 U.S.C. Section 1644.

(F) Nothing in this section must be construed to deny a person bond or from being released from confinement when such person is otherwise eligible for release. However, pursuant to the provisions of Section 17-15-30, a court setting bond shall consider whether the person charged is an alien unlawfully present in the United States.

(G) No official, agency, or political subdivision of this State may limit or restrict the enforcement of this section or federal immigration laws.

(H) This section does not implement, authorize, or establish, and shall not be construed to implement, authorize, or establish the federal Real ID Act of 2005.

(I) Any time a motor vehicle is stopped by a state or local law enforcement officer without a citation being issued or an arrest being made, and the officer contacts the Illegal Immigration Enforcement Unit within the Department of Public Safety pursuant to this section, the officer who initiated the stop must complete a data collection form designed by the Department of Public Safety, which must include information regarding the age, gender, and race or ethnicity of the

driver of the vehicle. This information may be gathered and transmitted electronically under the supervision of the Department of Public Safety, which shall develop and maintain a database storing the information collected. The Department of Public Safety must promulgate regulations with regard to the collection and submission of the information gathered. In addition, the Department of Public Safety shall prepare a report to be posted on the Department of Public Safety's website regarding motor vehicle stops using the collected information. The General Assembly shall have the authority to withhold any state funds or federal pass-through funds from any state or local law enforcement agency that fails to comply with the requirements of this subsection."

"Section 23-3-1100. (A) If a person is charged with a criminal offense and is confined for any period in a jail of the State, county, or municipality, or a jail operated by a regional jail authority, a reasonable effort shall be made to determine whether the confined person is an alien unlawfully present in the United States.

(B) If the prisoner is an alien, the keeper of the jail or other officer must make a reasonable effort to verify whether the prisoner has been lawfully admitted to the United States or if the prisoner is unlawfully present in the United States. Verification must be made within seventy-two hours through a query to the Law Enforcement Support Center (LESC) of the United States Department of Homeland Security or other office or agency designated for that purpose by the United States Department of Homeland Security. If the prisoner is determined to be an alien unlawfully present in the United States, the keeper of the jail or other officer shall notify the United States Department of Homeland Security.

(C) Upon notification to the United States Department of Homeland Security pursuant to subsection (B), the keeper of the jail must account for daily expenses incurred for the housing, maintenance, transportation, and care of the prisoner who is an alien unlawfully present in the United States and must forward an invoice to the Department of Homeland Security for these expenses.

(D) The keeper of the jail or other officer may securely transport the prisoner who is an alien unlawfully present in the United States to a federal facility in this State or to any other point of transfer into federal custody that is outside of the keeper of the jail or other officer's jurisdiction. The keeper of the jail or other officer shall obtain judicial authorization before securely transporting a prisoner who is unlawfully present in the United States to a point of transfer that is outside of this State.

(E) If a prisoner who is an alien unlawfully present in the United States completes the prisoner's sentence of incarceration, the keeper of the jail or other officer shall notify the United States Department of Homeland Security and shall securely transport the prisoner to a federal facility in this State or to any other point of transfer into federal custody that is outside of the keeper of the jail or other officer's jurisdiction. The keeper of the jail or other officer shall obtain judicial authorization before securely transporting a prisoner who is unlawfully present in the United States to a point of transfer that is outside of this State.

(F) Nothing in this section shall be construed to deny a person bond or from being released from confinement when such person is otherwise eligible for release. However, pursuant to the provisions of Section 17-15-30, a court setting bond shall consider whether the person charged is an alien unlawfully present in the United States.

(G) The State Law Enforcement Division shall promulgate regulations to comply with the provisions of this section in accordance with the provisions of Chapter 23, Title 1.

(H) In enforcing the terms of this section, no state officer shall attempt to make an independent judgment of an alien's immigration status. State officials must verify an alien's status with the federal government in accordance with 8 U.S.C. Section 1373(c)."

### **Definitions, illegal aliens and private employer**

SECTION 8. Section 41-8-10 of the 1976 Code, as added by Act 280 of 2008, is amended to read:

(2) person or entity carrying on any employment and the legal representative of a deceased person or the receiver or trustee of any person; or

**Federal Work Authorization Program, requirements for verification of new employees, contact information to be maintained**

SECTION 9. Section 41-8-20 of the 1976 Code, as added by Act 280 of 2008, is amended to read:

"Section 41-8-20. (A) All private employers in South Carolina shall be imputed a South Carolina employment license, which permits a private employer to employ a person in this State. A private employer may not employ a person unless the private employer's South Carolina employment license and any other applicable licenses as defined in Section 41-8-10 are in effect and are not suspended or revoked. A private employer's employment license shall remain in

effect provided the private employer complies with the provisions of this chapter.

(B) All private employers who are required by federal law to complete and maintain federal employment eligibility verification forms or documents must register and participate in the E-Verify federal work authorization program, or its successor, to verify the work authorization of every new employee within three business days after employing a new employee. A private employer who does not comply with the requirements of this subsection violates the private employer's licenses.

(C) The South Carolina Department of Employment and Workforce shall provide private employers with technical advice and electronic access to the E-Verify federal work authorization program's website for the sole purpose of registering and participating in the program.

(D) Private employers shall employ provisionally a new employee until the new employee's work authorization has been verified pursuant to this section. A private employer shall submit a new employee's name and information for verification even if the new employee's employment is terminated less than three business days after becoming employed. If a new employee's work authorization is not verified by the federal work authorization program, a private employer must not employ, continue to employ, or reemploy the new employee.

(E) To assist private employers in understanding the requirements of this chapter, the director shall send written notice of the requirements of this section to all South Carolina employers, and shall publish the information contained in the notice on its website. Nothing in this section shall create a legal requirement that any private employer receive actual notice of the requirements of this chapter through written notice from the director, nor create any legal defense for failure to receive notice.

(F) If a private employer is a contractor, the private employer shall maintain the contact phone numbers of all subcontractors and sub-subcontractors performing services for the private employer. The private employer shall provide the contact phone numbers or a contact phone number, as applicable, to the director pursuant to an audit or investigation within seventy-two hours of the director's request."

### **Employment of unauthorized aliens, private employer license violation**

SECTION 10. Section 41-8-30 of the 1976 Code, as added by Act 280 of 2008, is amended to read:

“Section 41-8-30. A private employer who knowingly or intentionally employs an unauthorized alien violates the private employer’s licenses.”

**Verification of immigration status of new employees, technical changes**

SECTION 11. Section 41-8-40 of the 1976 Code, as added by Act 280 of 2008, is amended to read:

“Section 41-8-40. For purposes of this chapter, a private employer who in good faith verifies the immigration status of a new employee pursuant to Section 41-8-20 must be presumed to have complied with the provisions of Section 41-8-20 and Section 41-8-30.”

**Violations regarding unauthorized aliens and E-Verify program, deletion of civil penalties, random audits and inspections, private employer compliance, suspension and revocation of licenses**

SECTION 12. Section 41-8-50 of the 1976 Code, as added by Act 280 of 2008, is amended to read:

“Section 41-8-50. (A) Upon receipt of a written and signed complaint against a private employer, or upon an investigation initiated by the director for good cause, if the director finds reasonable grounds exist that a private employer violated the provisions of Section 41-8-20 or Section 41-8-30, the director shall institute an investigation of the alleged violation. The director shall verify the work authorization status of the alleged unauthorized alien with the federal government pursuant to 8 U.S.C. Section 1373(c). A state, county, or local official must not attempt to independently determine if an alien is authorized to work in the United States.

(B) If, after completing the investigation, and after reviewing any information or evidence submitted by the private employer demonstrating compliance with the provisions of this chapter, the director determines that substantial evidence exists to support a finding that the private employer has committed a violation of Section 41-8-20 or Section 41-8-30, the director shall:

(1) notify the United States Immigration and Customs Enforcement of suspected unauthorized aliens employed by the private employer;

(2) notify state and local law enforcement agencies responsible for enforcing state immigration laws of the employment of suspected unauthorized aliens by the employer; and

(3) take appropriate action in accordance with subsection (D) of this section.

(C) The director must not bring an action against a private employer for any employee who has been employed for three business days or less at the time of the director's inspection or random audit. A second occurrence involving a violation of this section must be based only on an employee who is employed by the private employer after a first action has been brought for a violation of Section 41-8-20 or Section 41-8-30.

(D) Upon a finding of an occurrence involving a violation after an investigation pursuant to subsection (A), or after a random audit pursuant to Section 41-8-120(B), where the director considered all information or evidence gathered by the director and any information or evidence submitted by the private employer demonstrating compliance with the provisions of this chapter:

(1)(a) prior to July 1, 2012, for a first occurrence involving a violation of Section 41-8-20, the private employer shall, upon notification by the director of a violation of Section 41-8-20, swear or affirm in writing that the private employer has complied with the provisions of 8 U.S.C. Section 1324a from the effective date of this section to the time the private employer received notification from the director, and shall comply with the provisions of Section 41-8-20 within three business days. Failure to swear or affirm compliance in writing or failure to comply with Section 41-8-20 within three business days requires that the private employer be placed on probation for a period of one year, during which time the private employer shall submit quarterly reports to the director demonstrating compliance with the provisions of Section 41-8-20. The director shall provide appropriate assistance to the private employer to aid the private employer in complying with Section 41-8-20 within the three business day period. The director may extend the three business day period, as necessary, if the director determines that more time is required for compliance. Any subsequent occurrence involving a violation of Section 41-8-20 by the private employer must result in the suspension of the private employer's licenses for at least ten days, but not more than thirty days, by the director, except, if a private employer has not committed a violation of Section 41-8-20 within the previous three years, a subsequent occurrence must be treated as a first occurrence. If a private employer has ever committed a violation of Section 41-8-30,

the private employer's licenses must be suspended for at least ten days but not more than thirty days for any violation or subsequent occurrence involving a violation of Section 41-8-20. The director shall verify the work authorization status of the employees with the federal government pursuant to 8 U.S.C. Section 1373(c) and notify the private employer of the results. The private employer shall immediately terminate an employee whose work authorization was not verified upon being notified by the director. The director shall notify federal, state, and local law enforcement officials of any suspected unauthorized aliens employed by the private employer;

(b) on or after July 1, 2012, for a first occurrence involving a violation of Section 41-8-20, the private employer shall, upon notification by the director of a violation of Section 41-8-20, immediately comply with the provisions of Section 41-8-20, and the private employer must be placed on probation for a period of one year, during which time the private employer shall submit quarterly reports to the director demonstrating compliance with the provisions of Section 41-8-20. Any subsequent occurrence involving a violation of Section 41-8-20 by the private employer must result in the suspension of the private employer's licenses for at least ten days but not more than thirty days by the director, except, if a private employer has not committed a violation of Section 41-8-20 within the previous three years, a subsequent occurrence must be treated as a first occurrence. If a private employer has ever committed a violation of Section 41-8-30, the private employer's licenses must be suspended for at least ten days but not more than thirty days for any violation or subsequent occurrence involving a violation of Section 41-8-20. The director shall verify the work authorization status of the employees with the federal government pursuant to 8 U.S.C. Section 1373(c) and notify the private employer of the results. The private employer shall immediately terminate an employee whose work authorization was not verified upon being notified by the director. The director shall notify federal, state, and local law enforcement officials of any suspected unauthorized aliens employed by the private employer;

(2) for a first occurrence involving a violation of Section 41-8-30, the private employer's licenses must be suspended, and must remain suspended for at least ten days but not more than thirty days. During the period of suspension, the private employer may not engage in business, open to the public, employ an employee, or otherwise operate. After the period of suspension, the private employer's licenses must be reinstated, permitting the private employer to engage in business and to employ an employee, if the private employer:

(a) demonstrates that the private employer has terminated the unauthorized alien; and

(b) pays a reinstatement fee equal to the cost of investigating and enforcing the matter, provided that the reinstatement fee must not exceed one thousand dollars;

(3) for a second occurrence involving a violation of Section 41-8-30, the private employer's licenses must be suspended, and must remain suspended for at least thirty days but not more than sixty days. During the period of suspension, the private employer may not engage in business, open to the public, employ an employee, or otherwise operate. After the period of suspension, the private employer's licenses must be reinstated, permitting the private employer to engage in business, open to the public, employ an employee, and otherwise operate, if the private employer:

(a) demonstrates that the private employer has terminated the unauthorized alien; and

(b) pays a reinstatement fee equal to the cost of investigating and enforcing the matter, provided that the reinstatement fee must not exceed one thousand dollars;

(4) for a third or subsequent occurrence involving a violation of Section 41-8-30, the private employer's licenses must be revoked, and the private employer may not engage in business, open to the public, employ an employee, or otherwise operate. For a third occurrence only, after ninety days, a private employer may petition the director for a provisional license. A provisional license permits a private employer to engage in business, open to the public, employ an employee, and otherwise operate. The director may grant the private employer permission to apply for a provisional license if the private employer:

(a) agrees to be on probation for a period of three years, during which time the private employer shall submit quarterly reports to the director demonstrating compliance with the provisions of Sections 41-8-20 and 41-8-30;

(b) demonstrates that the private employer has terminated the unauthorized alien; and

(c) pays a reinstatement fee equal to the cost of investigating and enforcing the matter, provided that the reinstatement fee must not exceed one thousand dollars.

For all other occurrences where a private employer's licenses are revoked, the private employer may not seek reinstatement of the private employer's licenses for a period of five years. After five years, the director may grant reinstatement of a private employer's licenses if the private employer:

(a) agrees to be on probation for a period of three years, during which time the private employer shall submit quarterly reports to the director demonstrating compliance with the provisions of Sections 41-8-20 and 41-8-30;

(b) demonstrates that the private employer has terminated the unauthorized alien; and

(c) pays a reinstatement fee equal to the cost of investigating and adjudicating the matter, provided that the reinstatement fee must not exceed one thousand dollars.

(5) If a private employer engages in business or employs a new employee during the period that the private employer's licenses are suspended, the private employer's licenses must be revoked, and must not be reinstated for a period of five years, and only upon a determination by the director that the private employer has complied with the provisions of item (4) of this subsection.

(E) For purposes of this chapter, it shall be a separate violation each time the private employer fails to verify the immigration status of a new employee as required by Section 41-8-20.

(F) In taking any disciplinary action for a violation of Section 41-8-20 or Section 41-8-30, the director shall base the director's determination on any evidence or information collected during the investigation or submitted for consideration by the employer, and shall consider the following factors, if relevant:

(1) the number of employees for whom the private employer has failed to verify their immigration status;

(2) the prior violations of this chapter by the private employer;

(3) the size of the private employer's workforce;

(4) any actions taken by the private employer to comply with federal immigration laws or with the provisions of this chapter;
