RE: First Steps 4K Underserved Communities Report Pursuant to Proviso 1.74

Proviso 1.74 of the General Appropriations Act for FY21 specifies that:

1.74. *(SDE: First Steps 4K Underserved Communities) Using funds appropriated for the Child Early Reading and Development Education Program, South Carolina First Steps shall develop a pilot program to expand four-year-old kindergarten enrollment within underserved communities eligible for participation during the most recent fiscal year. Newly created and/or newly approved private providers proposing to expand service to ten or more CERDEP eligible children in communities unable to enroll all of eligible students in a public, private, or Head Start setting during the prior fiscal year, may apply for up to \$30,000 in one-time supplemental, needs-based incentives designed to address building renovations, documented as necessary to bring proposed classrooms into compliance with licensing regulations, materials and staffing costs, and/or other obstacles currently preventing their participation in the First Steps 4K program. The First Steps Board of Trustees shall develop and approve an application process that incorporates formal review and fiscal safeguards designed to ensure grant funds are used solely to address documented barriers to program participation. Providers receiving this one-time supplement are expected to participate in the program and provide high-quality, center-based programs as defined herein for a minimum of three years. Failure to participate for three years will require the provider to return a portion of the supplemental allocation at a level determined by the Office of First Steps to School Readiness. First Steps shall submit a report detailing its process, expenditures and expanded enrollment to the Chairman of the House Ways and Means Committee and the Chairman of the Senate Finance Committee by March 16, 2021.*

Pursuant to the terms of the proviso, I am writing to provide an update on First Steps 4K implementation of Proviso 1.74 to date. Following ratification of the General Appropriations Act for FY18, the First Steps Board of Trustees developed, reviewed, and approved the required center application at its meeting on June 16, 2017.

At this time, we have expended no funds during the current fiscal year for Proviso 1.74.

We are grateful for the General Assembly's continued emphasis on creating opportunities for the state's at-risk pre-kindergartners. We are thankful for your bold leadership as you work for expansion of the First Steps 4K Program statewide to include student any and all deserving four-year olds in our great state of South Carolina.
