The Town of McColl is requesting funds in the amount of \$500,000.00. These funds will be used to make the necessary repairs to the sewer treatment plant and property surrounding property. The building needs a new roof, repair tiles, replace the bathroom and shower area, and ceiling. New metal security doors will be \$60,000.00. The sewer pond needs new curtains and blankets. The sludge in the pond needs to be removed from the pond and removed from the property and new sewer lines installed. The funds would also be used to replace sewer lines and manholes on several streets. These funds will greatly improve the health and stability of the Town of McColl. Your consideration will be greatly appreciated.

George Garner
