

MARLBORO COUNTY SHERIFF'S OFFICE
SOUTH CAROLINA

Sheriff Larry McNeil

January 17, 2023

Representative Patricia Moore "Pat" Henegan
333-C Blatt Building
Columbia, SC 29201

Dear Representative Henegan,

Thank you for recently taking time out of your busy schedule to speak with me about the operational needs of the Marlboro County Sheriff's Office (MCSO). I greatly appreciate the sincere interest you expressed with regards to the safety of our MCSO law enforcement officers and the concern shown with respect to their ability to effectively and efficiently serve the citizens of our great county.

During our discussion, we conversed about the operational status of the equipment at the MCSO. I shared that due to economic shortfalls and resource management issues, the MCSO is presently in need of critical public safety equipment to replace apparatus that is in a status of disrepair or catastrophic failure. For your review, I've attached a list detailing our most needed equipment and the estimated cost to procure these said items.

Despite these said challenges, the resourceful women and men of the MCSO continue to find ways daily to effectively perform their routine law enforcement functions while safeguarding the safety of themselves and most importantly the general public.

In closing, I would like to thank you again for your time and attention. Please don't hesitate to contact me directly with any questions or concerns.

Sincerest regards,
