To whom it may Concern,

First, I would like to thank everyone involved in allocating funding to the Town of Williston concerning our Town Hall Municipal Building needs. The Town of Williston municipal building is in dire need of attention, and we would like to use the funding that has been allocated by the State Legislature to build a new municipal building or do major upgrades to the current building. The building has many issues like roof leaks, poor plumbing and many construction issues that need to be addressed.

The Town of Williston will use the \$500,000 earmarked funds in the state budget and the \$1,000,000 Savannah River settlement money to address our Town Hall municipal building needs. The funds will be spent on the construction or remodeling of a new Town Hall municipal building.

Thank You
