

## Lewis Rural Fire Department

Our purpose is to save lives & protect property

1998 Saluda Road  
Chester, SC 29706

---

May 24, 2023

To: Randy Ligon, South Carolina House of Representative

Lewis Fire Department recently requested Two Hundred, Fifty Thousand (\$250,000.00) from the South Carolina State Budget for the fiscal year 2023-2024.

If received, these funds would be greatly beneficial in providing the continuing protection of our citizens, community, and the surrounding areas. These funds would be used to purchase trucks and equipment and/or housing for fire equipment. These funds would be greatly beneficial in improving the needed protection for our citizens, their property, and the safety of our Firefighters.

Lewis Fire Department has never requested funds from the State of South Carolina through Mr. Ligon office.

Thank you for your consideration and support.

Sincerely,

**Jay Williams**

**Lewis Fire Department**
