Attached is the information you ask that I send you.  
If you need anything else let me know

Thanks

Rickey

# SMYRNA FIRE DEPARTMENT

1052 MAIN STREET  
SMYRNA, S.C. 29743

---

January 30, 2023

The Smyrna Station 2 was built to provide better fire protection to the residents on the east side of our district to eliminate the 5 mile distance. We took out a loan as a fire department. We recently received funding to pay toward the loan but it did not pay it off. We still have a balance of \$20, 000.00. Also needed to complete the interior with a bathroom we have estimated cost of construction at \$20,000.00. This will complete this project Any consideration of funding to complete any or all of this will be appreciated by the fire department and the community.

If I can answer or provide any other information let me know.

Sincerely;

Rickey Wilson, Chief

Smyrna Volunteer Fire Department
