

Dorchester County – Veterans Center

1. Veterans Center - Funds would be used to design and construct a 5,000 square foot service center on county owned land near the Courthouse in St. George. The estimated cost is \$900,000, plus parking, site prep & upfit. The building would house the County Veterans Affairs Office, Disabled American Veterans, American Legion, etc. Dorchester County has committed land and \$400,000 towards this project.
