The Honorable Bruce W. Bannister  
525 Blatt Bldg.  
Columbia, SC 29201

**RE: Budget Requests**

Dear Chairman Bannister:

The City of Sumter is requesting Appropriated Earmarks from the South Carolina State Budget, for the following project:

***City of Sumter Utilities: \$5,500,000***

These funds would allow the City to do significant water and sewer line rehab projects on older lines throughout the City's utility system to include but not limited to a major trunking system update as well as work on the utility system's lift stations.

Thank you for your consideration of this request. If you need additional information, please let me know.

Sincerely,

Deron L. McCormick  
City Manager
