	471,064	

REGIONAL IMPACT & INNOVATION REPORT

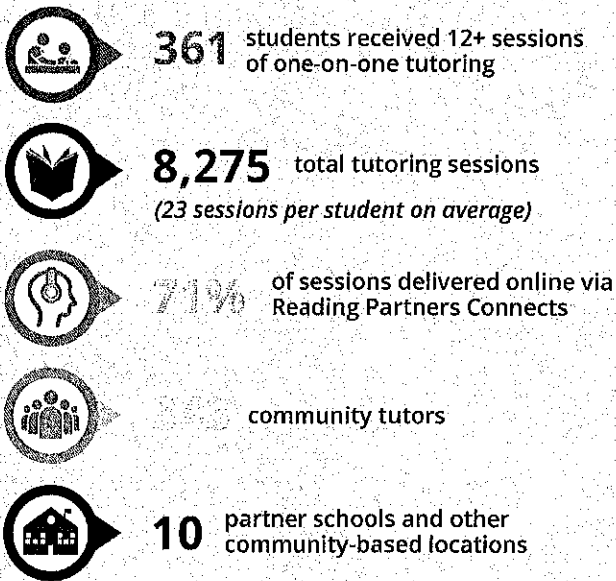

South Carolina, 2021-22

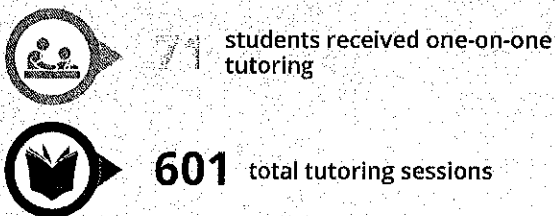

With schools facing attendance and enrollment challenges, Reading Partners leveraged a mix of traditional and innovative programs and partnerships to provide critical support to students, schools, and communities throughout a second full year of COVID-19 disruptions.

By the numbers

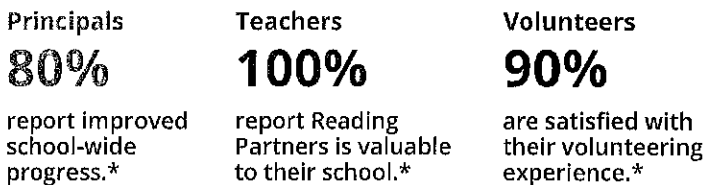

— During the school year —

— In the summer —

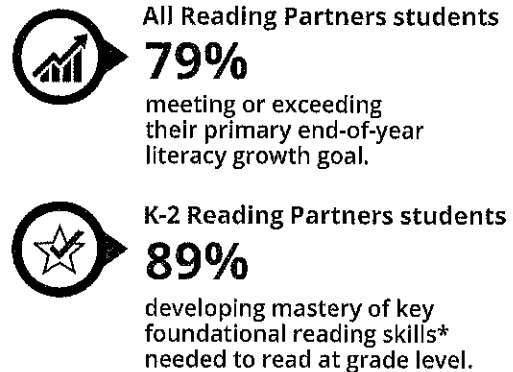

Program recognition

*Among respondents of 2021-22 surveys

Student performance

*We track growth in the key foundational literacy skills students need to become independent readers, such as alphabetic principle, phonics, and vocabulary.

Additional school and family literacy support

An evidence-based program
