11. Please answer the following:
- (a) If you are a candidate for Family Court, please provide a brief written description of your experience within each of the following Family Court practice areas: divorce and equitable division of property, child custody, adoption, abuse and neglect, and juvenile justice. Include information about cases you have handled in each of these practice areas, or if you have not practiced in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Family Court judge. Please also indicate the frequency of your appearances before a Family Court judge within the past five years.
 - (b) If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years, and include a brief description of the issues involved. Please include information such as the primary areas in civil court in which you practice, and whether you represent plaintiffs or defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Circuit Court judge, or how you would compensate for your lack of experience in this area. Please also indicate the frequency of your appearances before a Circuit Court judge within the past five years.

Criminal Experience

Over the last five (5) years, my practice has been exclusively in criminal matters. I have handled cases involving violations of federal narcotics and firearms statutes, immigration laws, armed robbery matters and narcotics related murders. I was the leader prosecutor in a case involving the prosecution of a former federal agent. As part of my criminal practice, I have handled some appeals and responded to post-conviction matters which are civil in nature.

Civil Experience

Over the course of my career, I have represented both plaintiffs and defendants in civil matters. My civil practice included personal injury cases and other intentional torts. I have handled automobile accident cases, contract disputes and employment matters. In addition, I have continued to review reported civil cases from both the state and federal courts. I would continue to study the Rules of Civil Procedure and the reported civil cases to overcome any deficiency in my experience. I have viewed civil CLEs through online training courses and read South Carolina Advance Sheets in this area.

Sole Counsel

15. List five of the most significant litigated matters you have personally handled in either trial or appellate court, or before a state or federal agency. Give citations if the cases were reported and describe why these matters were significant.

(a) Tobias, et al. v. The Sports Club, et al., 332 S.C. 90, 504 S.E.2d 318 (1998). I served as co-counsel in this case. This was a first party cause of action against the defendants for serving alcohol to an intoxicated plaintiff under the theory of Christiansen v. Campbell, 328 S.E.2d 351 (Ct. App. 1985). After the jury returned a verdict for the defendants, my firm appealed on behalf of the plaintiffs. The jury verdict was upheld but the Supreme Court overruled Christiansen.

(b) United States of America v. Jorge Gonzalez-Vasquez, et al., 77 Fed. Appx. (4th Cir. (S.C.) October 20, 2003). I served as co-counsel in this case. This case was tried in federal court. This case arose from the discovery of an organized drug smuggling and sports betting ring in the federal prison in Edgefield, South Carolina. A total of 22 defendants, including inmates and their family members, were charged. Four of the defendants went to trial and were convicted. The remaining eighteen (18) defendants pled guilty to several different charges. Because several of the defendants did not speak English, this case involved the use of Spanish interpreters for the defendants, the use of translated recorded prison telephone calls and the use of historical evidence of drug smuggling from other federal prisons.

(c) United States v. David Michael Woodward, et al., 430 F.3d 681 (4th Cir. 2005). I served as co-counsel in this case. This case arose out of a pain management clinic in Myrtle Beach. The clinic was dispensing powerful narcotic pain medication to its patients. We alleged that the doctors were over prescribing and illegally prescribing these medications to patients who were not in need of the medication. In some cases, the doctors did not perform any physical examination of the patients or the patients were intoxicated when they came to the clinic. Patients, allegedly in severe pain, were traveling more than three (3) hours to visit the clinic. The doctors alleged that they were in a better position to diagnose and treat the patients. After a two (2) week trial, the doctors were convicted. This case was the first of its kind in South Carolina

(d) United States v. Kenneth Reid, et al., 523 F.3d 310 (4th Cir 2008). I served as co-counsel in this case. This case arose out of an undercover drug deal in Rock Hill, South Carolina. After Mr. Reid determined who the undercover informant was, he hired another drug dealer to kill the informant. They were successful in killing the informant. The local police sought federal help in investigating and prosecution of this case. After the shooter was located in Texas and brought back to South Carolina, he then faked being mentally ill which required a mental evaluation and hearing to determine his competency. Only Mr. Reid went to trial. At trial, we tried Mr. Reid on several different charges, including using a firearm during a violent crime. He was convicted of several charges and sentenced to life imprisonment. This case is significant based upon the request from the victim's family.

(e) United States v. Darryl Hemphill, et al. I served as lead counsel in this case. This case arose out of a drug organization located in the Rock Hill, South Carolina area. I indicted approximately 19 defendants as a result of a wiretap. The defendants were flying to California to meet with the source of supply for cocaine, methamphetamine, marijuana, heroin and fentanyl. Once they met with the source of supply, they would ship packages containing the illegal substances back to different locations in Charlotte, North Carolina.

Eventually, the defendants began making counterfeit pain pills using fentanyl. This case is ongoing. This case is significant because after the arrest of the individuals the local law enforcement noticed a significant decrease in the number of counterfeit pills in the area.

16. List up to five civil appeals you have personally handled. Give the case name, the court, the date of decision, and the citation if the case was reported.

How would your use of social media or other similar types of Internet sites be affected if you were serving in a judicial capacity?

As I only view posts on Facebook, it would not affect my service as a judicial officer. If I am selected, I would cease and close my account.

- (a) Salvation Army Board of Directors
- (b) Child Evangelism Board of Directors
- (c) Omega Psi Phi Fraternity

58. Provide any other information that may reflect positively or negatively on your candidacy, or which you believe should be disclosed in connection with consideration of you for nomination for the position you seek. This information may include how your life experiences have affected or influenced the kind or type of judge you have been or plan to be.

I believe that my diverse legal background would benefit me as a Circuit Court judge. I have worked as a law enforcement officer, in private practice, in public service and over my legal career gained valuable courtroom experience as a federal prosecutor. I believe these experiences would be an attribute to me if I am selected as a Circuit Court judge.

I have also tried to continue my involvement in civic and professional activities in addition to practicing law. I have served on several committees and boards in the South Carolina Bar including the Board of Grievances and Discipline, CLE, Diversity, Professional Responsibility, Long Range Planning and the Nominating Committee. As a result of my bar and community service, I was awarded the Compleat Lawyer Silver Medallion by USC School of Law. The Silver Medallion is awarded to lawyers practicing less than fourteen (14) years for service to the legal profession and the community at large. The recipients of the award are chosen by the Chief Justice of the Supreme Court, the Chief Judge of the Court of Appeals, the Dean of the Law School, the Executive Director of the

SC Bar and the President of the Law School Alumni Board. I have also received the South Carolina Lawyers' Weekly Leadership in the Law award.

These activities are important and beneficial to me in that they have provided an opportunity to improve both the legal profession and the community at large. I believe that it is important that judges come from varied backgrounds and perspectives. Being involved in professional and civic activities is a way of achieving that diversity of experience and allow me to gain valuable insight into other ideas and perspectives.
