AMENDMENT TO PERSONAL DATA QUESTIONNAIRE

Originally submitted July 26, 2022

31. Are you now an officer or director or involved in the management of any business enterprise? Explain the nature of the business, your duties, and the term of your service.

I am striking my previous answer and replacing it with the following:

I assist in the management of Newton Law Firm of Clemson, LLC. Our firm consists of 3 attorneys (including myself) and 11 staff members. I oversee and supervise the staff and help develop policies and procedures to run an efficient and organized real estate practice. I also resolve any human resource issues that may arise. I have been doing this since I started at the law firm approximately 9 years ago.

I am also in charge of disbursing rental proceeds for AMWL Properties, LLC to the three members of this company (including myself). AMWL Properties, LLC owns several rental properties. I also serve as the point of contact for the outside property management company that oversees the daily operations of these rental properties. I have served in this capacity for approximately 5 years.

34. Has a tax lien or other collection procedure ever been instituted against you by federal, state, or local authorities? Have you ever defaulted on a student loan? Have you ever filed for bankruptcy? If so, give details. Also, proof of satisfaction of any liens or defaults must be submitted with your application package.

I am striking my previous answer and replacing it with the following:

There was a SC Department of Revenue tax lien filed on March 1, 2016 in the amount of \$683.64. This lien was paid and satisfied on April 19, 2016. A copy of the satisfaction is included.
