Law Clerk, Hon. John L. Breeden, Jr. (Ret.), Circuit Court Judge, 1996-1997

General Law Clerk duties included drafting of orders, review of orders submitted by attorneys, scheduling matters, researching various legal issues for the judge. I also co-authored two magazine articles with Judge Breeden while working for him.

Bellamy, Rutenberg, Copeland, Epps, Gravely & Bowers, P.A. (The Bellamy Law Firm)
1997-current, Shareholder

My practice since joining The Bellamy Law Firm has largely been devoted to four main areas: foreclosures, real estate litigation, collection matters, and landlord/tenant matters. However, I also have also done insurance defense work, personal injury work, defense of a municipality, and other types of litigation through the years. I have been a member of the Board of Governors, which runs the day-to-day operations of The Bellamy Law Firm, since 2014. I am also the Personnel Shareholder, and have responsibility for approximately 50 employees.

11. Please answer the following:
 - (a) If you are a candidate for Family Court, please provide a brief written description of your experience within each of the following Family Court practice areas: divorce and equitable division of property, child custody, adoption, abuse and neglect, and juvenile justice. Include information about cases you have handled in each of these practice areas, or if you have not practiced in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Family Court judge. Please also indicate the frequency of your appearances before a Family Court judge within the past five years.
 - (b) If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years, and include a brief description of the issues involved. Further, please provide a brief written description of your experience in civil matters, including any cases handled over the past five years, and include a brief description of the types of matters handled, issues involved, and procedural history. Please include information such as the primary areas in civil court in which you practice, and whether you represent plaintiffs or defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Circuit Court judge, or how you would compensate for your lack of experience in this area. Please also

indicate the frequency of your appearances before a Circuit Court judge within the past five years.

Over the past five years, I have not handled any criminal matters. During my legal career, however, I have handled several guilty pleas. As a law clerk to a Circuit Court Judge, I witnessed multiple criminal trials and countless guilty pleas. I also authored an article for SC Lawyer magazine regarding guilty pleas. Sitting next to a Judge for one year, spending countless hours driving around the state with a Judge, and seeing how courts operate in various counties has provided me with invaluable experience. If I am elected to be a Circuit Court Judge, I intend to spend many days in General Sessions Court prior to being sworn in, as a spectator, to refresh the lessons learned while being a Law Clerk to a Circuit Court Judge.

Although I have not practiced any criminal law in the past five years, I was leaning toward working in the Solicitor's office and practicing criminal law after law school. My last paper in law school involved the death penalty under the Military Code of Justice. And as noted above, while a Law Clerk, I authored a magazine article discussing guilty pleas. Many of my most vivid memories of being a Law Clerk involve matters in criminal cases. So I have always had an interest for the practice of criminal law—but I got a job offer I couldn't refuse while clerking, and life chose a different path for me.

With regard to civil matters, my experience is extremely varied, and I have not been shoe-horned into any specific area of practice. I have represented individuals (including several attorneys), corporations, municipalities, and banks, in a wide spectrum of matters, from mortgage foreclosures and collection actions for banks, to individuals in personal injury matters, to attorneys in fee dispute matters, to defending the City of Myrtle Beach in several lawsuits. I have handled equitable matters such as foreclosures and quiet title actions, boundary disputes, mortgage reformations, supplemental proceedings, and accountings, to real property disputes, contract disputes, collection actions, insurance defense, and landlord/tenant matters, from start through the appeal process. Additional matters litigated include tax sale quiet title actions, earnest money disputes, business/accounting disputes, lease disputes, specific performance cases, real estate commission disputes, magistrate appeals, and even an appeal from the SC Board of Realtors (currently on appeal before the South Carolina Supreme Court).

Many of these matters have been in Circuit Court, but many have also been in Magistrate Court, and before the Master-in-Equity. In my first 10 years of practice, I worked directly with Howell V. "Skeets" Bellamy and Henrietta Golding on a number of complicated civil litigation matters.

Also, I have been a guardian ad litem in approximately 50 cases.

Further, I have handled countless landlord/tenant matters in magistrate court. I have been fortunate enough to represent many of the large landlords in the area, including

Burroughs & Chapin, Barefoot Landing, Coastal Grand Mall, Magnolia Mall (Florence), Northwoods Mall (Charleston), and dozens of other strip malls, shopping centers, and commercial landlords.

Overall, I have been lucky enough to have a solid legal background on many areas of litigation, and appellate practice, all of which I feel, make me well suited to be a Circuit Court Judge.

- (c) If you are a candidate for Master-In-Equity, please provide a brief written description of your experience in the Master's court, including any cases handled over the past five years, and include a brief description of the issues involved. Please include the frequency of your appearances before a Master-In-Equity or a Circuit Court judge within the past five years.
 - (d) If you are a candidate for Administrative Law Court, please provide a brief written description of your experience before an Administrative Law Judge, including any issues discussed and the frequency of your appearances before the Administrative Law or Circuit Court within the past five years.

 - (d) What number of your cases settled after a jury was selected but prior to opening statements? 1

During the past five years, did you most often serve as sole counsel, chief counsel, or co-counsel?

All of my work in the past five years has been as sole/chief counsel. But I share an associate with another attorney, and have worked with her on many cases.

For sitting judges seeking a judgeship different than your current position,
During the five years prior to your election to the bench, what percentage of your practice
was in trial court, including matters that settled prior to trial?

This matter involved the interpretation and application of the Catawba Indian Claims Settlement Act, and the Tribe's ability to operate bingo facilities. Although we were not successful, the matter was significant in terms of the Tribe being able to maintain itself economically.

 - (e) Wachovia Bank of S.C. v. Thomasko, 529 S.E.2d 554 (S.C. Ct. App. 2000). This case involved an honest mistake made during a currency exchange from pesos to U.S. Dollars, and whether the customer is entitled to an unjust enrichment based on that mistake.
16. List up to five civil appeals you have personally handled. Give the case name, the court, the date of decision, and the citation if the case was reported.

The five cases listed in response to Question 15 above all involved appeals, but below are five more:

If so, give details, including a description of your occupation, business, or profession, the dates of your employment, and the name of your business or employer.

Prior to going to law school, I was a computer programmer and analyst for several years. After graduating college, I worked for the MITRE Corporation in Bedford, MA for about two years. The MITRE Corporation is a defense contractor. While there, I obtained a secret clearance from the US Government. I then moved to Columbia, South Carolina in 1989 and worked at DST, Inc. (Data Systems Technology) for approximately two years, and then The Database Group for approximately two years, before going to law school.

31. Are you now an officer or director or involved in the management of any business enterprise? Explain the nature of the business, your duties, and the term of your service.

I am a shareholder at The Bellamy Law Firm, and a member of its Board of Governors. The Board of Governors is a subset of the shareholder group, and is responsible for the day-to-day governance and operation of the law firm.

I am also in charge of the law firm personnel, which totals approximately 50 people. In that position I deal with all personnel matters, hiring decisions, etc.

32. Are you now or have you ever been employed as a "lobbyist," as defined by S.C. Code § 2-17-10(13), or have you acted in the capacity of a "lobbyist's principal," as defined by S.C. Have you ever filed for bankruptcy? If so, give details. Also, proof of satisfaction of any liens or defaults must be submitted with your application package.

A lien was apparently filed, but i never knew it had been filed. In 2007, I financed the cost of connecting my house to the public sewer system (tap fee and grinder station), and executed a lien for that purpose. I then paid off the balance pursuant to the payment plan, and the lien was discharged. However, there never was any collection procedure or foreclosure action—the lien was simply to finance the connection charges, which were timely paid off. This filed lien was brought to my attention when I ran for Master-in-Equity in 2021.

I never defaulted on a student loan, nor have I filed for bankruptcy.

35. Since filing with the Commission your letter of intent to run for judicial office, have you accepted lodging, transportation, entertainment, food, meals, beverages, money, or any other thing of value as defined by S.C. Yes, The Bellamy Law Firm has had malpractice insurance covering its attorneys, since I joined in 1997. Our current policy provides \$10,000,000.00 in coverage, with a \$50,000.00 deductible. I have never been covered by a tail policy.

How would your use of social media or other similar types of Internet sites be affected if you were serving in a judicial capacity?

I do not, and would not, use social media for any purpose. I tried to delete my Facebook account, but you would have better luck trying to find aliens in Area 52. I would also likely try to delete my LinkedIn account if elected to the bench.

58. Provide any other information that may reflect positively or negatively on your candidacy, or which you believe should be disclosed in connection with consideration of you for nomination for the position you seek. This information may include how your life experiences have affected or influenced the kind or type of judge you have been or plan to be.

I believe life experiences are important to making a person well-rounded. I was a double major in college (computer science & mathematics), and worked for a defense contractor just outside of Boston for 2 years. While there, I was involved in classified projects for the US military. After two years, I decided to move to Columbia, SC, where both of my brothers were living. I then worked for two different companies as a computer programmer, before deciding to go to law school.

After law school, I had the honor and privilege of being the first Law Clerk for the Hon. John L. Breeden, Jr. (Ret.). Anyone who knows Judge Breeden will attest to how kind, generous, funny, and compassionate he is. Watching and learning from him was invaluable. If I am lucky enough to ever be elected to the bench, I will strive every day to approach the position as he did.

After clerking for Judge Breeden, I was hired by The Bellamy Law Firm in 1997, and have been there since. I had the honor of working under and learning from Howell V. Bellamy, Jr. and Henrietta U. Golding, two of the finest trial attorneys anywhere. They taught me how to be a litigator. While that mentality is far different from being a judge, the skills and work ethic they taught me are invaluable.

I also have the honor of being a member of the South Carolina Supreme Court Commission on Lawyer Conduct. That Commission, subject to the South Carolina Supreme Court's review, is the final decision maker on attorney discipline matters in South Carolina. It is an elite honor to be selected by the South Carolina Supreme Court to be a member of that Commission, and having a say in how the practice of law should be conducted in South Carolina. I replaced the Hon. Cynthia Graham Howe on the Commission, when she was elected to be the Horry County Master-in-Equity.

I have also provided a substantial amount of pro bono legal services to Horry County Habitat for Humanity. That wonderful organization provides families the opportunity and dream of home ownership. It has been a privilege to help them provide that opportunity to eligible families.
