9. List the states in which you have been admitted to practice law and the year of each admission. Also list any states in which you took the bar exam but were never admitted to the practice of law. Please indicate the number of times you took the exam in each state.

(a) Admitted to practice in the State of South Carolina in 1987. I have taken and passed one bar exam, the South Carolina bar in 1987.

10. Describe chronologically, since graduation from law school, your legal experience. Please include a list of all positions held in which you worked in a legal capacity. Describe the general character of your practice and divide it into periods with dates if its character changed over the years. Please also describe the extent to which you were involved with the administrative and financial management of each of these entities, including management of trust accounts.

Upon graduation and admission to the bar in 1987, I was employed by the firm of Dowling, Sanders, Dukes, Williams and Svalina in Beaufort, SC. This firm changed in name and character a number of times over the years, finally dissolving in about the year 2000 (the

name at that time was Dukes, Williams and Infinger), after which the remaining partners (including myself) opened individual P.A's and LLCs.

In my twenty years of practice prior to becoming Master, I worked in a primarily civil and domestic general practice with some criminal and contract work. In my early years of practice, I handled all the criminal appointments for all the attorneys in our small firm. Later, I transitioned into a primarily civil and domestic practice. During my career, I have handled a wide variety of cases, many with complex issues. My career experience includes virtually all aspects of litigation from mediation through the appellate level. During approximately 8-10 years of my practice, I operated as a sole practitioner and personally handled all aspects of administration, employment, financial management and trust accounts.

In 2007, I was appointed Master-in Equity and Special Circuit Judge for Beaufort County. The job of Master-in-Equity involves judicial, financial and administrative duties. In my 16 years as Master, I have handled thousands of cases, including criminal appeals from Magistrate's Court, partition actions, partnership matters and extremely complex business disputes. In my capacity as special circuit judge, I have presided over General Sessions guilty pleas.

Justices/judges applying for re-election to their current position may omit Questions 11–17. If you are a full-time judge seeking a judgeship different than your current position, Questions 11-17 should be answered based on your experience *prior to serving on the bench*.

11. Please answer the following:
 - (a) If you are a candidate for Family Court, please provide a brief written description of your experience within each of the following Family Court practice areas: divorce and equitable division of property, child custody, adoption, abuse and neglect, and juvenile justice. Include information about cases you have handled in each of these practice areas, or if you have not practiced in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Family Court judge. Please also indicate the frequency of your appearances before a Family Court judge within the past five years. N/A
 - (b) If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years, and include a brief description of the issues involved. Further, please provide a brief written description of your experience in civil matters, including any cases handled over the past five years, and include a brief description of the types of matters handled, issues involved, and procedural history. Please include information such as the primary areas in civil court in which you practice, and whether you represent plaintiffs or defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background and procedural

knowledge has prepared you to preside over such matters as a Circuit Court judge, or how you would compensate for your lack of experience in this area. Please also indicate the frequency of your appearances before a Circuit Court judge within the past five years.

I have served as Full-time Master-in-Equity for Beaufort County since June of 2007. During my time as Master, I have also served, pursuant to Supreme Court Order, as a Special Circuit Court Judge. In addition to the broad experience that I have gained through my service as Master, my appointment as Special Circuit Judge has allowed me to hear countless jury-trial motions, non-jury cases, Magistrate's criminal appeals, General Sessions pleas and Equity matters. I regularly issue Circuit Court warrants. Historically, the Beaufort County Master-in-Equity has functioned as a full-time in-house non-jury circuit judge for those matters permitted. In my sixteen years of service, I have continued that tradition.

In a typical month, I will hear dozens of contested motions from both the jury and non-jury docket, contested non-jury cases, magistrate's appeals, and traditional equity cases. As the commission is aware, the primary difference in a jury and non-jury trial is that the non-jury judge has an additional duty as finder of fact.

I have extensive experience in all aspects of the work of a Circuit Court Judge, with the sole exception of criminal jury trials. I have, as Special Circuit Judge, set bonds, taken felony pleas and tried at least one non-jury General Sessions case. In my law practice, prior to my appointment as Master-in-Equity, I handled many jury trials and do not believe that the transition to Circuit Judge would be difficult.

- (c) If you are a candidate for Master-In-Equity, please provide a brief written description of your experience in the Master's court, including any cases handled over the past five years, and include a brief description of the issues involved. Please include the frequency of your appearances before a Master-In-Equity or a Circuit Court judge within the past five years. N/A

I am the oldest of four brothers. Our parents emphasized the value of hard work, fairness, honesty and the golden rule. I have worked for 36 years on the bar and bench with the philosophy that following the core values our parents taught to us can never be wrong.

In my legal career, I did my best to solve problems and seek fair and just outcomes of disputes.

I have run a successful small law firm and I know the burden and the satisfaction of small business ownership, including making payroll and regulatory compliance. I have developed and redeveloped properties and understand and appreciate the difficulties and rewards of such endeavors.

I have run for and served in public office as a County Council vice-chairman, a position that included serving on a number of committees on almost every government related subject.

I have sued and been sued and understand personally the value of a fair and just judicial system.

As Master-in-Equity I have done my best to live by the core values that have served me well in the past. I believe that due process is a combination of those values.

Because I believe that a settlement between litigants is always better than a ruling from a third party, I have always encouraged mediation wherever possible. In Court hearings, I insist on an atmosphere of "Disagree without being disagreeable".

During my sixteen year service as Master, I have seen the fallout from the foreclosure crisis and the pandemic. Many of the decisions that I have made have been difficult, but they have not been made without careful consideration, due process and the exhaustion of all efforts to avoid forfeiture. In every case, I do my best to ensure that litigants and lawyers alike are treated with respect and fairness.

I believe that our entire judicial system rests on the people's understanding and confidence that win or lose, they were given a fair chance. As a Master-in-Equity it has been my goal to always guarantee that fair chance. I strive to have all parties leave the Courtroom knowing that they were heard and that their concerns, claims and defenses were fairly considered.

Further, as Master, I have served in the role of president of the Master's association and have assisted in the modification of Court rules regarding foreclosures. As Master I have handled tens of millions of dollars in foreclosure proceeds, and through collection of fees and commissions, my office been a profit center for the County.

Finally, my greatest achievement and enjoyment has been that of a proud husband and father. My wife and I work every day to pass on to our daughter the core values that have guided us.

Thank you for your consideration,

Marvin H. Dukes III
