- (a) Judicial Law Clerk for the Honorable James E. Brogdon, Jr.
During the year that I clerked for Judge Brogdon, he was Chief Administrative Judge in both the Twelfth Judicial Circuit and the Third Judicial Circuit. I was able to research many issues involving both General Sessions and Common Pleas. I was able to see many trials from each branch. Also, Judge Brogdon was assigned two complex litigation

civil cases while I clerked for him and that provided valuable experience in dealing with pre-trial matters such as discovery issues and summary judgment motions.

- (b) Assistant Solicitor Sixteenth Judicial Circuit, York County
I prosecuted a variety of criminal cases for just under three years. I handled both felony and misdemeanor cases. Began trying cases early on and served as lead attorney from the start.
- (c) Assistant Public Defender Sixteenth Judicial Circuit, York County
I began my career as a criminal defense lawyer in June of 2002. I worked in that office for a little more than four years. In that job I represented criminal defendants charged with all manner of offenses from misdemeanors to murder cases. I served as lead counsel in many cases and I also helped other lawyers with their cases when necessary. During my time in the Sixteenth Judicial Circuit Public defender Office, we were fortunate to have many experienced attorneys to work with and gain experience from.
- (d) Assistant Public Defender Twelfth Judicial Circuit, Florence County
My job responsibilities were the same in the Twelfth Judicial Circuit as they had been in the Sixteenth Judicial Circuit.
- (e) Assistant Public Defender Twelfth Judicial Circuit, Florence & Marion County
In the fall of 2011 my responsibilities expanded to where I worked as a public defender in both counties of the Twelfth Judicial Circuit. That meant more cases, more trials and more time in court in general. It was at that time that was appointed lead counsel on a death penalty case.
- (f) Deputy Public Defender for the Twelfth Judicial Circuit
In August of 2014 I was promoted to Deputy Public Defender for the Twelfth Judicial Circuit. I still have the same kind of case load but have also taken on some administrative duties and working with and advising younger attorneys in our office.

Justices/judges applying for re-election to their current position may omit Questions 11–17. If you are a full-time judge seeking a judgeship different than your current position, Questions 11-17 should be answered based on your experience *prior to serving on the bench.*

11. Please answer the following:

- (a) If you are a candidate for Family Court, please provide a brief written description of your experience within each of the following Family Court practice areas: divorce and equitable division of property, child custody, adoption, abuse and neglect, and juvenile justice. Include information about cases you have handled in each of these practice areas, or if you have not practiced in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Family Court judge. Please also indicate the frequency of your appearances before a Family Court judge within the past five years.
- (b) If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years, and include a brief description of the issues involved. Further, please provide a brief written description of your experience in civil matters, including any cases

handled over the past five years, and include a brief description of the types of matters handled, issues involved, and procedural history. Please include information such as the primary areas in civil court in which you practice, and whether you represent plaintiffs or defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Circuit Court judge, or how you would compensate for your lack of experience in this area. Please also indicate the frequency of your appearances before a Circuit Court judge within the past five years.

I have been practicing criminal law in General Sessions Court since August of 1999. I was a prosecutor in the Sixteenth Judicial Circuit for a little under three years and during that time I prosecuted individuals charged with non-drug related criminal offenses that carried a penalty of up to fifteen years in prison. In June of 2002 I began work as an Assistant Public Defender in York County. As an Assistant Public Defender I represent indigent defendants charged with anything from lower level misdemeanors all the way up to armed robbery, burglary first degree and murder. In 2006, I was given an opportunity to come back home and work in the Twelfth Judicial Circuit. I accepted a position in the Florence County Public Defender's. In 2011 I expanded my responsibilities by also serving as a public defender for Marion County and I have served both Florence and Marion Counties in that capacity since that time. In 2014 I was promoted to the position of Deputy Public Defender for the Twelfth Judicial Circuit and I have served continuously in that capacity for the past six years. I have continued defending indigent defendants charged with all types of offenses; however; I have a much larger concentration of A, B, and C felonies at this point. I have defended people in cases involving all levels of criminal activity including major drug trafficking, criminal sexual conduct and murder.

My civil experience from a practical standpoint has been through my involvement in post-conviction relief matters. As a criminal defense lawyer in a public defender's office I have been involved in a number of those hearings in the past five years. As a Judicial Law Clerk, I helped my judge with a number of civil cases including complex litigation cases and observed a number of jury trials. I Also, as a trial attorney I am very familiar with the rules of evidence which are applicable to both branches of Circuit Court. Other than that I have taken two viewed two CLE's, one on E-Discovery and the other being the 2016 Tort Law Update. I have also viewed a civil trial from start to finish and have worked hard studying the Rules of Civil Procedure. I have also served as Co-Dean of the law school at Palmetto Boys State for the past eighteen years where the instruction includes civil court matters.

- (c) If you are a candidate for Master-In-Equity, please provide a brief written description of your experience in the Master's court, including any cases handled over the past five years, and include a brief description of the issues involved.

Please include the frequency of your appearances before a Master-In-Equity or a Circuit Court judge within the past five years.

- (d) If you are a candidate for Administrative Law Court, please provide a brief written description of your experience before an Administrative Law Judge, including any issues discussed and the frequency of your appearances before the Administrative Law or Circuit Court within the past five years.

- (b) state: I have appeared in General Sessions Court at least twenty-six weeks a year for the past five years.
13. What percentage of your practice involved civil, criminal, domestic, and other matters during the past five years or in the five years prior to your election to the bench?
- (a) civil: Zero Percent.
- (b) criminal: Greater than ninety-nine percent.
- (c) domestic: Less than one percent.
- (d) other: Zero Percent.
14. During the past five years
I have handled over one thousand cases during that time frame. Our office case management system won't let you look cases up by disposition so these numbers may not be exact but should be close.
- (a) What percentage of your practice was in trial court, including cases that settled prior to trial? One hundred Percent
- (b) What number of cases went to trial and resulted in a verdict? Ten
- (c) What number of cases went to trial and resolved after the plaintiff's or State's case? (Resolved may include settlement, plea, by Judge's order during a motion hearing, etc. None.
- (d) What number of your cases settled after a jury was selected but prior to opening statements? Two

During the past five years, did you most often serve as sole counsel, chief counsel, or co-counsel? Sole counsel.

For sitting judges seeking a judgeship different than your current position,
During the five years prior to your election to the bench, what percentage of your practice was in trial court, including matters that settled prior to trial?

15. List five of the most significant litigated matters you have personally handled in either trial or appellate court, or before a state or federal agency. Give citations if the cases were reported and describe why these matters were significant.
- (a) State v. Syllester D. Taylor (736 S.E. 2d 663, 2013): I handled this case at the trial level. It was trial in absence where I preserved all motions and eventually the

conviction was reversed by the Court of Appeals. (694 S.E. 2d 60, 2010) The Supreme Court subsequently reversed the Court of Appeals in the above referenced site. However, even though Mr. Taylor eventually lost his appeal in the Supreme Court by a 3-2 decision, this case is an example of our legal system at work and even though Mr. Taylor was absent from his trial he was represented effectively and was not denied any opportunity or due process of law in spite of his absence.

- (b) State v. Tavario Brunson: This was a very high profile case in Florence County that I tried along with another attorney. The evidence against Mr. Brunson was quite overwhelming to include a recorded confession and a positive DNA match. Mr. Brunson was convicted of murder and that result was never really in question. I believe this is an important case because it is an example of our Constitution at work. Mr. Brunson exercised his right to a Jury trial and even though the evidence was overwhelming he was provided an excellent defense and to this day I believe it is one of the most well tried cases that I have had the opportunity to be involved.
- (c) State v. Montez Barker : This is a death penalty case in which I was appointed lead counsel. It is important by the nature of the offense and the fact that a man's life was literally on the line. Death Penalty cases take an extreme amount of work and dedication. You are working as a team with another attorney that has been appointed as second chair as well as fact and mitigation investigators not to mention my client's family was heavily involved as well. We were able to work hard and in the end were able to spare Mr. Barker's life by negotiating a plea for him where he would not face the death penalty. It takes a lot of work and relationship building to get a capital client to trust you enough to eventually agree that pleading guilty where you will be receiving a life sentence is in his best interest. That is what happened in this case and it is one of the most satisfying results I have ever had in a case.
- (d) State v. Tyquan Jamar Johnson: This was a case in Florence County that was tried in December of 2018. Mr. Johnson was charged with murder. This was a case where my client maintained his innocence throughout this process. The State had made what I considered a very favorable offer to Mr. Johnson and I advised him that it would be in his best interest to take the offer. He stood his ground and said he didn't do it and he wouldn't plead guilty to something he didn't do. At trial another attorney in my office made our opening statement and I examined all of the witnesses, did the closing argument and made all motions. Mr. Johnson was found not guilty in the face of an eye witness who identified Mr. Johnson as the shooter. Mr. Johnson's cell phone was recovered within a few feet of the deceased. I knew that I had worked hard on the case and that I was prepared and could try a great case; however, in our humbling business that doesn't guarantee a favorable result. There were no lesser included offenses charged to the jury so it was all or nothing once the jury got the case. The jury returned a verdict of not guilty. I believe this case is significant because it is an example why it is the client's decision as to whether or not to plead or go to trial. Had Mr. Johnson taken my advice, he would be in prison for a considerable length of time. Even when I was advising him that he should take his deal, I also made sure I reiterated that it is his decision and not mine. Many times clients don't stand their ground. Mr. Johnson did and it worked in his favor.
- (e) State v. Calvin Jermaine Pompey Unpublished Opinion Number 2015-UP-280:

This was a case where Mr. Pompey was charged with murder in a shooting outside of a night club in Marion, SC. There had been an altercation inside the club and Mr. Pompey and the people he came with left and went to their car. An individual from the club who was involved in the altercation ran towards Mr. Pompey's vehicle and appeared to be reaching under his shirt giving the appearance of reaching for a weapon. Mr. Pompey was sitting in the passenger seat but had not had the opportunity to close the door. The deceased began entering the car to attack Mr. Pompey. Mr. Pompey got a handgun out of the glove compartment of the car and fired one shot, killing the individual. I made a motion to dismiss based under the Protection of Persons and Property Act. A hearing was held before The Honorable D. Craig Brown and Judge Brown found that Mr. Pompey was justified in his actions and that the state was barred from prosecuting him pursuant to the act. The state appealed and the Court of Appeals upheld Judge Brown's ruling in the above referenced unpublished opinion.

No.

47. Have you ever been sued by a client? Have you ever been a named party (personally or professionally) in or had a pecuniary interest in any civil or criminal proceedings? If so, give details, including, but not limited to, dates, and resolutions.

I was sued by a former client in Federal Court sometime prior to September 3, 2010. The case number was 1:10-cv-01890 JMC. On September 3, 2010 a Federal Magistrate issued a report recommending that the case be dismissed without prejudice and without service of process. The client's name is McIver Feagin, Jr. Because I was never served with process in the case prior to it being dismissed, I was unaware of the suit until the fall of 2012 when I had previously gone through the screening process for a Circuit Court Judgeship. When I was made aware of the suit in 2012, I had an opportunity to review the order from United States District Judge Michelle Childs. In that order, Judge Childs followed the magistrate's recommendation and dismissed the complaint without prejudice and without service of process. That order was signed on December 10, 2010. I do not know what the allegations contained in the complaint were as I have never had the opportunity to review that document and the case was disposed of without me ever having knowledge of or any involvement in the proceedings.

A second lawsuit was filed against me by my client, John Lawrence Barfield. The Civil Action Number is 8:20-cv-2634 DCN and it was filed on July 16, 2020. In the filing, he claimed that his Fifth and Fourteenth Amendments had been violated. He also claimed that I had assaulted him in front of two guards by stomping his foot. He claimed injuries to his toe and the top of his foot and asked for five thousand dollars in punitive damages. The action was dismissed without issuance and service of process by the Honorable David C. Norton on August 19, 2020.

I was sued by a former client named David Bryant Wicks on November 16, 2016 in Federal Court. The case number is 4:16-cv-03652-RBH. In that matter Mr. Wicks sued me along with many other individuals including Governor Haley, former Sheriff of Florence County Kenny Boone, Solicitor Ed Clements, III, and a number of other local law enforcement officers. From my standpoint, Mr. Wicks was charged with a forgery in Florence County in 2015 and made bond on that charge. Subsequently, he was arrested in North Carolina and was incarcerated there for a number of months. During that time I was not aware that he had been arrested in another jurisdiction. A bench warrant was issued for his failure to appear in Florence and he was eventually extradited to Florence County from North Carolina in September of 2016. He tried to tell me that prosecuting his case in Florence would violate the interstate agreement on detainers however, when I checked with our Clerk of Court, Mr. Wicks had never written them asking for his case to be dealt with pursuant to that act. We pled his case in December of 2016 for time served. I was never made aware of the suit filed in Federal Court in November of 2016. I looking

at his complaint it appears he accused me of threatening him if he didn't stop complaining, which is not true. Mr. Wicks' complaint is thirty-four pages and contains many false allegations that would appear to have come from the mind of someone who was dealing with mental health issues. The suit was dismissed by Judge Bryan Harwell without prejudice for failure to prosecute on April 3, 2017 without my knowledge of the suit ever being filed.

I was also sued by a former client named Freddie Junior Wells on August 27, 2007. I was sued along with members of the South Carolina Department of Probation, Parole and Pardon Services in case number 4:07-cv-02960-HMH. Mr. Wells was sentenced on October 25, 2002 to five years for felony DUI involving a death. He was required to do eighty-five percent of that sentence and was released into the community supervision program on June 30, 2006. He was subsequently charged with various violations of that program and brought before the Honorable Michael G. Nettles to have a hearing to determine whether he should be allowed to continue in the community supervision program or have up to one year revoked and return to prison. I represented him in the hearing regarding the community supervision violation. The judge revoked the full amount of 365 days. Mr. Wells filed this suit in Federal Court alleging that was a violation of his due process rights and double jeopardy and other things as well. That case was dismissed on October 19, 2007 without prejudice and without service of process.

This information may include how your life experiences have affected or influenced the kind or type of judge you have been or plan to be.

I grew up in a very supportive family and was fortunate to associate myself with friends that served as very positive influences. These influences from my friends and family played a significant role in shaping me as a person. They have taught me patience, respect and have instilled in me a tremendous work ethic. Most important, these influences and role models from my parents and family as well as friends both inside and out of the legal profession, taught me how to treat people and have instilled in me a tremendous sense of fairness. I have always believed that the best judges are the ones that treat people with respect and display the proper temperament for the job. I truly believe that these are the qualities that best lend themselves to effective judicial service. If I were to be elected, I would be the kind of judge that worked hard, made decisions on a timely basis and treat everyone that either appeared before me or worked in the court system with the respect they all deserve.
