Please also indicate the frequency of your appearances before a Circuit Court judge within the past five years.

During my 27-year career, I have actively appeared before the Circuit Court in at least 20 counties in South Carolina. In the past five years, I have appeared before a Circuit Court judge on a regular basis.

(a) I have limited experience in criminal matters in the Circuit Court during the past five years. I studied criminal procedure and substantive criminal law during those years, and I plan to draw on that experience to preside over criminal matters in Circuit Court. Additionally, I plan to study each case and each matter as they come before me, researching the statutes, case law, and applicable Rules of Criminal Procedure.

(b) I have extensive experience in civil matters before the Circuit Court in the past five years. I have served as lead counsel or sole counsel in all of those matters. I regularly file and argue motions, and I have tried cases in Circuit Court, both bench and jury trials. I represent individuals and companies in a wide variety of commercial litigation claims. I have handled insurance coverage disputes, mostly representing

insurance companies, but several times I have represented the insureds. I have handled numerous real estate matters in Circuit Court, involving Homeowner Association rules, boundary disputes, and restrictive covenants. I have defended lawyers in legal malpractice actions. I have handled other general civil matters, including litigation involving financial institutions, where I mostly represent the financial institutions. I have represented landowners in condemnation proceedings, both in the proceedings to fix the award and proceedings to challenge the condemnation. I have handled personal injury matters, both large and small, usually representing defendants.

I am a lawyer with Maynard Nexsen, which has offices in four cities in South Carolina, and the lawyers regularly appear before the Circuit Court. If elected, I would recuse myself from any action in which I participated as a lawyer at Maynard Nexsen. For matters in which I did not participate, but the one of the parties is represented by a Maynard Nexsen lawyer, I would disclose my past relationship with Maynard Nexsen to all parties. I would then inquire whether the matter arose while I was a lawyer associated with Maynard Nexsen, and decide whether the Cannons require recusal.

(a) I am not aware of any potential conflict of interests simply by virtue of ownership of the lot and home, but if Santee Cooper were involved in a civil action in Circuit Court that comes before me as a judge, that may create a potential conflict of interest.

Not to my knowledge.

Have you received the assurance of any public official or public employee that they will seek

the pledge of any member of the General Assembly as to your election for the position for which you are being screened? If so, give details.

No. I have not requested nor been offered a pledge of support for this position.

Also, provide the Commission with **original letters** of recommendation from each person listed herein, including their signature (preferably in blue ink). **The Commission will not accept a photocopy or electronic submission of a letter of recommendation and failure to include all five (5) original letters of recommendation in your packet when you submit it will render your packet incomplete.** Please **do not** have references mail your reference letters to the Commission directly. *You must return the five (5) original letters of recommendation to the Commission with your application.*

My grandfather, O. T. Wallace, served as master-in-equity in Charleston County. My father, Robert Wallace, served as the Ninth Circuit Solicitor from 1968 to 1976. I learned from both of these men the value of the rule of law, the integrity of the judicial system, and the effort it takes to maintain both. I hope to serve as a Circuit Court judge consistent with the highest principles embraced and demonstrated by these two men.
