To whom it may concern:

- My name is Karon Mitchell. I am a lifelong resident of Horry County and a court watcher in 15th circuit on a regular basis.
- I plan on testifying regarding Judge Jane Bromell Holmes judicial temperament. I have witnessed appalling, disturbing, and problematic behavior on a number of occasions while observing her as a presiding judge in the 15th circuit family court. I have witnessed firsthand her temper, impatience, rudeness, and arrogance towards litigants and observers in her courtroom.
- I have observed her behaving arbitrarily; and as such, believe her temperament and demeanor on the bench create an impediment to the judicial process and administration of Justice.
- I have reviewed her 2018 JMISC transcripts where she was questioned regarding her judicial temperament and I see no evidence of any improvement from the 2018 testimony before this commission.
- Thanks for allowing me the opportunity to bring my concerns before this commission.

• Kindest regards, Karon Mitchell
