AMENDMENT TO PERSONAL DATA QUESTIONNAIRE - July 22, 2019

34. Has a tax lien or other collection procedure ever been instituted against you by federal, state, or local authorities? Have you ever defaulted on a student loan? Have you ever filed for bankruptcy? If so, give details.

Please strike my prior answer and replace it with this:

Yes. A tax lien was assessed against me by the State of South Carolina Department of Revenue (SDOR) in May 2004. To the best of my recollection, the disputed tax was from the year 2001 when I was in law school in New Jersey. The tax assessed was \$483.00. I had filed taxes in the state of New Jersey that year and believe that the dispute with South Carolina was where I had filed. The lien was filed as satisfied in the Register of Deeds office on September 24, 2004. I have attempted to get an expungement letter from the SCDOR but due to the age of the case, I was told that it could take some time.

I have never defaulted on a student loan. I have never filed for bankruptcy.

39. Describe any financial arrangements or business relationships you have, or have had in the past, that could constitute or result in a possible conflict of interest in the position you seek or currently hold. Explain how you would resolve any potential conflict of interest.

Please allow this to supplement my prior answer:

As of October 1, 2019, Lawmas Holdings, LLC, the real estate holding company that I own with my law partner, has a renter in our building at 414-B Pettigru Street. This renter is a lawyer who practices family law. If the lawyer ever appeared before me, I would recuse myself.
