During my years in private practice, I had a very busy trial practice. I handled the defense of personal injury cases in state court. I defended governmental entities and law enforcement officers in 42 U.S.C. §1983 cases and tort cases in state court and federal court. I represented insurance carriers in arson and other insurance fraud cases. I also represented

plaintiffs in personal injury cases. I also advised and represented business entities and handled business transactions.

In all three law firms with which I was associated, I supervised my immediate staff, and during my time with Richardson, James and Player and with Richardson and James, I had a more overall supervisory role with all staff than I did with Lee, Erter, Wilson, James, Holler and Smith. All three firms had IOLTA trust accounts and I was responsible, as was any partner, for accurate record-keeping of those accounts.

Justices/judges applying for re-election to their current position may omit Questions 11–17. If you are a full-time judge seeking a judgeship different than your current position, Questions 11-17 should be answered based on your experience *prior to serving on the bench*.

Answers to Questions 11-17 are omitted. I am seeking re-election to the same position.

If so, give details but do not include traffic violations which are subject to a penalty of \$125 or less. You must include any and all arrests, including, but not limited to, offenses for driving under the influence or similar traffic offenses. Include all arrests that resulted in expungement, which will be redacted. If you have questions regarding whether to include an offense, please contact the Commission.

[All answers have been received and considered by the Commission, and as noted above, any expunged matters are redacted from the record.]

46. Have you, to your knowledge, ever been under federal, state, or local investigation for possible violation of a criminal statute? If yes, explain.

No

47. Have you ever been sued by a client? Have you ever been a named party (personally or professionally) in or had a pecuniary interest in any civil or criminal proceedings? If so, give details, including, but not limited to, dates, and resolutions.

I have never been sued by a client. I was sued one time when I was on the circuit bench. I, Circuit Judge Alison R. Lee, Lexington County Master-in-Equity James O. Spence, Lexington County Clerk of Court Beth A. Carrigg, and Citi-Mortgage, Inc. were sued by Joseph McQuatters in the Lexington County Court of Common Pleas (2010-CP-32-01917). As I recall, I was never served with the summons and complaint, but the Insurance Reserve Fund provided counsel to me. Her name is Lisa L. Smith, Esq., now or formerly of Davis Frawley, LLC, in Lexington. Mr. McQuatters sued me because he did not like a ruling I made in a Lexington County foreclosure suit brought against him by Citi-Mortgage. The action against me was dismissed on January 14, 2013. Attorney Smith advised me by email that Mr. McQuatters also filed an action in federal court on February 11, 2013 against Judge Lee and me, but I was never served with any papers in that case either. I do not know the case number, never saw the summons and complaint, and assume that action was dismissed.

48. If you are in private practice, are you covered by malpractice insurance and, if so, how long have you carried malpractice insurance? If applicable, have you ever been covered by a tail policy? If so, please explain when you were covered by a tail policy. Also, if applicable, indicate your coverage and deductible for your current malpractice policy.

[Yes and no responses are redacted for all candidates unless there is a public discipline.]

50. Have you ever been investigated by the Department of Social Services? If so, give the details and the resolution. Has your name ever been enrolled on the Central Registry of Child Abuse and Neglect? If so, give the details.

No

Note: The flash drive with your application materials contains (1) Section 2-19-70(c); (2) JMSC Rule 24, (3) Memo of Guidance, and (4) informal opinions and letters concerning pledging prohibitions, with which third parties acting on your behalf, as well as you, must comply.

51. Have you directly or indirectly requested the pledge of any member of the General Assembly as to your election for the position for which you are being screened or have you been offered a conditional pledge of support by any legislator pending the outcome of your screening? Have you received the assurance of any public official or public employee that they will seek the pledge of any member of the General Assembly as to your election for the position for which you are being screened? If so, give details.

My answer is "No" to both questions.

52. Have you requested any third parties to contact members of the General Assembly on your behalf before the final and formal screening report has been released? Describe the campaigning you have done for this election and include a list of those individuals you have asked to campaign on your behalf and, to the best of your knowledge, those who have campaigned for you on their own initiative.

53. Are you familiar with the 48-hour rule, which prohibits a candidate from seeking pledges until after the draft report becomes final, which occurs on the day and time specified on the Commission's published screening schedule?

No (other than the required five letters of recommendation—see Question 55—I will hand deliver as part of this PDQ).

55. List the names, addresses, and telephone numbers of five (5) persons from whom you are providing references. Also, provide the Commission with **original letters** of recommendation from each person listed herein, including their signature (preferably in blue ink). **The Commission will not accept a photocopy or electronic submission of a letter of recommendation and failure to include all five (5) original letters of recommendation in your packet when you submit it will render your packet incomplete.** Please **do not** have references mail your reference letters to the Commission directly. *You must return the five (5) original letters of recommendation to the Commission with your application packet.*

58. Provide any other information that may reflect positively or negatively on your candidacy, or which you believe should be disclosed in connection with consideration of you for nomination for the position you seek. This information may include how your life experiences have affected or influenced the kind or type of judge you have been or plan to be.

I believe I have served capably and honorably on the Supreme Court during the past two years and five months. I would be honored to be elected to a full term. I believe my work ethic has allowed me to develop into an able appellate judge. My life as a practicing lawyer with a very busy litigation practice required a wide range of legal knowledge, both practical and technical. My experience has taught me that intense preparation is a key to being an effective trial lawyer and an effective judge.
