Laurie:

I am hereby supplementing my response to Question # 34 of the Personal Data Questionnaire. I believe that question asks for any law suits in which I may have been named as a Defendant. I had forgotten that I was a named Defendant in a suit filed by an inmate against whom I had decided several PCR's . It alleged several things regarding those PCRs. The suit against me was dismissed prior to trial. It can be found at 08-CP-11-265 in Cherokee County.

Thanks, Roger Couch

Laurie:

I am supplementing my response to PDQ Form Question #34 for the second time.

My former law firm was made a party to a civil suit by our former partner's wife. The case was Carol Courtney Vs. C. Tyrone Courtney at al. C.A. No. 97-CP-11-509. The case was dismissed against the firm on a 12-B Motion as not stating a cause of action against the firm or the other partners.

Thank you. Roger Couch
