RE: Amendment to Sworn Statement Question #1

Dear Mrs. Shuler:

Please find below my answer to the above referenced question.

Why do you want to serve as a Circuit Court judge?

I want to serve as a Circuit Court judge because I believe I can have a positive impact. I have practiced law for the past 20 years. I enjoyed working as an Assistant Solicitor here in Richland County for 8 1/2 years. During this time I gained a wealth of trial experience. I also learned from the judges I practiced before how to manage a courtroom efficiently. I further believe that my work experience as a Commissioner for the South Carolina Workers' Compensation Commission has prepared me to be a Circuit Court judge. During my term as a Commissioner I presided over cases listening to testimony, making evidentiary and factual rulings and making final decisions on cases. In my current position I participate in hearings and appeals before the Workers' Compensation Commission, Circuit Court and Court of Appeals. I also draft Order, Briefs and other pleading to be presented to these bodies. I believe that Will be a good Circuit Court Judge.

Thank you for accepting this amendment to my Sworn Statement.

Sincerely,

Lisa C. Glover
