RE: Letter Amendment to Personal Data Questionnaire

Dear Jane:

Pursuant to your recent communication to me concerning information contained in my SLED Report, please accept this amendment by letter to include the following lawsuits in response to question #34 of my original Personal Data Questionnaire (PDQ):

- (1) While serving as Chief Judge of the South Carolina Court of Appeals, I was named as a defendant in the case of Gary Wise (prisoner) vs. James E. Moore, Jean Toal, and Kaye G. Hearn. This case was dismissed on June 8, 2009;
- (2) While serving as Chief Judge of the South Carolina Court of Appeals, I was named as a defendant in the case of Gary Wise (prisoner) vs. United States of America, Kenneth Richstad, and Judge Kaye G. Hearn. This case was dismissed on September 23, 2009.

Please add these two prisoner lawsuits to my PDQ.

Sincerely,

Kaye G. Hearn
