14. Describe chronologically your legal experience since graduation from law school and include a list of all law firms with which you have been associated. Describe the general character of your practice and divide it into periods with dates if its character has changed over the years.

After graduation from USC Law School in May 1976, I took a study course to prepare for the SC Bar Exam, which I took in July 1976. After the bar exam, I was employed as an associate of my father, Jerome P. Askins, Jr., who practiced in Hemingway, SC. I was employed by him until the end of 1980. We were joined by my brother, Gregory B. Askins, in the summer of 1980. My father retired in 1980 (died 1981), and my brother and I began a partnership in 1981, practicing as Askins and Askins. In April 1984, our firm merged with another two person firm to form Askins, Chandler, Ruffin and Askins. C. B. Ruffin withdrew in 1985, and I practiced with my brother and William H. (Bill) Chandler (Askins, Chandler, and Askins, LLP) from 1985 until December, 2006 when Bill Chandler died. My brother and I have continued the partnership through the present. My nephew, Carson B. Askins, was employed as an associate in 2011.

My practice has been a general practice. I have handled civil litigation representing mostly plaintiffs with some defense work, probate and estate matters, domestic relations cases, real property matters, contracts and some criminal cases. Most of my criminal

defense work was court appointed. I served as Assistant Williamsburg County Public Defender for about 3 years in the 1990's. I am a certified circuit court mediator.

If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years and include a brief description of the issues involved. Further, please provide a brief written description of your experience in civil matters, including any cases handled over the past five years and include a brief description of the types of matters handled, issues involved, and procedural history. Please include information such as the primary areas in civil court in which you practice, whether you represent plaintiffs or defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background has prepared you to preside over such matters as a Circuit Court Judge, or how you would compensate for your lack of experience in this area.

Criminal Matters: I have handled mostly criminal defense, although I have prosecuted some cases in municipal court. Most of my criminal cases have been court appointed. I also served as Assistant Williamsburg County Public Defender for about 3 years in the 1990's. During this time, I handled numerous jury trials as well as guilty pleas. I am not certified to handle death penalty cases at present, but I have been appointed as counsel for defendants in two death penalty cases in the past. My last jury trial in a criminal case in General Sessions was as court appointed defense counsel in an armed robbery case where the defendant had a prior conviction for armed robbery and was facing life in prison upon conviction. In recent years, I was taken off the list for court appointments for indigents and minors, handling mostly DSS cases in Family Court and post conviction relief cases.

Civil Matters: When I began practicing law in 1976, I handled civil matters in the U.S. District Court, U. S. Bankruptcy Court, Family Court, County Court, Court of Common Pleas, Probate Court, and Magistrate's Court. More recently, I have not handled matters in the U. S. District Court or Bankruptcy Court, and I have handled only a few cases in Family Court, other than numerous Court appointed cases representing indigents and minors, and serving as a guardian ad litem. In the Court of Common Pleas, I have tried personal injury cases, representing plaintiffs, contracts cases representing plaintiffs and defendants, and collection cases primarily representing lenders although I have occasionally represented defendants. I have also tried contested matters in Probate Court. I have not had a jury trial in Common Pleas Court recently, but I have had numerous non-jury matters.

In addition to my experience in the court room, I believe experience in dealing with people of all walks of life in a small town general law practice for over 37 years would be invaluable to me as a circuit judge. My clients have been a widely diverse group, including indigents and multi-millionaires; young and old; male and female; African-Americans, Caucasians, and Hispanics; individuals and large corporations. Also, I have chaired or presided over numerous organizations, serving in positions such as Chairman of the Florence County Planning Commission; Chairman of Hemingway First United Methodist Church Administrative Council and Pastor/Staff Parish Relations Committee; President of Williamsburg County Bar Association; President of Johnsonville/Hemingway Lions Club; past Master of Indiantown Masonic Lodge#165. I am a certified circuit court mediator, and I have served as a special referee in non-jury cases.

Provide any other information that may reflect positively or negatively on your candidacy, or which you believe should be disclosed in connection with consideration of you for nomination for the position you seek. I have aspired to be a circuit judge for some time. My father was an attorney and I was exposed to the legal profession at an early age. He was a country lawyer, as I am. I witnessed how he was as kind, respectful and patient with a poor uneducated sharecropper as he was with a wealthy businessman. I had good parents, good upbringing. Good grades and good behavior at school were demanded, not merely encouraged. Sunday school was mandatory. I decided as a boy that I wanted to be an attorney. During my years of practicing law, I decided that I wanted to be a judge someday. For me, the timing seems right-my wife has retired from teaching school and my children are adults. As far as I know, I am in good health and I intend to work indefinitely. In my thirty-seven plus years of practicing law, I have handled a wide array of cases for a vastly diverse group of clients. I believe the experience gained thus far during my career would be of great benefit-not just time in the courthouse, but time dealing with all kinds of people and all kinds of legal problems. Over the years, I have encountered outstanding judges-skilled and capable with the temperament to maintain order and decorum in the courtroom and control the proceeding while being patient, dignified, courteous and respectful to attorneys, parties, jurors and courtroom personnel. Unfortunately, I have also encountered judges who were rude, arrogant, impatient and inconsiderate of those around them. I very much want to serve and I am committed to being one of the good guys.
