- (a) Law Clerk to the Hon. Joseph F. Anderson, Jr., Chief Judge of the United States District Court for the District of SC (2001-02);
  - (b) Law Clerk to the Hon. Andrew J. Kleinfeld, Circuit Judge, United States Court of Appeals for the Ninth Circuit (2002-03);
  - (c) Covington & Burling, Washington, DC, (2003-04). 100% litigation with a nationwide practice, split approximately 50/50 between complex corporate litigation (representing defendants) and white collar criminal defense, including defense of securities violations;
  - (d) Lewis, Babcock & Hawkins, Columbia, SC (2004-06). 100% civil litigation, including complex civil cases in the federal and state courts of SC, and appeals in both the federal and SC appellate courts. My practice included all aspects of civil litigation, and was approximately 2/3 plaintiff-side and 1/3 defense side;
  - (e) Solo Private Practice, Columbia, SC (2006-07). 100% civil litigation, almost entirely a single plaintiff-side trust litigation matter involving a prominent family and a significant amount of money;
  - (f) McGowan, Hood & Felder, LLC, Rock Hill, SC (2007-Present). 80% civil litigation, which was entirely plaintiff-side, and 20% criminal defense. My civil practice consists of about 50% medical malpractice work and the remainder is complex civil litigation in the federal and state courts, including appeals. My criminal defense work is in the state court system only. I assist other lawyers with ethics issues on a pro-bono basis.

If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years and include a brief description of the issues involved. Further, please provide a brief written description of your experience in civil matters, including any cases handled over the past five years and include a brief description of the types of matters handled, issues involved, and procedural history. Please include information such as the primary areas in civil court in which you practice, whether you represent plaintiffs or defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background has prepared you to preside over such matters as a Circuit Court Judge, or how you would compensate for your lack of experience in this area.

My civil litigation experience includes medical malpractice, insurance law, copyright law, general person injury, school liability, Federal §1983 claims, jail liability, employment law, motor vehicle accidents, and truck accidents with medical malpractice being my primary concentration. I have experience with all procedural aspects, including appeals, jury trials, motions practice, discovery practice, and have taken many, many depositions. My practice is currently 100% plaintiff, but I have represented defendants

earlier in my career at Covington & Burling and Lewis, Babcock and Hawkins. I also assist other lawyers, on a pro-bono basis, who have ethical issues. My practice focuses on cases with significant damages and/or death cases.

My criminal experience is entirely within the Sixteenth Circuit General Sessions Court (other than a small handful in the York County Magistrates' Court). Approximately half of the cases I have handled involve drug charges of some sort, with the remainder ranging from armed robbery to grand larceny to assault and everything in between. I am not death penalty qualified. I am familiar with both PTI and Drug Court from assisting clients into those diversion programs.

  - (c) Aiken Preparatory School (1996-98);

29. A complete, current financial net worth statement was provided to the Commission.
30. Describe any financial arrangements or business relationships you have, or have had in the past, that could constitute or result in a possible conflict of interest in the position you seek. Explain how you would resolve any potential conflict of interest. None.
31. Have you ever been arrested, charged, or held by federal, state, or other law enforcement authorities for violation or for suspicion of violation of any federal law or regulation, state law or regulation, or county or municipal law, regulation, or ordinance, or any other law, including another country's law? No.
32. Have you, to your knowledge, ever been under federal, state, or local investigation for possible violation of a criminal statute? No.

33. Has a tax lien or other collection procedure ever been instituted against you by federal, state, or local authorities? Have you ever defaulted on a student loan? Have you ever filed for bankruptcy?

SC instituted a tax lien against me in 2008, based on 2006 state taxes. I had an unexpectedly high state tax bill that year, and had to ask for a payment plan. Despite my compliance with the payment plan, SC filed a lien (apparently this is routine). It was paid off the same year. I have never filed bankruptcy or been in default on student loans.

34. Have you ever been sued, either personally or professionally, that is, have you ever been named as defendant or respondent in any court of law?

I was a defendant in a civil action resulting from a car accident in New Jersey in 1995. It was Lences v. McKinnon, in Mercer Co. Superior Court in New Jersey. The case was settled with a payment by my insurer, USAA. I do not remember the amount. The case was filed in 1997 and settled, as best as I can remember, in late 2001.

36. Have you ever been investigated by the Department of Social Services? Has your name ever been enrolled on the Central Registry of Child Abuse and Neglect? No.

37. If you are in private practice, are you covered by malpractice insurance and, if so, how long have you carried malpractice insurance?

I am covered by malpractice insurance with a \$2/4 million limit and a \$50,000 deductible. I have never been covered by a tail policy. I was first covered by a malpractice policy while working at Covington & Burling, in Washington, DC, beginning in 2003.

38. Are you active on or a member of a social media or Internet site or have you, to your knowledge, been featured or depicted on a social media or Internet site, such as, Facebook, LinkedIn, Twitter, etc.?

I am not active on any social media sites, though I have used Facebook in the past and been “depicted” on it. I do occasionally check Twitter and Instagram to see what my friends have posted, but do not post anything myself. I do not anticipate any of these practices would change if I served as a judge.

39. Are you now or have you ever been employed as a “lobbyist,” as defined by S.C. Code § 2-17-10(13), or have you acted in the capacity of a “lobbyist’s principal,” as defined by S.C. Code § 2-17-10(14)? No.

40. Since filing with the Commission your letter of intent to run for judicial office, have you accepted lodging, transportation, entertainment, food, meals, beverages, money, or any other thing of value as defined by S.C. Code § 2-17-10(1) from a lobbyist or lobbyist’s principal?

No.

41. S.C. Code § 8-13-700 provides, in part, that “[n]o public official, public member, or public employee may knowingly use his official office, membership, or employment to obtain an economic interest for himself, a member of his immediate family, an individual with whom he is associated, or a business with which he is associated.” Please detail any knowledge you have of any formal charges or informal allegations against you or any other candidate for violations of these provisions. None.

42. S.C. Code § 8-13-765 provides, in part, that “[n]o person may use government personnel, equipment, materials, or an office building in an election campaign.” Please detail any knowledge you have of any formal charges or informal allegations against you or any other candidate for violations of these provisions. None.

43. Itemize (by amount, type, and date) all expenditures, other than those for travel and room and board, made by you, or on your behalf in furtherance of your candidacy for the position you seek. None.
44. List the amount and recipient of all contributions made by you or on your behalf to members of the General Assembly since the announcement of your intent to seek election to a judgeship. None.
45. Have you directly or indirectly requested the pledge of any member of the General Assembly as to your election for the position for which you are being screened? Have you received the assurance of any public official or public employee that they will seek the pledge of any member of the General Assembly as to your election for the position for which you are being screened? No.
46. Have you requested a friend or colleague to contact members of the General Assembly on your behalf? Are you aware of any friends or colleagues contacting members of the General Assembly on your behalf?  
 No requests, but at least 2 friends (not in political office) have told me they have made phone calls to find out how the process works, etc., after I told them I was running.
47. Have you or has anyone acting on your behalf solicited or collected funds to aid in the promotion of your candidacy? No.
48. Have you or has anyone acting on your behalf contacted members of the Judicial Merit Selection Commission about your candidacy or intention to become a candidate? No.
49. List all bar associations and professional organizations of which you are a member and give the titles and dates of any offices you have held in such groups.  
 (a) SC Association for Justice (SCAJ);  
 (b) American Association for Justice (AAJ).
50. List all civic, charitable, educational, social, and fraternal organizations of which you are or have been a member during the past five years and include any offices held in such a group, any professional honors, awards, or other forms of recognition received and not listed elsewhere.  
 (a) National Rifle Association – Firearm Safety and Pistol Instructor;  
 (b) Westminster Presbyterian Church – Formerly a Deacon and now an Elder.
51. Provide any other information that may reflect positively or negatively on your candidacy, or which you believe should be disclosed in connection with consideration of you for nomination for the position you seek. This information may include how your life experiences have affected or influenced the kind or type of judge you have been or plan to be.

Until this year, when I was elected an Elder, I served as a Deacon at Westminster Presbyterian Church in Rock Hill. My job in the diaconate was “emergency care” of congregational members. That is, if someone lost their job and couldn’t pay their power bill, or their air conditioner broke in the summer and they couldn’t pay to fix it, I would get that call. I spent a lot of time assisting, counseling, and praying with people struggling with some very difficult circumstances. I do think this experience changed me. I think that as a result of this work, I will be more able to put myself in the shoes of litigants, victims, and defendants. Additionally, I have significant experience with students, having been a teacher and currently a volunteer with the youth group at my church, experience which has given me significant insight into how children are impacted by difficult family situations.

Finally, I think my wide range of experience will help me be more effective as a judge. I have worked at a firm with over 300 lawyers in one office, and been a solo practitioner. I've appeared in Magistrate's Court a few times, and filed cert petitions with the US Supreme Court. I've been a law clerk in a trial court and an appellate court. I've argued about every type of motion that exists. I've defended criminal clients. I think this breadth of experience will help me better relate to, and work with, all of the various lawyers we have in the Sixteenth Circuit, as well as the members of the public who come before me as litigants or defendants.
