- As State Court Administrator, I am responsible for administering the state court system under the direction of the Chief Justice of the SC Supreme Court. My Responsibilities include developing procedures to

implement Supreme Court rules, policies and state law affecting state courts. Additional responsibilities include coordinating state judicial functions with county court officials; serving as State contact with the National Center for State Courts; serving as a conduit for information for the management of personnel and operations in support of the functions of the state courts at all levels. Duties include serving as liaison between the Legislative and Judicial Branch relating to the annual appropriation act and legislation affecting the courts. My duties involve managing Court Administration staff including staff attorneys and Judicial Department Court Reporters. As State Court Administrator, my responsibilities include responding to legislative, governmental, media and citizen inquiries. Duties require frequent interaction with governmental agencies such as the Department of Social Services, Department of Juvenile Justice, Probation Parole and Pardon, Department of Corrections, Guardian ad Litem and Foster Care Review Board regarding state court policies and procedures. I assist the media with requests for court related information promoting public accountability and transparency. Duties include making recommendations to the Supreme Court to implement changes in state law and court rules. My office is responsible for providing education and direction to judges, clerks of court and the bar to implement new policies and procedures. This position involves identifying emerging issues that may impact the courts statewide or that may have precedent setting impact and making recommendations to the Supreme Court to address the challenges. On a regular basis, I am required to exercise judgment and problem resolution skills particularly related to the interpretation of state law and court rules.

Law Clerk to the Honorable Ernest A. Finney, Jr., Chief Justice
SC Supreme Court, July 1993 - November 1998

As a Supreme Court law clerk, I researched complex legal issues on appeal to the Supreme Court. I wrote bench memoranda for the court providing legal case analysis and proposed recommendations and opinions in the areas of domestic, civil and criminal law. Because of my earlier experience as a Budget Research Analyst for the House of Representatives, Ways and Means Committee, I assumed the additional duty of monitoring legislative bills that affected the Judicial Branch, as well as the Appropriations Act.

Legal Writing Instructor University of SC School of Law 1998-1999

I taught legal writing to first year law students and was responsible for providing instruction on legal research and legal writing, graded assignments and provided course grades.

Staff Attorney: SC Supreme Court, August 1992 - July 1993

I researched legal issues; prepared screening memoranda and reviewed appellate motions for the Supreme Court Justices.

Summer Associate, Nelson, Mullins, Riley & Scarborough,
Columbia, SC, May 1990 - August 1990; May 1991 - August 1991

Researched legal issues and drafted memoranda with emphasis in Workers' Compensation, Bankruptcy and Commercial Law.

- 14.(a) If you are a candidate for Family Court, please provide a brief written description of your experience within each of the following Family Court practice areas: divorce and equitable division of property, child custody, adoption, abuse and neglect, and juvenile justice. Include information about cases you have handled in each of these practice areas, or if you have not practiced in an area, describe how your background has prepared you to preside over such matters as a Family Court Judge.

Seeking a nomination for a Family Court Judgeship has been my professional goal and I am confident my keen analytical skills and extensive leadership experience coupled with a diverse legal background provide the essential underpinning to become a successful jurist. This experience is based on my service as a Supreme Court staff attorney and law clerk, State Court Administrator and substantial involvement in family law issues on the local and national level.

As State Court Administrator, I have assisted in the development of Family Court administrative orders issued by the Supreme Court related to the management of the family court docket. Such orders include procedures to monitor family court cases that are older than 365 days; revisions to the Order of Protection from Domestic Abuse; and development of a court coordination protocol to improve efficient management of child abuse and neglect cases that also include criminal charges. I have worked with the DSS Office of Child Support Enforcement in the periodic review of the Child Support Guidelines.

I initiated efforts to receive federal Court Improvement Grant funds to assist S.C. in implementing systematic improvements in the courts handling of child abuse and neglect proceedings. One of the initiatives accomplished with grant funds was the development of a video educational tool for judges to hear directly from foster care youth on the impact of the foster care system to their lives and their desire to be heard by the court. I participated in the National Leadership Summit on the Protection of Children funded largely by the PEW Charitable Trusts. This Summit began the national discussion on the importance of exercising leadership in each state to make child protection a priority. I organized a S.C. team which as a result of our participation led to the planning of two subsequent S.C. Summits bringing the court, Department of Social Services attorneys, child service workers, Guardian ad Litem attorneys and Foster Care agencies together to discuss ways to improve the child protection system at the county and state levels. Also, as a direct result of the National Summit, we recommended that the appellate court amend the Appellate Court Rules to give to expedite termination of parental rights cases.

I have chaired the Courts, Children and Families Committee for the Conference of State Court Administrators for over 5 years and co-chaired the

committee for several years prior to that time. Over the years I have been involved in national policy issues such as reviewing federal legislation and making recommendations on policy positions such as child welfare, child support, domestic violence and elder abuse. I have represented the committee on the Department of State Advisory Committee on Private International Law's Study Group on the 1006 Hague Convention on Jurisdiction, Applicable Law, Recognition, Enforcement and Co-operation in respect of parental responsibility and measures for the protection of children. Discussion involved the role of state courts in implementing the provisions and assisting judges in complying with the treaties if ratified. Additionally, the Courts Children and Families Committee is involved in issues including child welfare, adoption, domestic violence, guardianship and elder abuse. I have also served as a liaison to the National Council of Juvenile and Family Court Judges since 2009 and worked on common issues in the family court area. As liaison, I participated in the Work Group of Permanency Planning for Children Department of the National Council of Juvenile and Family Court Judges to develop a bench card entitled "Courts Catalyzing Change: Achieving Equity and Fairness in Foster Care." The bench card serves as a checklist for judges to use in preliminary protective hearings.

Over the last year, I have worked with the National Center for State Courts, Conference of Chief Justices and ABA on Language Access issues. I worked as part of a small group to refine the proposed ABA Language Access Standards in the courts to produce a document that was acceptable to state courts. Also, as a result of discussion on Language Access Standards I am a member of the team planning a Language Access Summit for all states to provide best practices to ensure courts are accessible.

As a Supreme Court Law Clerk, I was assigned to Doe v. Clark, an adoption case where the issue on appeal related to whether a mother's consent to relinquish her parental rights before the birth of her child was valid. Gilley v. Gilley, consolidated appeals from circuit and family court orders related to partition of property held as tenants-in-common and claim for equitable apportionment was precluded based on prenuptial agreement.

I am willing to study diligently to compensate for what may be viewed as limited trial experience. I stand ready to complete all requisite and available training for new judges, to fully leverage my ability to serve on the Family Court with distinction.

- I have worked as an attorney during my 20 year legal career in what may be viewed as a less conventional path. I have worked with practicing

attorneys and was married to an attorney for many years who practiced in domestic law. I have seen the practicing side of an attorney from that secondary view. I believe that I have the skills required of a judge. Over my years of service as a Court Administrator, I have worked on educational programs for family court judges. Through my close working relationship with family court judges, I understand what is involved with service as a family court judge. I believe that my experiences are valuable training for the bench. I acknowledge that there are areas that I will have to educate myself on and I am willing to spend the time to enhance my skills. I believe that my varied background gives me a well rounded perspective. My unique experience gives me an in depth understanding and vision of the family court system.

Additionally, my many experiences as a presiding officer of professional and civic organizations have allowed me to perfect my analytical, communication, organization and problem solving skills. All of these skills would be beneficial to presiding as a judge. On a personal level, I have always believed in fairness, and treating others fairly. I have always been a peacemaker and a problem solver.

I believe in treating people with respect and without bias. I believe that my ability to listen to all sides, along with my patience, passion for justice and fairness are all essential attributes for service as a judge. I have established a professional reputation built on integrity, exceptional intellect and judgment, as evident by the letters of recommendation. I am confident these essential attributes will directly support my qualification as a Family Court Judge.
