[Sworn State question #12] Have you engaged in any fund-raising activities with any political, social, community, or religious organizations? Please describe.

I am amending question #12.

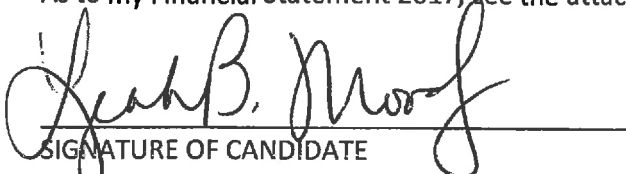

I was involved in requesting sponsorships for the NCBLA, SCBLA and John S. Leary Joint Conference held September 29, 2017, which I was the Conference's Co-Chair for South Carolina. My firm along six (6) other firms sponsored the conference reception, CLE breaks, luncheon, and conference bags. My law firm specifically sponsored the conference bags, which I have the receipt of payment. My participation began January 3, 2017, which was the planning and prior to my filing for this judicial race.

Also, please see my PDQ-44, where I have listed all political contributions in years 2014-2016.
