- (a) December 2000-August 2002: Law Offices of Jessica Salvini. After passing the California Bar exam, I opened my own law firm in San Francisco, CA. My practice consisted of handling civil and criminal state and federal court cases. I handled pretrial and trial matters for contract disputes, simple divorces, consumer protection actions, bank fraud, various drug crimes and other criminal law matters. I handled these matters in my capacity as an independent contractor for Weinberg & Wilder and as a sole practitioner. As this was my own law firm, I managed the law firm, which included managing its finances. I did not have a trust account at that time as I did not accept retainers from clients that required me to do so.
- (b) August 2002-Present Date: Salvini & Bennett, Attorneys at Law, LLC. Upon relocating to the State of South Carolina, I continued my practice of law by opening a law firm with J. Bradley Bennett, Esq. Over the course of almost fifteen years, I have acted as the senior partner in our firm, which has a general practice handling a wide variety of legal issues for individuals and businesses. I have represented individuals and businesses in civil, criminal and family law matters. My practice areas include: all pretrial and trial matters for contract and real property disputes, all pre-trial and trial matters in domestic law cases; all pre-trial and trial matters in probate court matters; all pre-trial and trial matters in state and federal criminal court cases; appeals to the Fourth Circuit Court of Appeals and appeals to the South Carolina Court of Appeals. During the course of my practice, I have served as one of Greenville County Probate Court's Commitment Proceedings Attorneys. I have also served and still serve as a Criminal Justice Act Panel Attorney for the US District Court for the District of SC and the US Court of Appeals for the Fourth Circuit. I assist our Criminal Justice Act Panel Representative in the Upstate. My law firm now consists of myself, my law partner and an associate attorney. My law partner and I manage the law firm, including the law firm's trust account.
- (c) August 2007 to Present Date: Municipal Court Judge for the City of Mauldin, SC. In August 2007, I was appointed to serve as an Associate Municipal Court Judge for the City of Mauldin, South Carolina. In 2009, I sought and was appointed to serve as the Chief Trial Judge for the City of Mauldin and I currently serve in this capacity. As both an Associate Municipal Court Judge and the Chief Municipal Court Trial Judge, I have

presided over numerous cases involving: violations and or enforcement of city ordinances, misdemeanor criminal matters, traffic violations, bond hearings and preliminary hearings for felony criminal matters. As the Chief Trial Judge, I hold court for the City of Mauldin every Wednesday (excluding the fifth Wednesday in any given month), presiding over matters involving violations and or enforcement of city ordinances, traffic violations and misdemeanor criminal law matters. The aforementioned proceedings primarily involve motion hearings, guilty pleas and bench trials. Once a month I also preside over preliminary hearings for felony matters arising out of the City of Mauldin. I also now preside over Domestic Violence Court for the City of Mauldin, which occurs once a month. Approximately once a quarter, I preside over jury trials for misdemeanor criminal law matters and city ordinance violations occurring in the City of Mauldin.

15. Please answer the following (if you are a judge and are not seeking a different type of judgeship, this question is inapplicable):

(a) If you are a candidate for Family Court, please provide a brief written description of your experience within each of the following Family Court practice areas: divorce and equitable division of property, child custody, adoption, abuse and neglect, and juvenile justice. Include information about cases you have handled in each of these practice areas, or if you have not practiced in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Family Court Judge. Please also indicate the frequency of your appearances before a Family Court Judge within the past five years.

I am not a candidate for Family Court.

(b) If you are a candidate for Circuit Court, please provide a brief written description of your experience in criminal matters, including any cases handled over the past five years and include a brief description of the issues involved. Further, please provide a brief written description of your experience in civil matters, including any cases handled over the past five years and include a brief description of the types of matters handled, issues involved, and procedural history. Please include information such as the primary areas in civil court in which you practice, whether you represent plaintiffs or defendants, or both. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. If you lack experience in an area, describe how your background and procedural knowledge has prepared you to preside over such matters as a Circuit Court Judge, or how you would compensate for your lack of experience in this area. Please also indicate the frequency of your appearances before a Circuit Court Judge within the past five years.

For over sixteen years, I have been privileged to have a private practice that includes representing individuals in both criminal and civil matters. In 2002, I became a Criminal Justice Act (“CJA”) Panel attorney and I serve in this capacity to date. As

a result of my service on the CJA panel, I am routinely appointed by the United States District Court for the District of South Carolina to represent individuals charged with federal crimes.

Focusing on the past five years, as a legal practitioner, I have represented approximately 40-50 individuals in various criminal matters in state and federal court. My criminal practice has included representing individuals at all stages of the criminal process – from bond hearings, preliminary hearings, guilty plea hearings and jury trials – for various crimes. For example, I have represented individuals charged with: counterfeiting goods and money, various drug crimes including possession, trafficking, conspiracy to possess and distribute all types of illegal drugs in varying quantities, bank robbery, criminal sexual conduct with a minor, illegal entry into the United States, being a felon in possession of a firearm, possessing a firearm in relation to a drug trafficking crime, human trafficking and trafficking minors. In a majority of the cases, I represented the client from the commencement of the action to the conclusion of the case.

Also in such criminal matters, I have had extensive opportunities in motions practice. In many criminal cases, the issues focus on the actions of law enforcement and their compliance with a defendant's constitutional rights; and I have addressed these issues in the criminal cases I have handled. For example, in one of my recent cases, I filed and argued a motion to suppress based on certain Fourth Amendment violations. I successfully challenged the search of my client and the vehicle he was located in as a passenger based on a violation of my client's constitutional rights. The search revealed a firearm and illegal drugs, resulting in my client being criminally charged in both state and federal court. At the conclusion of an evidentiary hearing, the court granted my motion to suppress and the charges against my client were dismissed.

In the past five years, I have tried three criminal cases in the United States District Court for the District of South Carolina before a jury. In the first case, my client, along with others, was investigated by the Drug Enforcement Administration and charged with participating in a conspiracy to possess and distribute marijuana. The Drug Enforcement Administration identified several "grow houses" in the Upstate of South Carolina and alleged my client participated in maintaining one such house and or in assisting in the "grow operation." Over 100 marijuana plants were located, some of which were as tall as me. At the conclusion of the trial the jury found my client not guilty. The second case involved a conspiracy to possess and distribute a quantity of methamphetamines. My client was charged with participating in that conspiracy, as well as possessing a firearm during a drug trafficking crime. At the conclusion of the jury trial, my client was convicted for his participation in the conspiracy, but acquitted of possessing a firearm in relation to his drug activity. The last case was an armed bank robbery, and at the conclusion of the trial, my client was convicted.

As a Municipal Court Judge, I have presided over hundreds of criminal matters at all stages of the criminal process – setting bonds, presiding over preliminary hearings, guilty plea hearings, bench trials and jury trials. A majority of those matters were misdemeanors ranging from minor traffic violations to shoplifting, larceny, alcohol related crimes, assaults, and domestic violence. While others involved presiding over preliminary hearings involving various felonies, including murder and attempted murder, breach of trust, criminal sexual conduct, and various drug crimes. My experience is unique in that I have not only argued various motions to suppress before the court, I have been required to rule on them. In every instance, I have studied the facts and circumstances of each case, in conjunction with the applicable law, and issued a ruling consistent therewith.

Civily, I practice primarily in Family Court, with notable experience in Probate Court, Federal Court and Circuit Court. In Family Court I have represented both Plaintiffs and Defendants in all matters of domestic/family law. In Probate Court and Federal Court I have primarily represented Plaintiffs in matters of tort and contract; and in Circuit Court I have represented both Plaintiffs and Defendants primarily in personal and commercial contract matters, as well as construction disputes. My practice in this regard has been dispute related (as opposed to transactional). In the past five years, I have appeared before a Circuit Court Judge several times.

As a result of both my criminal and civil practices, I have been fortunate to be in a courtroom litigating matters several times a week. I daily employ and apply the South Carolina Rules of Evidence, Rules of Civil Procedure and Rules of Criminal Procedure in a manner that offers me what I believe to be unique qualifications for a candidate for the Circuit Court bench.

- (c) If you are a candidate for Master-In-Equity, please provide a brief written description of your experience in the Master's court, including any cases handled over the past five years and include a brief description of the issues involved. Please include the frequency of your appearances before a Master-In-Equity or a Circuit Court Judge within the past five years.

I am not a candidate for Master-In-Equity.

- (d) If you are a candidate for Administrative Law Court, please provide a brief written description of your experience before an Administrative Law Judge, including any issues discussed and the frequency of your appearances before the Administrative Law or Circuit Court within the past five years.

I am not a candidate for Administrative Law Court.

18. What percentage of your practice involved civil, criminal, domestic, and other matters during the past five years or in the five years prior to your election to the bench?

 - (d) other: 10%

19. What percentage of your practice in trial court during the past five years or in the five years prior to your election to the bench involved matters that went to a jury, including those that settled prior to trial?
- (a) jury: 30%
 - (b) non-jury: 70%

Did you most often serve as sole counsel, chief counsel, or associate counsel in these matters?

I served most often as sole counsel in the above referenced matters.

20. List five of the most significant litigated matters you have personally handled in either trial or appellate court or before a state or federal agency. Give citations if the cases were reported and describe why these matters were significant.
- (a) Justice vs. Justice. This was a matter litigated in the Thirteenth Judicial Circuit Greenville County Family Court. The primary issue was whether a divorced parent could relocate to another state with the parties' minor children. The matter was tried for two days and the outcome not only affected the parties' three minor children, but the children's step-siblings and half-brother. It was a difficult and heart-wrenching case and the outcome impacted not only the parents, but the lives of their children. It was also a unique case as both parents were very involved in the lives of their children and neither

wanted to change the custody order in the event the parent's request to move was denied. It required an examination of the law applicable to cases in which a parent seeks to relocate to another state with the parties' minor children. I represented the parent opposing the move and I was successful in obtaining an order that restrained and enjoined the relocation of the parties' minor children. After the litigation, I kept in touch with my client and his family. I have personally observed the affect the court's decision had on this family.

- (b) United States vs. Minaya-Mena. This was a criminal matter litigated in the United States District Court for the District of SC. My client was charged in a conspiracy to possess, with the intent to distribute, marijuana. The case involved the possession of more than 100 marijuana plants, some of which were taller than me, found in several "grow houses" in the Upstate. The matter proceeded to a jury trial and my client was found not guilty. The matter is significant to me, not only because of the not guilty verdict, but because I litigated it against an excellent Assistant United States Attorney whose trial skills are exceptional. The matter required extensive preparation and an examination of the law to ensure that any issues to be appealed were properly in the court's record. I also mentored two of my colleagues during the trial. Being able to secure a not guilty verdict, while imparting knowledge to my colleagues, was phenomenal.
- (c) United States vs. Twitty. This was a criminal matter litigated in the United States District Court for the District of SC. My client was charged with being a felon in possession of a firearm, as well as possessing with intent to distribute a quantity of crack cocaine and heroin. I handled this matter almost a year ago and was able to successfully apply recent search and seizure law to the facts of the case. After an evidentiary hearing, my motion to suppress the search of my client and his vehicle was granted resulting in a dismissal of all charges against him.
- (d) Nicholas vs. Pate. This was a civil matter in the United States District Court for the District of SC. Parties in civil actions in District Court are not usually entitled to appointed counsel. However, the court asked if I would be willing to be appointed to represent the Plaintiff pro bono and I agreed. The Plaintiff had filed a civil action in the United States District Court for the District of SC alleging violations of his Federal Constitutional Rights under 42 U.S.C. Section 1983, that is, that he had been subjected to cruel and unusual punishment while serving a state imposed sentence. The matter is significant to me as it required me to assess and try a case that was well into litigation by a pro se defendant. After examining the pro se filings to ensure my client was not in any danger of having his action dismissed, the matter proceeded to a jury trial. Although I lost after a jury trial, my client's gratitude was a reward. Handling the matter also reminded me to always examine the statutes and rules of law governing an action in light of the facts and circumstances one is presented before proceeding forward with litigation. This is a rule my mentor, a former Assistant United States Attorney and war crimes prosecutor, ingrained in me and is crucial to abide by in handling every legal matter.
- (e) Collins vs. Murphy. This is a civil matter litigated in Probate Court and Circuit Court. A colleague and I have been litigating this matter throughout the court process from its inception in Probate Court, motions in Circuit Court, appeals to the Circuit Court and we are currently litigating it in the South Carolina Court of Appeals. The matter involves a

question of the interpretation and application of a statute in a matter involving the rights of unmarried parents to the receipt of wrongful death proceeds of their deceased infant. The extreme differences in the rulings resulting from the Probate Court and Circuit Court make this case unique in that the South Carolina Court of Appeals will be addressing the interpretation and application of the relevant statute in situations in which unwed parents have a child who dies at birth. Thus, making a determination as to who is entitled to the award of wrongful death proceeds.

21. List up to five civil appeals you have personally handled. Give the case name, the court, the date of decision, and the citation if the case was reported.
- (a) Moore vs. Benson, 390 S.C. 153, 700 S.E.2d 273 (Ct. App. 2010) (South Carolina Court of Appeals, 9/22/2010).
 - (b) Nestberg vs. Nestberg, 394 S.C. 618, 716 S.E.2d 310 (Ct. App. 2011) (South Carolina Court of Appeals, 8/31/2011)
 - (c) South Carolina Department of Social Services vs. McCrary, Unpublished Opinion. (South Carolina Court of Appeals, 4/28/2009).
 - (d) Collins vs. Murphy, Currently pending before South Carolina Court of Appeals. Representing Respondent along with co-counsel.
22. List up to five criminal appeals you have personally handled. Give the case name, the court, the date of decision and the citation if the case was reported.
- (a) United States vs. Nicholson, 676 F.3d 376 (4th Cir. 2012). (Fourth Circuit Court of Appeals 4/18/2012).
 - (b) United States vs. Shippy, Unpublished Opinion. (Fourth Circuit Court of Appeals, 5/4/010).
 - (c) United States vs. Wilkins, Unpublished. (Fourth Circuit Court of Appeals, 12/4/2009).
 - (d) State vs. Rivera, Unpublished Opinion. (South Carolina Court of Appeals, 2/10/2006).
 - (e) United States vs. Cruz, Unpublished Opinion. (Fourth Circuit Court of Appeals, 2/15/2006)
23. Have you ever held judicial office? If so, list the periods of your service, the courts involved, and whether you were elected or appointed. Describe the jurisdiction of each of the courts and note any limitations on the jurisdiction of each court.
- Yes. In August 2007, I was appointed to serve as an Associate Municipal Court Judge for the City of Mauldin in Greenville County, South Carolina. I served in this capacity until 2009 when I was appointed to serve as the Chief Municipal Court Trial Judge for the City of Mauldin in Greenville County, South Carolina. I continue to serve as the Chief Municipal Court Trial Judge for the City of Mauldin in Greenville County, South Carolina.
- The Mauldin Municipal court adjudicates criminal, traffic and city ordinance violations that occur within the city limits of Mauldin. As a limited jurisdiction court, it can only hear cases subject to a fine and sentence not exceeding \$500.00 or imprisonment of not more than thirty days. The Mauldin Municipal court may also hear cases that are remanded back from Greenville County General Sessions if the fine and sentence do not exceed \$5,500.00 or one year imprisonment.

24. If the answer to question 23 is yes, describe or list five of your most significant orders or opinions and give the citations if they were reported. Also list citations to any appellate review of these orders or opinions.
- (a) City of Mauldin vs. Paouris, unreported, no appellate review. This matter involved a question of whether a City of Mauldin Police Officer's Scribner's error on a uniform traffic citation warranted a dismissal of the violation and or whether the defendant's conviction should be vacated for improper notice to the defendant of his trial date/time resulting in his being tried in his absence. A contested hearing was held in which the Court was required to address the ramifications of a clerical error on uniform traffic citations, as well as whether the defendant received proper notice of his trial date/time and conviction. The Court also addressed whether the defendant took timely action to challenge his conviction and or sentence upon learning of his conviction in absentia. The defendant's motion to vacate his conviction and sentence was denied.
 - (b) City of Mauldin vs. U.S. Security Holdings, Inc., unreported, no appellate review. This matter involved an examination of Mauldin Municipal Code Section 10-40 and the defendant's payment of annual licensing fees. The matter required the Court to consider numerous exhibits and each party's position regarding the requirements set forth in the Mauldin Municipal Code and its application. The Court denied the defendant's motion to dismiss in part.
 - (c) City of Mauldin vs. Walker, unreported, no appellate review. This matter involved an instance of domestic violence in which the defendant was convicted at a bench trial. The facts and circumstances of the case however, warranted further inquiry and a sentence that enabled the victim to assist her husband in ensuring his compliance with necessary mental health treatment. The Court's sentence was structured to, not only punish the defendant, but to provide for his future mental health treatment and compliance with necessary medications to prevent future instances of violence between the married couple.
 - (d) City of Mauldin vs. Baker, unreported, no appellate review. The defendant has had several matters before the court as a result of living in a mental health residential facility located in the Mauldin, South Carolina. The primary order of significance focused on a Municipal Court's authority to assess the defendant's competency to proceed to a trial and whether a Municipal Court has the authority to issue an order for the defendant to undergo a psychiatric evaluation. The Court ordered the defendant to undergo an evaluation to ensure his competency to stand trial.
 - (e) City of Mauldin vs. McKinney, unreported, no appellate review. This matter involved an examination of whether the defendant violated the Mauldin Municipal Code when she made repairs to her residence and or created a living space within her attic. The primary issue before the Court was balancing Mauldin Municipal Code's requirement(s) and an adequate remedy as the alleged violation was at the defendant's residence and the construction had been completed. The Court granted the City of Mauldin's motion requiring the defendant's actions to ensure the safety of her residence.

My job initially required me to watch patrons at the pool to ensure their safety, enforce pool rules, and provide first aid to any patrons who required it. I also taught swimming lessons for ages 6months to adults, water aerobics classes and water classes for adults with arthritis. During the course of my employment, I was promoted to pool manager. As a result, I managed the daily operations of the pool, which included the hiring and scheduling of staff (approx. 20), payroll/timesheets, scheduling of all water related classes for patrons, scheduling of all water related events, and in-services and training of staff related to first aid and lifeguard skills.

(b) Salvini & Bennett, Properties, LLC. I am a member of this company, which is a member-managed limited liability company. The purpose of this limited liability company is the management of the real estate assets my former spouse and I continue to own together after the dissolution of our marriage. My former spouse is the only other member and we are equally responsible for maintaining the real estate assets we continue to own together, which includes the timely payment of the mortgages, taxes and insurance associated with the aforementioned properties. Our joint duties also include the management of any renter(s) for those properties. There is no finite term of service.

30. Please explain why you think you meet the professional and academic ability criteria for the seat you seek.

For over sixteen years, I have dedicated myself to the practice of law. I have devoted myself to acquiring and applying the legal knowledge and skill to effectively advise and

advocate for each of my clients. I have committed myself to understanding the common law - its origins, rationale, and evolution through the multi-tiered judicial branch of government. I have studied statutes applicable to procedure and remedy, affirmative causes of action and defenses as such may be created, and argued for strict enforcement and challenged interpretations. I have faithfully maintained my continuing legal education requirements, ensuring that I understand and recognize the various and constant changes in the law. I am a trial attorney, spending most of my time in the courtroom litigating matters at all stages of the legal process. I am honored to have a reputation amongst my colleagues of being a strong, knowledgeable, and ethical advocate for my clients.

I have served as a Municipal Court Judge for almost ten years, presiding over hundreds of matters involving mostly pro se litigants. During my tenure on the bench, I have adjudicated matters fairly, knowledgeably and impartially. Serving in this capacity, I have acquired the experience necessary to be an effective Circuit Court Judge. I have donned the black robe weekly, presiding over matters involving a variety of legal issues ranging from traffic violations, various misdemeanor crimes, and violations of City ordinances. Every time I hold court, I learn, and the time I have spent on the bench has been invaluable. It has prepared me for being a Circuit Court Judge.

31. Provide, **as a separate attachment**, a complete, current financial net worth statement that itemizes in detail:
- (a) the identity and value of all financial assets held, directly or indirectly, including, but not limited to, bank accounts, real estate, securities, trusts, investments, and other financial holdings; and
 - (b) the identity and amount of each liability owed, directly or indirectly, which is in excess of \$1,000, including, but not limited to, debts, mortgages, loans, and other financial obligations.

(A net worth statement is provided with this questionnaire and you must use this format for submission of your financial statement.)

See attached. A complete, current financial net worth statement has been provided to the Commission.

NOTE: The Commission may require written confirmation that financial obligations have been satisfied or that the parties have agreed upon a payment schedule.

32. Describe any financial arrangements or business relationships you have, or have had in the past, that could constitute or result in a possible conflict of interest in the position you seek or currently hold. Explain how you would resolve any potential conflict of interest.

I have an ownership interest with my former spouse, Joseph Bradley Bennett, Esq., in five (5) properties. Four (4) of these properties are managed by a company known as Salvini & Bennett Properties, LLC and one is owned and managed by a company known as Island Rentals, LLC. My former spouse is the only other member of these companies. The purpose of these companies is to manage property we acquired while we were married and

still own jointly after the dissolution of our marriage. Regardless of my business relationship with my former spouse, it would be a conflict of interest for my former spouse to appear before me if I am elected to serve as a Circuit Court Judge. See Canon 3, Rule 501, SCACR. Further, while I have an ownership interest in these properties, there could be a potential conflict of interest with any third parties who may rent the following properties from me in the future. Any such instance would be examined pursuant to Canons 3 and 4, Rule 501, SCACR.

I will recuse myself in any matter in which my former spouse is a party-litigant or representing a party in an action in his capacity as an attorney. In instances in which a person associated with the properties I have an interest in appeared before me, I would analyze each situation based on the provisions of Canon 3, Rule 501, SCACR and the applicable case law on a case by case basis. I would strictly follow Canon 3E. Based thereon, I would recuse myself in any matter in which my impartiality “might reasonably be questioned...” Canon 3E, Rule 501, SCACR.

33. Have you ever been arrested, charged, or held by federal, state, or other law enforcement authorities for violation or for suspicion of violation of any federal law or regulation, state law or regulation, or county or municipal law, regulation, or ordinance, or any other law, including another country’s law? If so, give details but do not include traffic violations which are subject to a penalty of \$125 or less. You must include any and all arrests, including, but not limited to, offenses for driving under the influence or similar traffic offenses. Include all arrests that resulted in expungement, which will be redacted. If you have questions regarding whether to include an offense, please contact the Commission. [All answers have been received and considered by the Commission, and as noted above, any expunged matters are redacted from the record.]
34. Have you, to your knowledge, ever been under federal, state, or local investigation for possible violation of a criminal statute? If yes, explain. [All answers have been received and considered by the Commission, and as noted above, any expunged matters are redacted from the record.]
35. Has a tax lien or other collection procedure ever been instituted against you by federal, state, or local authorities? Have you ever defaulted on a student loan? Have you ever filed for bankruptcy? If so, give details.
No.
36. Have you ever been sued by a client? Have you ever been a named party (personally or professionally) in or had a pecuniary interest in any civil or criminal proceedings? If so, give details, including, but not limited to, dates, and resolutions.
(a) No. I have never been sued by a client. However, my law partner and my law firm were sued by a client. I was not named as a party as I did not represent the client. I had a pecuniary interest in the proceeding as it involved my law firm. The lawsuit was filed on October 19, 2015 and alleged my law partner did not take appropriate action in representing the client in an action against her nursing

license, as more fully described in the complaint. It was resolved via a settlement agreement reached on or about November/December 2016.

(b) I was the Plaintiff in the action I filed against my former spouse for divorce. I was granted a divorce on December 11, 2012. The action involved the dissolution of my marriage and the equitable division of my marital estate. My former spouse and I reached an agreement as to the dissolution of our marital estate and our agreement was approved by the Greenville County Family Court at the time of our divorce.

37. Have you ever, in South Carolina or any other jurisdiction, as a lawyer, judge, or other professional, been sanctioned or disciplined for lawyer, judicial, or other professional misconduct or has any jurisdiction found that you committed any misconduct? If so, give the details and describe any final disposition. Include any and all confidential and public sanction, discipline, or finding of misconduct of any kind.

[Yes and no responses are redacted for all candidates unless there is a public discipline.]

38. Have you ever been investigated by the Department of Social Services? If so, give the details and the resolution. Has your name ever been enrolled on the Central Registry of Child Abuse and Neglect? If so, give the details.

No.

39. If you are in private practice, are you covered by malpractice insurance and, if so, how long have you carried malpractice insurance? If applicable, have you ever been covered by a tail policy? If so, please explain when you were covered by a tail policy. Also, if applicable, indicate your coverage and deductible for your current malpractice policy.

Yes, I along with my law firm, are covered by malpractice insurance. When I operated the Law Offices of Jessica Salvini in 2000-2002, in San Francisco, Ca, I did not have my own malpractice insurance. I am informed and believe that as an independent contractor for the law firm of Weinberg & Wilder I was covered by their malpractice insurance. My law firm, Salvini & Bennett, Attorneys at Law, LLC has been covered by malpractice insurance since its inception in 2002 and is still covered by malpractice insurance to date. This coverage is \$1,000,000.00 and I am informed the deductible is \$10,000.00. We have never been covered by a tail policy.

40. Are you active on or a member of a social media or Internet site or have you, to your knowledge, been featured or depicted on a social media or Internet site, such as, Facebook, LinkedIn, Twitter, etc.? If so, how would your use of social media or other similar types of Internet sites be affected if you were serving in a judicial capacity?

No. I have been on LinkedIn in the past, but I no longer have a LinkedIn account. I am not currently active on any social media sites. My law firm Salvini & Bennett, Attorneys at Law, LLC has a website and is active on Facebook. However, if I was serving in a judicial capacity as a Circuit Court Judge I would no longer be included on this website or my firm's Facebook page as my law firm would dissolve.

41. Are you now or have you ever been employed as a "lobbyist," as defined by S.C. Code § 2-17-10(13), or have you acted in the capacity of a "lobbyist's principal," as defined by S.C. Code § 2-17-10(14)? If so, give the dates of your employment or activity in such capacity and specify by whom you were directed or employed.

No.

42. Since filing with the Commission your letter of intent to run for judicial office, have you accepted lodging, transportation, entertainment, food, meals, beverages, money, or any other thing of value as defined by S.C. Code § 2-17-10(1) from a lobbyist or lobbyist's principal? If so, please specify the item or items you received, the date of receipt, and the lobbyist or lobbyist's principal involved.

No.

43. Itemize (by amount, type, and date) all expenditures, other than those for travel and room and board, made by you, or on your behalf in furtherance of your candidacy for the position you seek. If you have spent over \$100, have you reported your expenditures to the House and Senate Ethics Committees?

(a) Postage: Approx. \$10.00

44. List the recipient and amount of all contributions made by you, a member of your immediate family, or by a business with whom you are associated, to members of the General Assembly within the past four years.

In the past four years, I have not made any direct contributions to any member of the General Assembly. However, my law partner and my law firm did contribute to Rep. Jason Elliott's campaign in the amount of \$750.00.

45. Have you directly or indirectly requested the pledge of any member of the General Assembly as to your election for the position for which you are being screened or have you been offered a conditional pledge of support by any legislator pending the outcome of your screening? Have you received the assurance of any public official or public employee that they will seek the pledge of any member of the General Assembly as to your election for the position for which you are being screened? If so, give details.

No.

Note: The flash drive with your application materials contains (1) Section 2-19-70(c); (2) JMSC Rule 24, and (3) informal opinions and letters concerning pledging prohibitions, with which third parties acting on your behalf, as well as you, must comply.

46. Have you requested any third parties to contact members of the General Assembly on your behalf before the final and formal screening report has been released? Describe the campaigning you have done for this election and include a list of those individuals you have asked to campaign on your behalf and, to the best of your knowledge, those who have campaigned for you on their own initiative.

No. I have not requested any third parties to contact members of the General Assembly on my behalf. To my knowledge no third parties have contacted the

General Assembly of their own initiative. While the General Assembly was in session, I travelled to the State House for the purpose of meeting members of the General Assembly. I have also attended Delegation meetings for that same purpose. On some occasions, I have attended these Delegation meetings with colleagues who have introduced me to members of the General Assembly.

(a) United Housing Connections, Vice Chairperson.
52. Provide any other information that may reflect positively or negatively on your candidacy, or which you believe should be disclosed in connection with consideration of you for nomination for the position you seek. This information may include how your life experiences have affected or influenced the kind or type of judge you have been or plan to be.

I grew up the oldest of four daughters in a very loving and religious home. My mother was a nurse and my father worked for the railroad. As a child, I can't recall ever wanting for anything, but we lived an extremely modest lifestyle. Our home was pocket-sized, the family room having been converted into a bedroom for me and my youngest sister. My

parents worked hard to provide us with a comfortable life; but there wasn't money to spend on frivolous things. School shoes had to last the entire year. School lunches consisted of pink Kool Aid and leftovers – spaghetti sandwiches often made it into the lunch pail. Most family vacations were spent driving to Oklahoma to see relatives - my sisters and I would be packed in the back of an old Nova with faulty air conditioning. It was important to my parents for us to receive a good education, and they worked hard to put us through catholic school in our tender years. With both parents working, I became primary caregiver to my younger siblings at age eleven. Both of my parents encouraged us to rise above our circumstances and set our goals high, to focus on our education, so that we could be independent young women.

My childhood experiences were distinctly middle class, and reflecting upon it now, those experiences have served me well in my professional life in my ability to relate to a broader spectrum of people, to be able to better demonstrate empathy, to recognize the value of hard work and the strength of family values.

Beginning in childhood I have always had a hunger for knowledge and new experiences, as well as a desire to help others. My desire to learn and help others has served me well in the practice of law and as a Municipal Court judge and I believe it will continue to serve me well no matter what direction my life takes. If given the opportunity, I will be a Circuit Court judge that fairly resolves disputes in a way that gives the litigants, the public, the Bar and my fellow judges' confidence in the integrity of the judiciary and the judicial process.

53. List the names, addresses, and telephone numbers of five (5) persons from whom you are providing references. Also, provide the Commission with **original letters** of recommendation from each person listed herein, including their signature (preferably in blue ink). **The Commission will not accept a photocopy or electronic submission of a letter of recommendation and failure to include all five (5) original letters of recommendation in your packet when you submit it will render your packet incomplete.** Please **do not** have references mail your reference letters to the Commission directly. *You must return the five (5) original letters of recommendation to the Commission with your application packet.*

54. Describe any interest you or a member of your immediate family has in real property:
- (a) in which there is a potential conflict of interest with your involvement in a South Carolina state or local public agency;
 - (b) in which there have been public improvements of \$200 or that adjoins property in which there have been public improvements of \$200; or
 - (c) which was sold, leased, or rented to a state or local public agency in South Carolina.

List the interest you hold and the value and location of the property. Identify as applicable the:

- (a) nature of any potential conflict of interest;
- (b) nature and value of any public improvements; and
- (c) South Carolina state or local public agency which purchased or is leasing or renting such property.

Attach a copy of any contract or agreement.

Reviewing the above inquiries, the only subsections that have any applicability to my real estate interests are the subsections (a). Both of the subsections labeled (b) and (c) have no applicability, as no public improvements have been made and no South Carolina state or local public agency has purchased, leased, or ever had any interest in real property in which I own an interest.

With regard to both subsections labeled (a), the following applies:

I have an ownership interest with my former spouse, Joseph Bradley Bennett, Esq., in the following five (5) properties. Regardless of my ownership interest in these properties, it would be a conflict of interest for my former spouse to appear before me if I am elected to serve as a Circuit Court Judge. See Canon 3, Rule 501, SCACR. Further, while I have an ownership interest in these properties, there could be a potential conflict of interest with any third parties who may rent the following properties from me in the future. Any such instance would be examined pursuant to Canons 3 and 4, Rule 501, SCACR.
