Further, please provide a brief written description of your experience in civil matters, including any cases handled over the past five years and include a brief description of the types of

matters handled, issues involved, and procedural history. You may go back further than five years if you feel it would assist the Commission with its assessment of your experience. Please also indicate the frequency of your appearances before a Circuit Court Judge within the past five years.

While clerking for US District Judge Margaret B. Seymour, I gained valuable exposure to the criminal justice system. I assisted the court in reviewing presentencing reports, preparing for guilty pleas, researching evidentiary issues and drafting jury charges for such criminal trials as bank robbery, forgery, and drug trafficking. While I have never served as either a prosecutor or a public defender, I am free from any prosecution/defense bias. I know that I can be a fair and impartial judge to both the State and to criminal defendants appearing before me in general sessions.

For the majority of my twenty-year legal career, I have handled civil cases. For the first ten years of my career, I primarily engaged in insurance defense. For four and half years, I had the privilege of representing attorneys in legal malpractice cases covering a broad range of practice areas. Since opening my own practice in 2008, I have primarily represented plaintiffs in civil matters. I appear in Family Court, Circuit Court, and Federal Court on a regular basis in a variety of civil cases including breach of contract cases, employment cases, and divorce and custody cases. I have been appointed in the First Judicial Circuit to hear matters as a Special Referee. Having represented both plaintiffs and defendants in civil matters, I understand the demands on attorneys representing their respective clients in civil litigation. With my diverse experience in litigating civil cases over the years, I will be able to effectively handle discovery disputes, hear and assess dispositive motions, and adjudicate motions in limine in a conscientious, impartial, and fair manner.
