RE: Personal Data Questionnaire Amendment

Dear Ms. Legare:

Please allow this letter to serve as an Amendment to my JMSC Personal Data Questionnaire. The Amendment includes the following corrections or updates:

10. Describe your continuing legal or judicial education during the past five years.

Conference/CLE Name  
**SCAJ Family Law Seminar**  
**Hilton Head Island, SC**

Date  
**8/3/17**

I updated the response to reflect an additional CLE attended since the initial filing.

11. Have you taught law-related courses or lectured at bar association conferences, educational institutions, or continuing legal or judicial education programs? If so, briefly describe each course or lecture.

**On September 11, 2017 I taught at the S.C. Bar Family Law Essentials CLE. The topic was: Deans of the Family Court Bar: What I Wish I Had Known Then.**

I updated the response to reflect an additional course taught since the initial filing.

36. Have you ever been sued, either personally or professionally, that is, have you ever been named as defendant or respondent in any court of law? If so, give details, including, but not limited to, dates and resolution.

**My husband was served with a lawsuit in early August 2017 on behalf of South Carolina Electric and Gas Company (SCE&G). It is a Real Estate dispute regarding ingress and egress across a piece of our property. The suit did not name me as a Defendant, however that was in error and any amendment will have to include me. SCE&G has accused my husband of denying them access to their parcel of land situated on the Broad River.**

I updated the response to Question 36 regarding lawsuits.

43. Itemize (by amount, type, and date) all expenditures, other than those for travel and room and board, made by you, or on your behalf in furtherance of your candidacy for the position you seek. If you have spent over \$100, have you reported your expenditures to the House and Senate Ethics Committees?

(a) I spent \$22.00 in postage to mail cards out to some members of differing delegations after having met them through attending delegation meetings around the state. I have exceeded the \$100 limit by \$11.00. I am copying/notifying and reporting these expenditures to the House and Senate Ethics Committees.

I updated itemized expenditures in Question 44.

I have also attached a new verification for this update.

Thank you in advance for your attention to these matters. Please let me know if you need anything further.

Sincerely,

  
Catherine S. Hendrix
