20. List five of the most significant litigated matters you have personally handled in either trial or appellate court or before a state or federal agency. Give citations if the cases were reported and describe why these matters were significant.

(a) SCDSS v. J.E., Case Number 96-DR-13-778

This was an abuse and neglect case in which the defendant was a foster mother who severely beat a foster child in her care, killing the child. The defendant mother had other foster children and an adopted child in her care. The deceased child was one of ten siblings in foster care. I not only handled the Family Court abuse and neglect side of the case, I also actively participated in the criminal trial of Ms. E. (97-GS-13-77, 98-GS-13-10) and a civil trial against SCDSS and a school principal (97-CP-13-145, 98-CP-13-03). This case occurred as the child abuse code was changing nationwide. It involved the new code as well

as the issues of severe abuse, mandatory reporting of abuse and neglect, and foster care licensing.

(b) SCDSS, In the Interests of Baby Doe, Case Numbers 14-DR-13-645 and 15-DR-13-0628

Chesterfield County was thrust into the national news when a newborn was abandoned at the Health Department. The child was determined to be approximately three days old at the time she was left in a restroom at the health department. SCDSS had to obtain a birth certificate for the child whose parents were never located. Additionally, I had to weigh the interests of the privacy of the infant as DSS received nationwide requests to adopt the child. This balancing required considering the rights of the unknown parents, while expediting permanency for the child, who has since been adopted.

(c) SCDSS v. LJ, SJM, OG, Case Number 15-DR-16-667

This is the most recent case among many involving three children. The agency's involvement with this family began in 2006 and has continued off and on until today. Two of the children are twins and all of the children have delays and have exhibited behavioral issues. The children have spent the majority of their lives in foster care, but now seem secure in a possible stable, long term, hopefully adoptive placement(s). The reason that this case is listed is because it involved the importance of the correct use of expert witnesses. Numerous psychological evaluations have been used, as well as medical experts in child abuse. Further, I tried a termination of parental rights action in this matter for three days wherein the Court allowed the children to return to a relative placement alternative. This case is significant because it emphasizes, at least to me, the need for permanency for the children weighed against the efforts to place children with relatives and/or a return home.

(d) State v. Grandison, Case Number 01-GS-241,242

A week long armed robbery trial. My client was convicted of armed robbery. The jury determined that my client was the driver of the get-away-car. This case involved video surveillance and its admission which was fairly new at the time as well the cases involving the "hand of one is the hand of all." Mr. Grandison was a college student who grew up in Delaware and was attending college in Virginia. He was in South Carolina with "friends" from college, one of who was from this State. The first two friends apprehended gave statements and the admissibility of those statements and the weight given was an issue. Additionally, I filed several Motions to try to have the State try my client separately from the gunman.

(e) SCDSS, In the Interests of JC, Case Number 09-DR-13-378

This case involved severe abuse and neglect of three siblings. The abuse included locking the children out of the family home during the day in severe heat. One sibling was placed into a dark storage building for days with no electricity or water and forced to wear a shock collar. A sibling of this child was asked to shock the other child and to empty the bucket that the child used for a restroom. All siblings had to empty the bucket that the children used as a restroom while working in the yard. The case involved media attention, a corollary trial, and required expediting of the case to assist these children. Personally, I will never forget preparing these children for trial. The perpetrators no longer have parental rights to the child. Two of the siblings have been adopted. The sibling who was asked to perform the shocking of the other siblings has been opposed to adoption and has requested to remain in a placement in an area where had been placed initially. He is an honors student at a high school in South Carolina.

21. List up to five civil appeals you have personally handled. Give the case name, the court, the date of decision, and the citation if the case was reported.

(a) SCDSS, Respondent, v. FV, JV and TD, of whom FV and JV are Appellants. In the Interests of three minors. Case Number 2011-UP-467

This appeal from the Family Court of Darlington County involved Appellants FV and JV's challenging the Court's finding of abuse and/or neglect, the Treatment Plan ordered, and the placement of their name onto the Central Registry of Child Abuse and Neglect. The Court of Appeals upheld the findings of abuse and/or neglect, found the issue presented on the Treatment Plan was moot as argued by SCDSS, and reversed placement of the names of FV and JV onto the Central Registry of Abuse and Neglect.

(b) SCDSS, Respondent, v. GMP, AKA, ZP, MP, and John Doe, In the Interest of a minor child under eighteen years, Case Number 20012-UP-470.

MP appealed the termination of his parental rights. The Court of Appeals reviewed his case pursuant to Ex Parte Cauthen, 291 S.C. 465, 354 S.E. 2d 381 (1987), and upheld the termination of his parental rights.

(c) SCDSS, Respondent, v. ZP, MP, of whom EP is the Appellant, In the Interests of one minor child under the age of eighteen, Case Number 2010-UP-240.

ZP appealed the Family Court's Order from a Permanency Planning hearing alleging that the evidence did not support the finding that the reunification was no longer a viable plan for the child and contending that the child's guardian ad litem did not perform her duties as mandated. The Court of Appeals upheld the decision of the Family Court.

(d) SCDSS, Respondent, v. SG, LG, GB, and John Doe, of whom SG is the Appellant. In the interests of five children under the age of eighteen, Case Number 2009-UP-164

SG appealed the termination of his parental rights. The Court of Appeals reviewed this case pursuant to Ex Parte Cauthen, 291 S.C. 465, 354 S.E. 2d 381 (1987), and upheld the termination of his parental rights.

(e) SCDSS v. BL, TH, Case Number 20015-002525
