Re: *Applications for Accreditation of CE credits for New Program*

Dear Mr. Duke:

On November 16, 2021, I received the program materials you submitted for the "Tools of the Trade: Comprehensive Planning, Zoning and Subdivision Regulations" training session. Upon receipt of the materials, an email was sent to confirm receipt by all Committee members as well as a deadline set for comments.

Under the "no objection policy" adopted July 8, 2009, the request for accreditation of this program has been approved, and the signed "Notice of Decision" is attached. A formal after-the-fact approval will be handled as part of a Consent Agenda at the regular quarterly meeting of the Committee, scheduled at 11:30 a.m. on Monday, February 14, 2022.

Thank you for your efforts to help make this program a success.

Sincerely,

A handwritten signature in black ink that reads "Phillip Lindler".
