

Session 108 - (1989-1990)

S 1148 General Bill, By Drummond

A Bill to amend Section 13-7-40, Code of Laws of South Carolina, 1976, relating to the control and regulation of radiation sources, so as to delete the provisions for regulations pertaining to the qualifications of operators applying ionizing radiation to humans and requiring the operators to be certified or exempted; Section 13-7-45, relating to the regulation of and the fees for the licensing, registration, and certification of users of the sources of ionizing radiation, so as to delete the provisions for the certification of the users; and Act 449 of 1986, relating to the certification of operators of sources of ionizing radiation, so as to delete the provisions for a person exempted from the certification requirements for practicing as an operator of sources of ionizing radiation.

01/25/90 Senate Introduced and read first time SJ-7

01/25/90 Senate Referred to Committee on Medical Affairs SJ-8
