

Session 110 - (1993-1994)

S 1172 General Bill, By Ford

Similar (S 1145, H 4656)

A Bill to provide that each insured covered for mental, emotional, or nervous disorders or conditions must be allowed to select the physician or certain other specified provider to treat the disorder or condition, and require the insurer to pay the covered charges up to the limits of coverage if the disorder or condition treated is covered by the insurance policy and the physician or other specified provider is licensed by the State.

02/10/94 Senate Introduced and read first time SJ-6

02/10/94 Senate Referred to Committee on Banking and Insurance SJ-6
