

Session 108 - (1989-1990)

S 1370 General Bill, By S.S. Martschink

A Bill to amend Section 13-7-10, Code of Laws of South Carolina, 1976, relating to the definitions pertaining to the Atomic Energy and Radiation Control Act, so as to define "nonionizing radiation"; amend Section 13-7-40, relating to the powers and duties of the Department of Health and Environmental Control under the Act, so as to authorize the Technical Advisory Radiation Control Council to advise the Department on matters pertaining to nonionizing as well as ionizing radiation, require two members of the Council to have recognized knowledge in the field of radiation without the requirement that it be to ionizing radiation, and provide for department regulations on nonionizing as well as ionizing radiation; and amend Section 13-7-45, relating to the authorization of the Department to promulgate regulations for licensing, registration, and certification of users of the sources of ionizing radiation, so as to authorize the Department to promulgate regulations regarding nonionizing radiation.

03/07/90 Senate Introduced and read first time SJ-10

03/07/90 Senate Referred to Committee on Medical Affairs SJ-10
