

Session 108 - (1989-1990)

H 3175 General Bill, By J.C. Johnson

A Bill to require a certificate of insurance to be placed on all motor vehicles registered in this State so as to insure that all motor vehicles have automobile liability policies in force on these vehicles, and to provide that each policyholder, by the implementation of a certificate of insurance system, be responsible for the insurance of his vehicle so that the recoupment fee surcharge may be abolished.
