

## Session 110 - (1993-1994)

### **H 3207 General Bill, By R.S. Corning, Cato, Cooper, Davenport, Gamble, Harrison, W.S. Houck and Vaughn**

A Bill to provide that no more children may be included in the size of a family, for the purpose of determining the amount of Aid to Families with Dependent Children (AFDC) that a family may receive, than the number in the family at the time AFDC eligibility was determined and to provide an exception; to provide that a family may not receive AFDC benefits for one year or longer to increase the number of children in the family size for the purpose of determining the amount of benefits; to provide that the mother in a family that is eligible to receive AFDC benefits must consent to and have a birth control device surgically implanted and that a woman receiving an implant is eligible for Medicaid for this procedure; and to provide that the mother in a family currently receiving benefits has one year to have a birth control device surgically implanted.

**01/20/93 House Introduced and read first time HJ-11**

**01/20/93 House Referred to Committee on Medical, Military, Public and Municipal Affairs HJ-19**
