

Session 108 - (1989-1990)

H 4337 General Bill, By L.L. Taylor

A Bill to make it unlawful for a mining operation which extracts a precious metal from a particular mine in the State to import a raw material existing outside an area having a twelve-mile radius in every direction from the processing facility for the mine into the prescribed area for processing purposes, or any other purpose, at the processing facility, and to prescribe penalties.

01/10/90 House Introduced and read first time HJ-53

01/10/90 House Referred to Committee on Agriculture and Natural Resources HJ-53
