

Session 109 - (1991-1992)

H 4570 General Bill, By J.J. Bailey

A Bill to amend Section 58-27-1530, Code of Laws of South Carolina, 1976, relating to the prohibition against any electric light or power wire being erected within fifty yards of any public highway unless it meets certain standards, so as to provide that no electrical light and power wires, transmission lines, or systems capable of transmitting more than fifty kilovolts of electricity may be placed within two hundred fifty yards of any public or private school, vocational or technical school, or institution of higher learning, and to provide certain civil penalties for violation.

03/18/92 House Introduced and read first time HJ-18

03/18/92 House Referred to Committee on Education and Public Works HJ-18
