

Session 111 - (1995-1996)

S 0741 General Bill, By J.V. Smith

A Bill to amend Section 40-22-220, Code of Laws of South Carolina, 1976, relating to the qualifications for registration as a professional land surveyor, so as to delete certain language and provisions, and provide, among other things, for graduation from a school or college of two or more years with an associate degree in an ABET Commission accredited curriculum of engineering technology or land surveying, including complete courses in surveying and mapping of not less than twelve semester hours or the equivalent in quarter hours satisfactory to the Board; to amend Section 40-22-240, relating to the qualifications for registration as a Tier B Professional Land Surveyor, so as to provide for fifteen, rather than twelve, semester hours or the equivalent in quarter hours of surveying, mapping, hydraulics, and hydrology courses; to amend Section 40-22-250, relating to the qualifications for certification as land surveyor-in-training, so as to delete certain language and provisions, and provide, among other things, for the completion of courses in surveying and mapping of not less than twelve semester hours or the equivalent in quarter hours; and to amend Section 40-22-280, relating to engineers and land surveyors, applications for registration, and references, so as to change the provisions concerning references for engineering registration and land surveying registration.
