S 0785 General Bill, By McConnell

A Bill to amend Section 7-13-830, Code of Laws of South Carolina, 1976, relating to the required procedure when a voter has been challenged, so as to provide that where a voter's name does not appear on the registration book and the voter is allowed to vote a challenged ballot, the Board of Voter Registration, prior to the hearing therein, must certify whether or not the voter is a qualified elector of the precinct wherein he voted and to provide that a negative certification is considered an administrative challenge and is clear and convincing evidence for the hearing authority to disallow the ballot.
