(Statewide Session)

~~Indicates Matter Stricken~~
Indicates New Matter

The Senate assembled at 11:00 A.M., the hour to which it stood adjourned, and was called to order by the PRESIDENT.

A quorum being present, the proceedings were opened with a devotion by the Chaplain as follows:

The Psalmist writes:

“I will praise you, O Lord, with all my heart; I will tell of all your wonders.” (Psalm 9:1)

Please join me as we pray:

Gracious God, the Psalmist knew well the wonders of Your Creation. So do we; they are on display everywhere we turn here in South Carolina. On this Earth Day we pause to give You full acknowledgment of our love for the natural wonders of this State, as well as our appreciation for all of the wonderful people who reside here. Lord, guide us as we strive to protect and enhance the incredible but fragile world around us. And lead these Senators to do those things they must to bless every individual citizen. With all of our hearts, Lord, help us to honor and to preserve all that You have given to us. In Your name we pray, O Lord.

Amen.

The PRESIDENT called for Petitions, Memorials, Presentments of Grand Juries and such like papers.

Doctor of the Day

Senator LARRY MARTIN introduced Dr. Boyce Tollison of Easley, S.C., Doctor of the Day.

the following:

/ SECTION 1. Section 42-11-30 of the 1976 Code is amended to read:

[SJ]

WEDNESDAY, APRIL 22, 2009

“(A) Notwithstanding the provisions of this chapter, for purposes of the South Carolina Workers’ Compensation Law, any impairment or injury to the health of a firefighter caused by heart disease or respiratory disease resulting in total or partial disability or death is presumed to have arisen out of and in the course of employment, unless the contrary is shown by competent evidence, if the firefighter is at the time of such impairment or injury a bona fide member of a municipal, county, state, port authority, or fire control district fire department in this State. In order to be entitled to the presumption provided for in this section, any person becoming a member of a fire department after May 29, 1968, must be under the age of thirty-seven years and must have successfully passed a physical examination by a competent physician upon entering into such service or within two years of the enactment of this legislation, a written report of which must have been made and filed prior to any alleged injury with the fire department, which examination failed to reveal any evidence of such condition or conditions, and the condition or conditions developed while actively engaged in fighting a fire or within twenty-four hours from the date of last service in the activity.

(B)(1) Notwithstanding the provisions of this chapter, for purposes of the South Carolina Workers’ Compensation Law, a cardiac-related incident resulting in impairment or injury to a law enforcement officer resulting in total or partial disability, or death, is presumed to have arisen out of and in the course of employment if this impairment or injury developed while actively engaged in, or within twenty-four hours from the date of, a law enforcement incident involving unusual or extraordinary physical exertion, unless the contrary is shown by competent evidence. At the time of the incident, the law enforcement officer must be employed as a law enforcement officer of a municipal, county, state, port authority, or other law enforcement agency in this State. In order to be entitled to the presumption provided by this section, ~~any a~~ person becoming a law enforcement officer ~~on or after the effective date of this section~~, must be under thirty-seven years of age and upon entering into the service, must have successfully passed a physical examination which includes a risk factor assessment for coronary artery disease conducted by a competent physician who should counsel on risk factor reduction and consider current medical literature on evaluation and prevention of coronary artery disease in conducting the risk factor assessment. A written report of the examination must have been made and filed with the law enforcement

agency, which examination must not have revealed evidence of cardiac impairment or injury. If the law enforcement officer is identified as being a high risk for coronary artery disease during the risk factor assessment and the law enforcement officer fails to undergo, at his own expense, additional medical tests related to discovery of coronary artery disease, he is not entitled to the presumption provided by this section.

(2) In the event a law enforcement agency cannot produce the report described in subitem (B)(1), the law enforcement officer may utilize a physical examination by a competent physician within the past two years, which includes a risk factor assessment for coronary artery disease conducted by a competent physician who should also counsel on risk factor reduction and consider current medical literature on evaluation and prevention of coronary artery disease in conducting the risk factor.”

SECTION 2. This act takes effect upon approval by the Governor.
