The House assembled at 10:00 a.m.

Deliberations were opened with prayer by Rev. Charles E. Seastrunk, Jr., as follows:

Our thought for today is from Ezra 9:8: "But now for a brief moment favor has been shown by the Lord our God."

Let us pray. Steadfast God, keep the compass of our hearts fixed on You. Give these Representatives faith, strength, courage, wisdom, and integrity during these days of service to the people of this State. Enhance them more and more to follow what You have encouraged them to do. Bless our Nation, President, State, Governor, Speaker, staff, and all who contribute to the success of this great cause. Protect our defenders of freedom at home and abroad as they protect us. Heal the wounds, those seen and those hidden, of our brave warriors who suffer and sacrifice for our freedom. Lord, in Your mercy, hear our prayers. Amen.

Pursuant to Rule 6.3, the House of Representatives was led in the Pledge of Allegiance to the Flag of the United States of America by the SPEAKER *PRO TEMPORE*.

Sincerely,

(C) Within the first one hundred eighty days after the effective date of this section, the Law Enforcement Training Council shall conduct a thorough study of the use, implementation procedures, and costs, and any other related aspects associated with body-worn cameras in those jurisdictions with body-worn cameras currently in use or which begin their use during this period. At the end of the first one hundred eighty day period, The Law Enforcement Training Council shall have an additional one hundred eighty days to develop guidelines for the use of body-worn cameras by state and local law enforcement agencies and is authorized to promulgate these guidelines by regulation which must be in effect not later than three hundred and sixty days from the effective date of this act. In addition, the Law Enforcement Training Council shall have continuing authority to update the guidelines by regulation as necessary. A state or local law enforcement agency is not required to implement the use of body-worn cameras pursuant to this section until the agency has received full funding.

WEDNESDAY, MAY 13, 2015

- (f) an attorney for a person described in subitems (a) through (e).

WEDNESDAY, MAY 13, 2015

(H) Nothing in this section may be construed to require the dismissal of a charge for a violation of a criminal offense when a body-worn camera malfunctions or otherwise fails to record an incident or alleged criminal violation or if an officer equipped with a body-worn camera fails to record such incident or alleged criminal violation so long as such failure is not both wilful and malicious. If such failure is deemed by a court of competent jurisdiction to be wilful and malicious, the court must make a specific finding on the record, based upon the totality of the circumstances, and the court may prohibit the prosecution from introducing evidence related to the charges or may provide other relief as the court deems just under the circumstances.”

At the end of the first one hundred eighty day period, The Law Enforcement Training Council, in consultation with a member of the South Carolina Association of Criminal Defense Lawyers appointed by the president of the association, shall have an additional one hundred eighty days to develop guidelines for the use of body-worn cameras by state and local law enforcement agencies and is authorized to promulgate these guidelines by regulation which must be in effect not later than three hundred and sixty days from the effective date of this act. In addition, the Law Enforcement Training Council, in consultation with a member of the South Carolina Association of Criminal Defense Lawyers appointed by the president of the association, shall have continuing authority to update the guidelines by regulation as necessary. The guidelines must include, but are not limited to, specifying which law enforcement officers must wear body-worn cameras, when body-worn cameras must be worn and activated, restrictions on the use of body-worn cameras, the process to obtain consent of victims and witnesses before using body-worn cameras during an interview, the retention and release of data recorded by body-worn cameras, and access to the data recorded by body-worn cameras pursuant to subsection (G). In addition to the other requirements of this section, The Law Enforcement Training Council, by three hundred sixty days from the effective date of this section, shall submit a report to the General Assembly which must include:

(1) a specific retention policy that each state and local law enforcement agency must follow in order to ensure that body-worn camera audio and video data is retained for an appropriate amount of time while balancing when that data should be destroyed to ensure it is, in fact, destroyed in a timely manner for the protection of all parties concerned;

(2) A detailed privacy policy regarding the release of body-worn camera audio or video data including the limitation on its access in order to ensure the privacy rights of all parties concerned;

to the Public Safety Coordinating Council for funding to implement the agency's use of body-worn cameras pursuant to this section including, but not limited to, the initial purchase, maintenance, and replacement of body-worn cameras and ongoing costs related to the maintenance and storage of data recorded by body-worn cameras. A state or local law enforcement agency is not required to implement the use of body-worn cameras pursuant to this section until the agency has received full funding.

(F) Nothing in this section prohibits a state or local law enforcement agency's use of body-worn cameras pursuant to the agency's existing policies and procedures and funding while the agency is awaiting receipt of the Law Enforcement Training Council's guidelines, the policies and procedures from the Law Enforcement Training Council, and funding from the Public Safety Coordinating Council. Such an agency is eligible to apply to the Public Safety Coordinating Council for reimbursement including, but not limited to, the initial purchase, maintenance, and replacement of body-worn cameras and ongoing costs related to maintenance and storage of data recorded by body-worn cameras.

(G)(1) Data recorded by a body-worn camera is not a public record subject to disclosure under the freedom of information act.

(3) A law enforcement agency, the State Law Enforcement Division, the Attorney General, or a circuit solicitor may release data recorded by a body-worn camera in its discretion.

(4) A law enforcement agency may request and must receive data recorded by a body-worn camera if the recording is relevant to an internal investigation regarding misconduct or disciplinary action of a law enforcement officer.

(5) In addition to the persons who may request and must receive data recorded by a body-worn camera provided in item (2), the following are also entitled to request and receive such data pursuant to the South Carolina Rules of Criminal Procedure or the South Carolina Rules of Civil Procedure:

- (a) a person who is the subject of the recording;
- (b) a criminal defendant if the recording is relevant to a pending criminal action;
- (c) a civil litigant if the recording is relevant to a pending civil action;

WEDNESDAY, MAY 13, 2015

(d) a person whose property has been seized or damaged in relation to, or is otherwise involved with, a crime to which the recording is related;

(e) a parent or legal guardian of a minor or incapacitated person described in subitem (A) or (B); and

(f) an attorney for a person described in subitems (a) through (e).

(H) Nothing in this section may be construed to require the dismissal of a charge for a violation of a criminal offense when a body-worn camera malfunctions or otherwise fails to record an incident or alleged criminal violation or if an officer equipped with a body-worn camera fails to record such incident or alleged criminal violation so long as such failure is not both wilful and malicious. If such failure is deemed by a court of competent jurisdiction to be wilful and malicious, the court must make a specific finding on the record, based upon the totality of the circumstances, and the court may prohibit the prosecution from introducing evidence related to the charges or may provide other relief as the court deems just under the circumstances.”
