Explanation of Fiscal Impact

Introduced on January 24, 2017

State Expenditure

This bill allows a pharmacist to dispense a substitute for a specific biological product prescribed by a physician, dentist, or other health care practitioner, subject to requirements and conditions similar to those allowing a pharmacist to substitute a generic drug for a brand name drug. In addition, the bill requires the Board of Pharmacy to maintain a website link to biological products the federal Food and Drug Administration has determined to be interchangeable with another biological product.

Department of Labor, Licensing, and Regulation. The department indicates this bill will have no expenditure impact on the General Fund, Other Funds, or Federal Funds. The department would manage the new requirements in the ordinary course of maintaining its website and regulating the practice of pharmacy.
