August 1, 2005

The Honorable Hugh K. Leatherman, Sr.  
Chairman, Senate Finance Committee  
South Carolina Senate  
111 Gressette Building  
Columbia, SC 29202

Dear Senator Leatherman:

This is in response to a request made on your behalf by Mike Shealy for a breakdown of the assessed value of each class of property by school district. The following table is from the 2005 Index of Taxpaying Ability for Tax Year 2003. This table gives the amount of assessed value by school district and the percent each class of property is of the total assessed value in the school district.

If you have any questions, I will be happy to answer them.

Sincerely,

A handwritten signature in cursive script that reads 'William Gillespie'.

William C. Gillespie, Ph. D.
