Dear Senator Leatherman:

This is in response to a request made on your behalf by Mike Shealy for a distribution of home values by county. The attached table details this information. This data is from the Comptroller General's Fair Market Value Statistics Report for Tax Year 2001. This is the latest year this data is available.

If you have any questions, I will be happy to answer them.

Sincerely,

William C. Gillespie, Ph. D.
