Local Accommodations and Hospitality Tax Subcommittee - August 27, 2010

[Changes Proposed by Tourism Industry to Taxation Realignment Commission, Local Accommodations and Hospitality Tax Subcommittee](#) - September 10, 2010 (PDF format)

- Each presenter will have up to 5 (five) minutes to address the subcommittee. Please bring six (6) hard copies of the testimony to the meeting. Please provide an electronic copy by 10:00 AM on Wednesday, October 6, 2010.
- Due to time constraints, individuals, associations, lobbyists, etc., are asked, where appropriate, to consolidate their presentations into one unified presentation. If multiple individuals, associations, lobbyists, etc., still request to be heard on the same exemption (and their positions are identical, i.e., each are “for”), the Commission reserves the right, where appropriate, to accept public testimony from just one, while accepting written testimony from the others.
- Individuals, associations, lobbyists, etc., wishing to make a public presentation on Thursday, October 7, 2010, as outlined above, are asked to notify Rena Grant (renagrants@schouse.gov) via email, **prior** to Thursday, October 7, 2010, where possible.
- The public will also have an opportunity to “sign up” to speak on Thursday, October 7, 2010. The same stipulations listed in this memo will apply.
