

Amendment: 14

Representative Lowe proposes the following amendment:

Section 117- X900 – General Provisions

New:

117.fri. (GP: First Responder Interoperability) (A) For the current fiscal year, the First Responder Interoperability Program and the funds appropriated to the Department of Administration for this purpose are transferred to the State Law Enforcement Division (SLED). The employees, assets, liabilities, and contracts of the program are also transferred to and become part of SLED. All personnel transferred by this provision are to become employees of SLED with the same compensation, classification, and grade level. Applicable contracts entered by or on behalf of the program are continued and are considered to be devolved upon SLED at the time of the transfer.

(B) SLED is directed to administer and coordinate First Responder Interoperability operations for the statewide Palmetto 800 radio system to better coordinate public safety disaster responses and communications. First Responder Interoperability administration and coordination shall be funded as provided in this act. The cost-proportional funds shall be utilized for radio user fees of state agencies and public safety-first responders (Fire, EMS, and Law Enforcement) that participate in the statewide Palmetto 800 radio system (Palmetto 800 participants). SLED, in consultation with the Department of Administration, the Department of Public Safety, the State Emergency Management Division, a representative of the South Carolina Police Chief's Association, and a representative of the South Carolina Sheriff's Association, shall set a baseline number of radios used by each Palmetto 800 participant based on the technical aspects of the Palmetto 800 radio system and the jurisdictional requirements of the participant. If a Palmetto 800 participant reduces the baseline number of radios in use, the amount of funds allocated for the participant's radio user fees shall be reduced in a proportional amount. Procurements by SLED for the administration and coordination of the Palmetto 800 radio system are exempt from the purchasing procedures of the Consolidated Procurement Code in Chapter 35 of Title 11.

(C) The funds shall also be utilized to provide private county and city radio systems with grant funds to be used for purchases of equipment that supports interoperability with the statewide Palmetto 800 radio system and its users. Grant funds shall be allocated to private county and city radio systems based on the criteria used for Palmetto 800 participants and in amounts proportional to the amounts allocated to support the per-site radio user fees of Palmetto 800 participants. A matching share is required by a Palmetto 800 participant or by a private county or city radio system in order to qualify for receipt of funds pursuant to this proviso. Each fiscal year SLED shall establish the level of match required based upon funding provided by this act. These entities shall be required to furnish such documentation as may be required by the department to verify that the matching funds requirement is met. Upon funding state agency and public safety-first responder user fees and private county and city equipment purchases, any remaining funds may be used to enhance and expand the statewide Palmetto 800 radio system. All funds

shall be held in a separate account established by the department for the purposes set forth herein. Any unexpended portion of these funds may be carried forward and used for the same purpose. In the calculation of any across-the-board budget reduction mandated by the Executive Budget Office or General Assembly, the amount appropriated to SLED for First Responder Interoperability must be excluded from the department's base budget.

(D) SLED shall provide a report on the status of the integration of the statewide Palmetto 800 radio system, which shall include, but not be limited to, a list of entities that are not integrated into the system as of the end of the immediately preceding fiscal year and the reason why they are not integrated. The report shall be submitted by October first of the current fiscal year to the Chairman of the Senate Finance Committee and the Chairman of the House Ways and Means Committee.
