SECTION 117 – GENERAL PROVISIONS

Amend Further

117.15. (GP: Allowance for Residences & Compensation Restrictions) (A) That salaries paid to officers and employees of the State, including its several boards, commissions, and institutions shall be in full for all services rendered, and no perquisites of office or of employment shall be allowed in addition thereto, but such perquisites, commodities, services or other benefits shall be charged for at the prevailing local value and without the purpose or effect of increasing the compensation of said officer or employee. The charge for these items may be payroll deducted at the discretion of the Comptroller General or the chief financial officer at each agency maintaining its own payroll system. This shall not apply to the Governor's Mansion, nor to guards at any of the state's penal institutions and nurses and attendants at the Department of Disabilities and Special Needs, and registered nurses providing clinical care at the MUSC Medical Center, nor to the Superintendent and staff of the Governor's School for Agriculture at John de la Howe, nor to the cottage parents and staff of Wil Lou Gray Opportunity School, nor to full-time or part-time staff who work after regular working hours in the SLED Communications Center or Maintenance Area, nor to adult staff at the Governor's School for Science and Mathematics and the Governor's School for Arts and Humanities who are required to stay on campus by the institution because of job requirements or program participation. Any state institution of higher learning may provide complimentary membership privileges to employees who work at their wellness centers. The presidents of those state institutions of higher learning authorized to provide on-campus residential facilities for students may be permitted to occupy residences on the grounds of such institutions without charge.

(B) Any state institution of higher learning may provide a housing allowance to the president in lieu of a residential facility, the amount to be approved by the State Fiscal Accountability Authority.

(C) That the following may be permitted to occupy residences owned by the respective departments without charge: the Farm Director, Farm Managers, and Specialists employed at the Wateree River Correctional Institution; the South Carolina State Commission of Forestry fire tower operators, forestry aides, and caretaker at central headquarters; the Department of Natural Resources' Wildlife Management Area Personnel, Fish Hatchery Personnel, and Heritage Trust Personnel; Director of Wil Lou Gray Opportunity School; President of the School for the Deaf and the Blind; houseparents for the Commission for the Blind; South Carolina Department of Public

~~Health and Environmental Control~~ personnel at the State Park Health Facility and Camp Burnt Gin; South Carolina Department of Environmental Services personnel at the State Park Health Facility; Residence Life Coordinators at Lander University; Residence Life Directors, temporary and transition employees, student interns, and emergency personnel at Winthrop University; and Francis Marion University Farm Superintendent at Winthrop University; Residence Hall Directors at the College of Charleston; the Department of Disabilities and Special Needs' physicians and other professionals at Whitten Center, Clemson University Off-Campus Agricultural Staff and Housing Area Coordinators; and TriCounty Technical College's Bridge to Clemson Resident and Area Directors; and housing maintenance night supervisors, residence life directors, temporary and transition employees, and emergency medical personnel occupying residences owned by the University of South Carolina. Except in the case of elected officials, the fair market rental value of any residence furnished to a state employee shall be reported by the state agency furnishing the residence to the Agency Head Salary Commission, and the Department of Administration by October first of each fiscal year.

(D) All salaries paid by departments and institutions shall be in accord with a uniform classification and compensation plan, approved by the Department of Administration, applicable to all personnel of the State Government whose compensation is not specifically fixed in this act. Such plan shall include all employees regardless of the source of funds from which payment for personal service is drawn. The Department of Administration is authorized to approve temporary salary adjustments for classified and unclassified employees who perform temporary duties which are limited by time and/or funds. When approved, a temporary salary adjustment shall not be added to an employee's base salary and shall end when the duties are completed and/or the funds expire. Academic personnel of the institutions of higher learning and other individual or group of positions that cannot practically be covered by the plan may be excluded therefrom but their compensations as approved by the Department of Administration shall, nevertheless, be subject to review by the State Fiscal Accountability Authority. Salary appropriations for employees fixed in this act shall be in full for all services rendered, and no supplements from other sources shall be permitted or approved by the State Fiscal Accountability Authority. With the exception of travel and subsistence, legislative study committees shall not compensate any person who is otherwise employed as a full-time state employee. Salaries of the heads of all agencies of the State Government shall be specifically fixed in this act and no salary shall be paid any agency head whose salary is not so fixed. As long as there is no impact on appropriated funds, state agencies and institutions shall be allowed to spend public funds and/or other funds for designated employee award programs which shall have written criteria approved by the agency governing board or commission. For purposes of this section, monetary awards, if any, shall not be considered a part of an employee's base salary, a salary supplement, or a perquisite of employment. The names of all employees receiving monetary awards and the amounts received shall be reported annually to the Department of Administration.

(E) In the case of lodging furnished by certain higher education institutions to employees, the prevailing local rate does not apply if the institution meets the exceptions for inadequate rent described in the current Internal Revenue Code Section 119(d)(2). To meet the exception, rental rates must equal the lesser of five percent of the appraised value of the qualified campus lodging, or the average of the rentals paid by individuals (other than employees or students of the educational institution) during the calendar year for lodging provided by the educational institution which is comparable to the qualified campus lodging provided to the employee, over the rent paid by the employee for the qualified campus lodging during the calendar year. The appraised value shall be determined as of the close of the calendar year in which the taxable year begins, or, in the

case of a rental period not greater than one year, at any time during the calendar year in which the period begins.
