SECTION 1A - DEPARTMENT OF EDUCATION-EIA

~~1A.24. (SDE-EIA: Students at Risk of School Failure) For the current fiscal year, EIA funds appropriated for students at academic risk of school failure, must be allocated to school districts based upon two factors: (1) poverty as determined for the poverty add on weight in Proviso 1.3; and (2) the number of weighted pupil units identified in the prior fiscal year as in need of academic assistance. At least eighty five percent of the funds must be spent on instruction and instructional support for students at academic risk. Instructional support may include family literacy and parenting programs to students at risk for school failure and their families. Students at academic risk are defined as students who are not meeting grade level standards in English language arts/reading and mathematics as evidenced by summative state assessments in grades three through eight or students who are not on track to meeting or exceeding English language arts/reading or mathematics standards by the end of third grade. Public charter schools, the Palmetto Unified School District, and the Department of Juvenile Justice must also receive a proportionate per pupil allocation based on the number of students at academic risk of school failure served.~~
